

**A REQUEST FROM THE CITIZEN ADVISORY COMMITTEE (CAC) OF THE BALTIMORE REGIONAL  
TRANSPORTATION BOARD REGARDING THE APPOINTMENT OF NEW MEMBERS TO THE CAC**

Dear Honorable members of the Baltimore Regional Transportation Board:

To avoid conflict and ambiguity, the Citizens Advisory Committee (CAC) requests that the BRTB adopt a clear, written policy regarding the confirmation of the slate of candidates for CAC membership as put forth by the CAC. Furthermore, the CAC respectfully requests the policy be prepared with the input of the CAC.

The CAC requests that such a confirmation policy include the following:

1. Candidates for membership to the CAC shall be subject to a vote in an open BRTB meeting.
2. The CAC expects policies to be consistent for each candidate and for all jurisdictions.
3. For each candidate rejected by the BRTB, the CAC requests a written explanation for the rejection.

Thank you for your consideration.

Sincerely,

Michele Rosenberg, Chair  
Citizens Advisory Committee  
Baltimore Regional Transportation Board

**Comments from CAC members during e-vote:**

- o Explanations are important as is consistency in applying criteria. Personnel decisions are often not public. Need to rethink.
