TRANSPORTATION 2030

SHAPING THE FUTURE OF TRANSPORTATION
IN THE BALTIMORE REGION

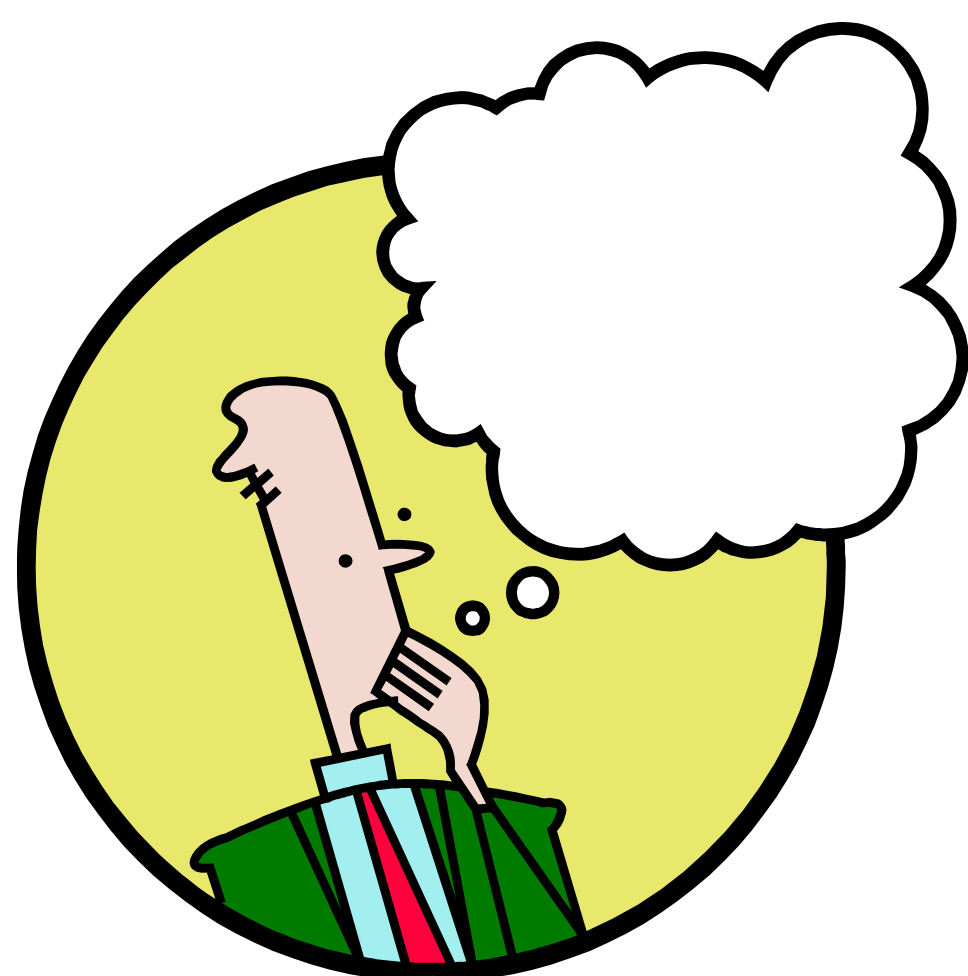

TELL US WHAT
YOU THINK!!

We welcome your comments
now through Friday, May 28th.

Then, the Baltimore Regional Transportation Board (BRTB) will look at what you and others had to say and choose a set of projects (August 2004).

These projects and a description of how they benefit the system will be made Available (September 2004).

You will then have another chance to tell us what you think. After that, the BRTB will vote on a final list of transportation projects (December 2004).
