Description	Justification
Site selection, acquisition, design and construction of an operations and maintenance facility to be shared among Howard Transit, Connect-A-Ride and Western Anne Arundel County transit services. The facility will support the County's fixed-route and paratransit services including such functions as dispatch, vehicle maintenance, parts storage, revenue collection and handling, vehicle storage and management, and administrative office space.	A comprehensive/modern transit operations and maintenance facility will enable the County, Connect-A-Ride and Anne Arundel County to gain operational efficiencies, economies of scale, and cost savings. Such a multi-jurisdictional transit facility is needed to increase vendor competition and thereby Howard Transit, Connect-A-Ride and Anne Arundel County will receive the most competitive rates for transit service. The facility will enable the development of state-of-the-art service monitoring and revenue handling equipment. The facility will allow transit service to Fort Meade.
