

# BRAC Intersections

## Fort Meade & Aberdeen Proving Ground

The Maryland Department of Transportation, on behalf of the State Highway Administration, is requesting to amend the 2010-2013 Transportation Improvement Program for projects near Fort Meade and Aberdeen Proving Ground. Both projects seek to improve safety and accessibility to these military bases as they accommodate increased employment due to BRAC.

### Fort Meade related Project (#61-0802-39)

The amendment adds additional funding to an existing project and also adds an expanded focus. The purpose is to design and construct intersection improvements at key locations along access routes to Fort Meade. Proposed locations include: MD 175 at Reece Road, MD 175 at Mapes Road, MD 175 at Disney Road and MD 175 at Rockenbach Road. Bicycle and pedestrian facilities will be provided where appropriate. The amendment also proposes to conduct a regional analysis of the transportation impacts of the National Security Agency (NSA) Cyber Command Station along MD 32 (I-95 to MD 175).

### Aberdeen Proving Ground related Project (#63-08-04-39)

This amendment adds additional funding to an existing project. The purpose is to improve safety and increase access along US 40 to Aberdeen Proving Ground, area industrial parks, and the City of Aberdeen. Funds will be used to design and construct intersection improvements at key locations. Bicycle and pedestrian facilities will be provided where appropriate. Proposed locations include: MD 22 at MD 462, MD 22 at Old Post Road, and US 40 at MD 7/MD 159.
