Agency	Local Project	**Project Type**	Fleet Improvement
Project Category	Emission Reduction Strategy	**Functional Class**	Arterial
Conformity Status	Exempt	**Physical Data**	NA
CIP/CTP Page#			

Description	Justification
Baltimore City purchased four hybrid-electric buses using a Section 5329 Transportation in the Park and Public Lands Program grant in FY 2011. The City is now acquiring buses to implement an additional Charm City Circulator route extending from the Baltimore Visitor's Center to the Fort McHenry National Monument and Historic Shrine. ***Amendment:*** • Transfer $1.5 million from FHWA's Public Lands Highways Discretionary Program to the Federal Transit Administration. • Add $1.5 million to the FY 2012 construction phase for this project. The City intends to purchase three buses, bringing the Charm City Circulator fleet to 27.	The War of 1812 bicentennial activities will increase visitors to Baltimore and the Fort McHenry National Monument and Historic Shrine. Extending the Charm City Circulator from the Baltimore Visitor's Center to the Fort McHenry National Monument and Historic Shrine will improve accessibility to the site's location on Locust Point.

Section 5320 Alternative Transportation in the Parks and Public Land Program
