

# **Annapolis Bicycle Master Plan**

## **Public Workshops**

**Thursday, May 26, 2011**

**Market House at City Dock**

- **11:00 am - 2:00 pm (presentation at 12:00 pm)**
- **6:00 pm - 9:00 pm (presentation at 7:00 pm)**

Come help make Annapolis a great place to bike!

- Choose from two workshop sessions to learn more and share your thoughts
- Identify where improvements are needed most
- Establish a network of quality bike routes for all ages and abilities

You may also participate in developing the Plan right now via an interactive online map!

From now until **June 13**, tell us about locations where biking is good and where improvements are needed.
