

wanted:

doers, thinkers and visionaries to look 50 years into the future.

We heard what matters most to you during recent public workshops.

Now, help us find the right balance between where we will live and how we will get around at one of our interactive **open houses**.

We'll be at local libraries throughout June. Stop by and **share your vision** of the region's future.

For more information visit www.imagine2060.com or call 410-732-0500.
