This order is subject to the terms and conditions accompanying this document and acceptance of this order constitutes an acceptance of all the terms and conditions set forth in such form as well as those shown or referred to on the face of this order.

PURCHASE ORDER TERMS AND CONDITIONS

DELIVERY AND TRANSPORTATION

- A. Seller shall deliver the goods or provide the service according to the terms set forth on this Purchase Order. Time is of the essence of this order. Seller's failure to meet the delivery date(s) shall constitute a material breach.
- B. No variations shall be made to the delivery date(s) unless accepted in writing by Buyer.
- C. If Seller has reason to believe one or more of the delivery dates will not be met, Seller shall give Buyer prompt notice. If Seller does not meet one or more delivery dates, or if seller notifies Buyer that it anticipates not being able to meet one or more of the delivery dates, Buyer, at its sole discretion, may obtain substitute goods, material, or services from an alternate source. Buyer may recover from Seller damages the difference between the cost of the substituted goods, material, or services and the contract price together with any incidental or consequential damages, less expenses saved in consequence of Seller's breach.

WARRANTIES

In addition to any warranties provided by law, Seller expressly warrants that the goods, materials, or services: (1) shall be of good quality and workmanship, and free from all defects, latent or patent; (2) shall conform to the drawings, specifications, descriptions and samples, if any, furnished or specified by Buyer; and (3) shall be suitable and sufficient for the intended purposes represented by Seller.

SPECIFICATIONS AND INSPECTION

- A. Seller shall not substitute goods, materials, or services for those specified or proposed without Buyer's written authorization.
- B. All goods, materials and services which are the subject of this order shall be subject to Buyer's inspection and acceptance.
- C. If the goods, materials, or services do not conform and are rejected, Seller shall pay Buyer's inspection expenses.
- D. Buyer may reject any goods, material, or services which Buyer finds to be defective in material or workmanship or which otherwise fail to meet the specifications, proposal, or requirements of this order. If Buyer rejects part of the order, Buyer may adjust Seller's account proportionally, reducing the amount owed Seller by the value of the portion rejected.
- E. Buyer shall notify Seller within a reasonable time following rejection of the order, in whole or in part. Within ten (10) days of notice of rejection, Seller shall provide Buyer with reasonable instructions regarding the disposition of the rejected goods, material or services. Buyer shall comply with any reasonable instructions. Seller shall pay all handling and transportation costs Buyer incurs for the rejected goods. If Seller does not provide reasonable instructions within ten (10) days after receiving notice of rejections, Buyer may return the rejected goods to Seller at Seller's risk and expense.

CANCELLATION AND TERMINATION

- A. Buyer may cancel this order, in whole or in part, without liability to Seller at any time before Seller begins work or incurs expenses for the order.
- B. Buyer may terminate this order in whole or in part, without liability to Seller except to pay for goods, materials, or services provided or expenses incurred before termination, if any of the following occur: (1) Seller becomes insolvent; (2) Seller files a voluntary petition in bankruptcy; (3) an involuntary petition to have Seller declared bankrupt is filed; (4) a receiver or trustee is appointed for Seller; (5) Seller executes an agreement or assignment for the benefit of creditors; (6) Seller breaches any of the terms of this agreement; (7) Seller fails to make progress on this order so as to endanger its performance; (8) the occurrence of fire, act of God, or other event beyond Buyer's control which makes Buyer's performance impracticable or impossible; or (9) any other cause.
- C. If Buyer terminates the order pursuant to this Agreement, Seller shall immediately cease work and incurs no additional expenses relating to this order except as Buyer may direct in its termination notice. Buyer shall pay Seller an amount as negotiated between Buyer and Seller for goods, materials, or services provided before termination. If Buyer and Seller are unable to agree on the amount to be paid, Buyer will pay Seller, and Seller hereby agrees to accept in full payment: (1) the stipulated price for goods, materials, or services completed and received before termination; and (2) Seller's cost and expense for unfinished work and raw materials on hand required for completion of the order, provided, however, that Seller shall take reasonable steps to mitigate its cost and expense for unfinished work and raw material on hand.

CHANGE ORDERS

Buyer may require changes in this order- including, but not limited to, changes in drawings, designs, specifications, method of inspections, method of packing, order periods, rate or method of shipment, and place of delivery- by advising Seller in writing. Adjustments to the order's cost resulting from a change order shall be in writing and binding upon Buyer and Seller. No change order or price adjustment shall be binding on Buyer unless in writing signed by Buyer's authorized representative.

PAYMENT

Buyer shall pay Seller in accordance with the terms, if any, expressed in the order. Unless agreed otherwise in writing, Buyer shall pay Seller only after receipt of all goods, materials, or services ordered are inspected and accepted. Cash Discount periods shall be computed from the date Buyer last received the goods, material, or services, or receipt of Seller's invoice, whichever is later.

If Seller fails to maintain worker's compensation insurance on its employees for the duration of this Agreement, Seller shall indemnify Buyer for any claims against its worker's compensation policy; and
- D.
