Introduction

BMC is a private nonprofit organization committed to identifying regional interests and developing collaborative strategies through plans and programs, which will improve the quality of life and economic vitality throughout the region. BMC’s Board of Directors includes the Mayor of Baltimore City, Executives of Anne Arundel, Baltimore, Harford and Howard counties, a Carroll County Commissioner, a Queen Anne’s County Commissioner, a Delegate and Senator from the State of Maryland, and a gubernatorial appointee.

The Baltimore Regional Transportation Board (BRTB) is the designated Metropolitan Planning Organization (MPO) for the Baltimore region. The members consist of designated representatives from Baltimore City, Anne Arundel County, Baltimore County, Carroll County, Harford County, and Howard County, Queen Anne’s County, the City of Annapolis, plus the Maryland Department of Transportation, the Maryland Department of the Environment, the Maryland Department of Planning, the Maryland Transit Administration, and Harford Transit. The Baltimore Metropolitan Council (BMC) staff provides technical support to the BRTB.

The work of BMC staff includes transportation forecasting and analysis, economic and demographic research, computer mapping applications, air and water quality programs, multimodal planning, cooperative purchasing, workforce development, housing and rideshare coordination.

Purpose

The Baltimore Metropolitan Council (BMC) is soliciting proposals from a qualified graphic design firm to assist in the design of its Fiscal Year 2021 annual report. The report will highlight and promote BMC's work and achievements during FY 2021 in a variety of program areas. The report will also include descriptive information about BMC, financial figures from the last fiscal year, and information regarding our Board of Directors.

BMC will retain full ownership of the report, including all infographics and other design elements.

An example of the previous year's report is available here:

https://www.baltometro.org/sites/default/files/bmc_documents/publications/bmc/annual/annual-report_2020_bmc.pdf

BMC OPTION FOR 2022 & 2023

BMC may, at its sole discretion, choose to structure the agreement resulting from this procurement to include options for the 2022 and 2023 annual reports. Please note that offerors are asked to submit budgets for those years as well.

Scope of Work

The proposed Scope of Work shall address the following components:

Task 1

Initial Design Concept Development

The selected vendor will work with BMC to develop an initial design concept for the 2021 annual report.

During this phase, the selected vendor will meet with BMC for a project kickoff meeting.

Task 2

Draft Design and Refinement

The selected vendor will design the 2021 annual report, including layout and design of all pages, 10-15 original infographics, and stock photography as needed. BMC will provide all text, logos, icons and original photography for the project.

During this phase, the selected vendor will complete at least two drafts of the report for review and comment by BMC. The selected vendor will refine each draft to reflect comments and edits received from BMC.

Task 3

Final Design, Print and Delivery of Final Report

The selected vendor will deliver the final design of a 30-40 page 2021 annual report to be printed in full color on 8 ½ x 11 paper. The final report will also be web friendly, as it will be posted on BMC's website in PDF format. The selected vendor will deliver the electronic version of the annual report in the form of a PDF file.

The selected vendor will also assist BMC in soliciting and selecting a vendor to print the final reports. (Note: the cost of printing should NOT be included in the offeror's cost proposal. These services will be contracted separately.)

During this phase, the selected vendor will submit the final design of the report to BMC and the printer, deliver the printer's proof to BMC, convey corrections from BMC to the printer, deliver the revised proof from the printer to BMC, and convey approval of final printer's proof from BMC to the printer.

Consultant Qualifications

BMC is seeking a firm, or team, with the ability to develop and execute a graphic design concept for the organization's 2021 annual report.

The price quote shall include the number of labor hours and cost by staff member and total hours and cost estimated for each task. Direct costs shall be itemized by category (e.g., travel, per diem, and reproduction, etc.) for the entire project. The contract type is anticipated as fixed price with partial payments paid based on task completion.
- *2022 and 2023 Budgets*: BMC may desire to retain an option for the selected vendor to develop an annual report in 2022 and 2023. Please include separate budgets for each of these years as well.

Mandatory Statements

Public Information Act Notice

Offerors should give specific attention to the identification of those portions of their proposals they deem to be confidential, proprietary information or trade secrets and provide any justification why such materials, upon request, should not be disclosed.

Disadvantaged Business Enterprise Notice

Disadvantaged business enterprises (DBEs) are encouraged to respond to this solicitation. It is the intent of BMC that certified minority business enterprises and sub-contractors be given the opportunity to submit proposals to this RFP and will not be subject to discrimination on the basis of race, color, sex, or national origin in consideration for an award.

All selected contractors will be required to abide by the DBE Program of the Baltimore Regional Transportation Board (BRTB). The DBE Program may be found on BMC's website.

Disadvantaged Business Enterprise Subcontract Participation Goal

The Baltimore Metropolitan Council hereby notifies all offerors that in regard to any contracts entered into pursuant to this advertisement, MBEs and WBEs will be afforded full opportunity to submit expressions of interest in response to this notice and will not be subject to discrimination on the basis of race, color, sex or national origin, in consideration for an award.

It is the goal of BMC that certified businesses participate in all competitively bid federal-aid contracts. A DBE subcontract participation goal of 31.7 percent of the total contract amount has been established for this procurement. Prime contractors holding a DBE certification will be awarded full (100 percent) credit for the DBE goal. Offerors must make a good faith effort to meet this goal in order to receive appropriate consideration.

The offeror can demonstrate that it has made a good faith effort by meeting the goal or by documenting good faith efforts to do so in its proposal. Determination of good faith efforts will be made at the discretion of appropriate BMC staff. All offers submitted in response to this RFP must include a statement specifying the Maryland Department of Transportation (MDOT) has certified the DBE or DBEs utilized to meet this requirement. If the DBE has not been certified by MDOT but has been certified by other state transportation agencies receiving federal funding, the name of the agency should be included in the proposal. BMC reserves the option to accept this certification in lieu of MDOT certification.
