The Patapsco Regional Greenway
Overview

• Project Intent & Process
• Concept Plan & Matrix
• Next Steps
Process

1. Define “greenway”
2. Review plans
3. Field investigation
4. Determine alignment
5. Public review
6. Identify primary, alternative & spur alignments
7. Analyze greenway segments
Patapsco Regional Greenway

A shared use path from Inner Harbor of Baltimore to Sykesville for both transportation and recreation connecting the region’s trail system.
Background

• Project Introduction
• Trail Benefits
