- Long-range transportation plan (*Maximize 2040*)
- Air quality assessments of all transportation projects

What is the Transportation Improvement Program (TIP)

- Short-range (four-year) program of transportation improvements & priority projects
- Financially constrained
- Authorizes project sponsor to seek or use federal funds
- Generally updated annually
 - Current TIP is FY 2017-2020
- Amendments require 30-day public review
 - New projects, new funding, etc.

Air Quality Assessment

- The TIP goes through a process that compares estimated pollutants (emissions) from transportation projects to limits (budgets) set by the state.

This report, called a “conformity determination”, addresses the 8-hour ozone standard.
