BACKGROUND

- **MDOT MTA, until recently, has been playing catch-up with grant execution.**
- **Unobligated Federal funding is now being captured in the FY 2019-2022 BMC/BRTB TIP to reflect accurate reporting.**
- **Section 5307 and Section 5337 SGR funding impacted by proposed Amendment.**

GRANT EXECUTION

- The Amended FY 2019-2022 TIP is tied to an MDOT MTA Mega-Grant application.
- Mega-Grant is currently tied to a large volume of receivables.
- MDOT MTA has been in constant communication with FTA.

CONTINUED BENEFIT

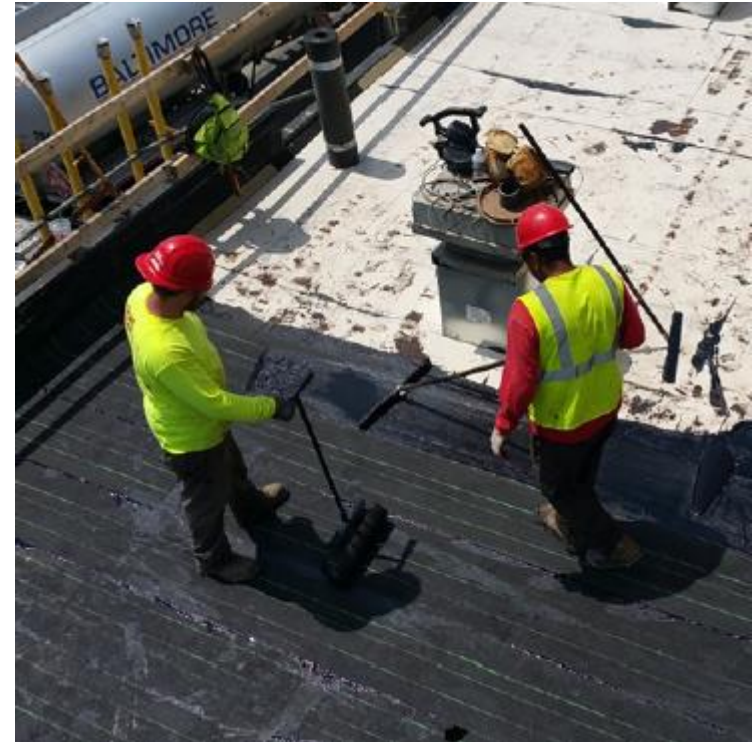

- **Federal funding will be used to provide continued support for MDOT MTA capital projects improvement and preservation throughout the state of Maryland.**
- **Without approval of this Amendment, MDOT MTA will be accountable for receivable incurred.**

Agencywide System Preservation and Improvement

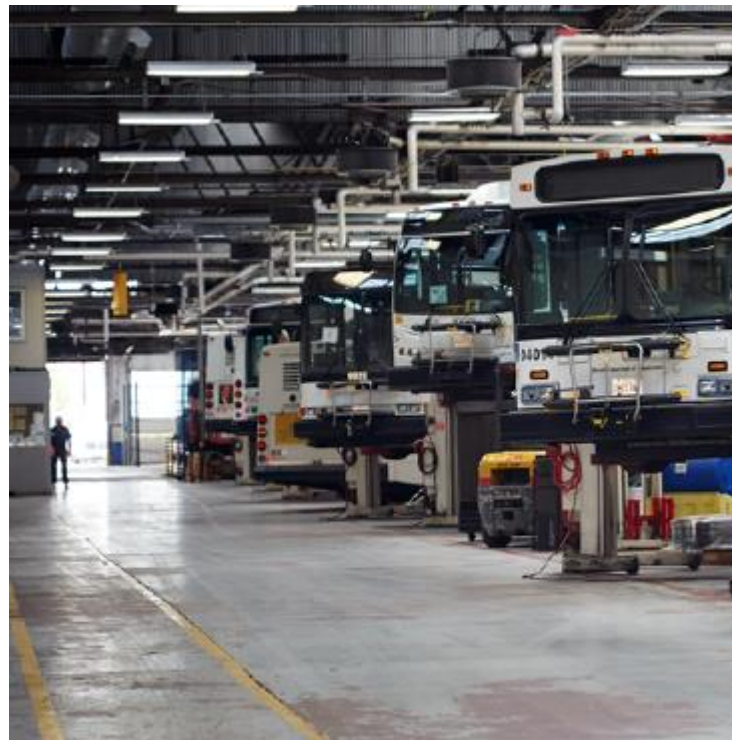

- Ongoing project to rehabilitate agency-wide facilities, systems, and crucial infrastructure.
- Assures preservation of infrastructure throughout the agency.
- \$6M in Section 5307 Federal funding added to FY 2019.

Bus System Preservation and Improvement

- Ongoing project to rehabilitate bus facilities and infrastructure.
- Associated projects support regional management and operation to improve service and safety of the bus system.
- \$834K in Section 5307 Flex Federal funding added to FY 2019.

MARC Improvements

- This project provides funding to implement ongoing improvements derived from MARC Master Plan and Amtrak/CSX Operating Agreements.
- Continued investment ensures safety and quality infrastructure for MARC.
- \$20M in Section 5337 SGR Federal funding added to FY 2019.

MARC Rolling Stock Overhaul and Replacement

- Overhauls will extend the life of mechanical systems and car bodies, thus ensuring safe and reliable MARC vehicles.
- These overhauls are performed to comply with Federally mandated maintenance regulations.
- \$6.7M in Section 5337 SGR Federal funding added to FY 2019.

Metro and Light Rail System Preservation and Improvement

- Ongoing project to rehabilitate Light Rail and Metro Infrastructure.
- Associated projects support regional management and operation initiatives to improve service and safety.
- \$9.8M in Section 5307 Federal funding added to FY 2019.
