What if the future brings ...?

Lots of new housing

More autonomous vehicles

More extreme weather events

Free transit

Help us ask the **RIGHT QUESTIONS**

**We're planning for the future.**

What are your biggest concerns around

Noah Patton @noahpatton.bsky.social

The Baltimore Metro Council has a survey out on transit/development! (+ some affordable housing as well):

Take 10 minutes to fill out this survey about the future of transportation in the Baltimore Metro

Send the link to one friend and ask them to complete it

phriendly nei @phriendlynei

Allow this video of a light rail vehicle stuck at a red light downtown, slowing down its journey to BWI for everyone onboard, to frustrate you enough to take action and fill out this survey!

Prioritize transit, and make it a major part of Maryland's future.

Mingus' colleagues also are seeking input on transportation issues more broadly, as well as climate, housing and economic growth options in the region. The public can fill out the metropolitan council's 'What If?' online survey, [available here](#),

# Community Meeting

December 11 at Severn Library

*We asked: Your comments influenced the location! What would make the trail great (signs, trash cans, water fountains, benches, lights, etc.)?*

November 20 through December 20

# HIGHLIGHTS

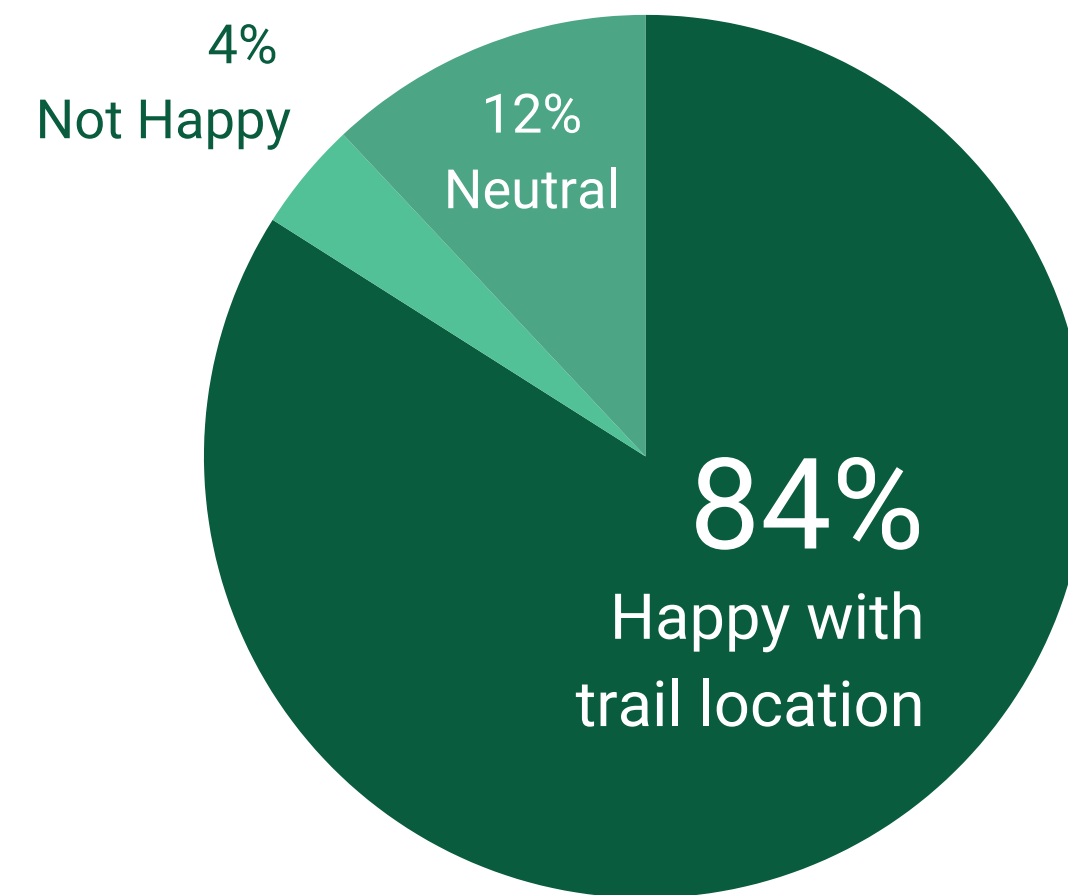

What did people have to say?

## TOP 5 CONVENIENCES

- Beautiful views
- Wayfinding Signs
- Restrooms
- Seating
- Trash cans

*“I love the consideration for user safety, thank you so much for minimizing on-road segments!”*

*“Scenic yet manageable!”*

*“I can’t wait to use this.”*

*“While it offers challenges I think it is the safest option of the four.”*
