#### PATAPSCO REGIONAL GREENWAY: STONEY RUN

Last week the planning process was launched for a segment of the Patapsco Regional Greenway that will connect to the BWI Trail in Anne Arundel and Howard Counties. This segment will add another 4 miles to the greenway. Before we start to plan, we would like to hear from the community, what are your thoughts? What features would you like on this part of the trail? Any worries on your mind? What suggestions do you have to make the trail beneficial for everyone?

The public is invited to a community meeting to talk about your thoughts and ideas! We'll be at the Elkridge Branch of the Howard County Library System (6540 Washington Blvd, Elkridge, MD 21075) on Tuesday, February 6 from 6-8 p.m. The comment period closes February 16.

Visit [publicinput.com/prg](https://publicinput.com/prg) and share your thoughts today! We hope to hear from you.
