

Baltimore Region Building Permit Activity

Cooperative Forecasting Group

Summer 2018

Overview

Each jurisdiction has a 10-Year breakdown of authorized/permitted Residential Units for a broad analysis of residential development activity in the region.

- **BMC coding process**
- **10 Years of Residential Building Permits**
 - Regional Perspective
 - Anne Arundel
 - Baltimore City
 - Baltimore County
 - Carroll County
 - Harford County
 - Howard County

Where does the data come from?

- On a weekly basis we at the BMC go through a coding system to accommodate the discrepancies between individual jurisdiction building permit reporting methods.
