

CFG Update: Post-pandemic Trends Consultant Task

April 24, 2024

Post-Pandemic Trends Study

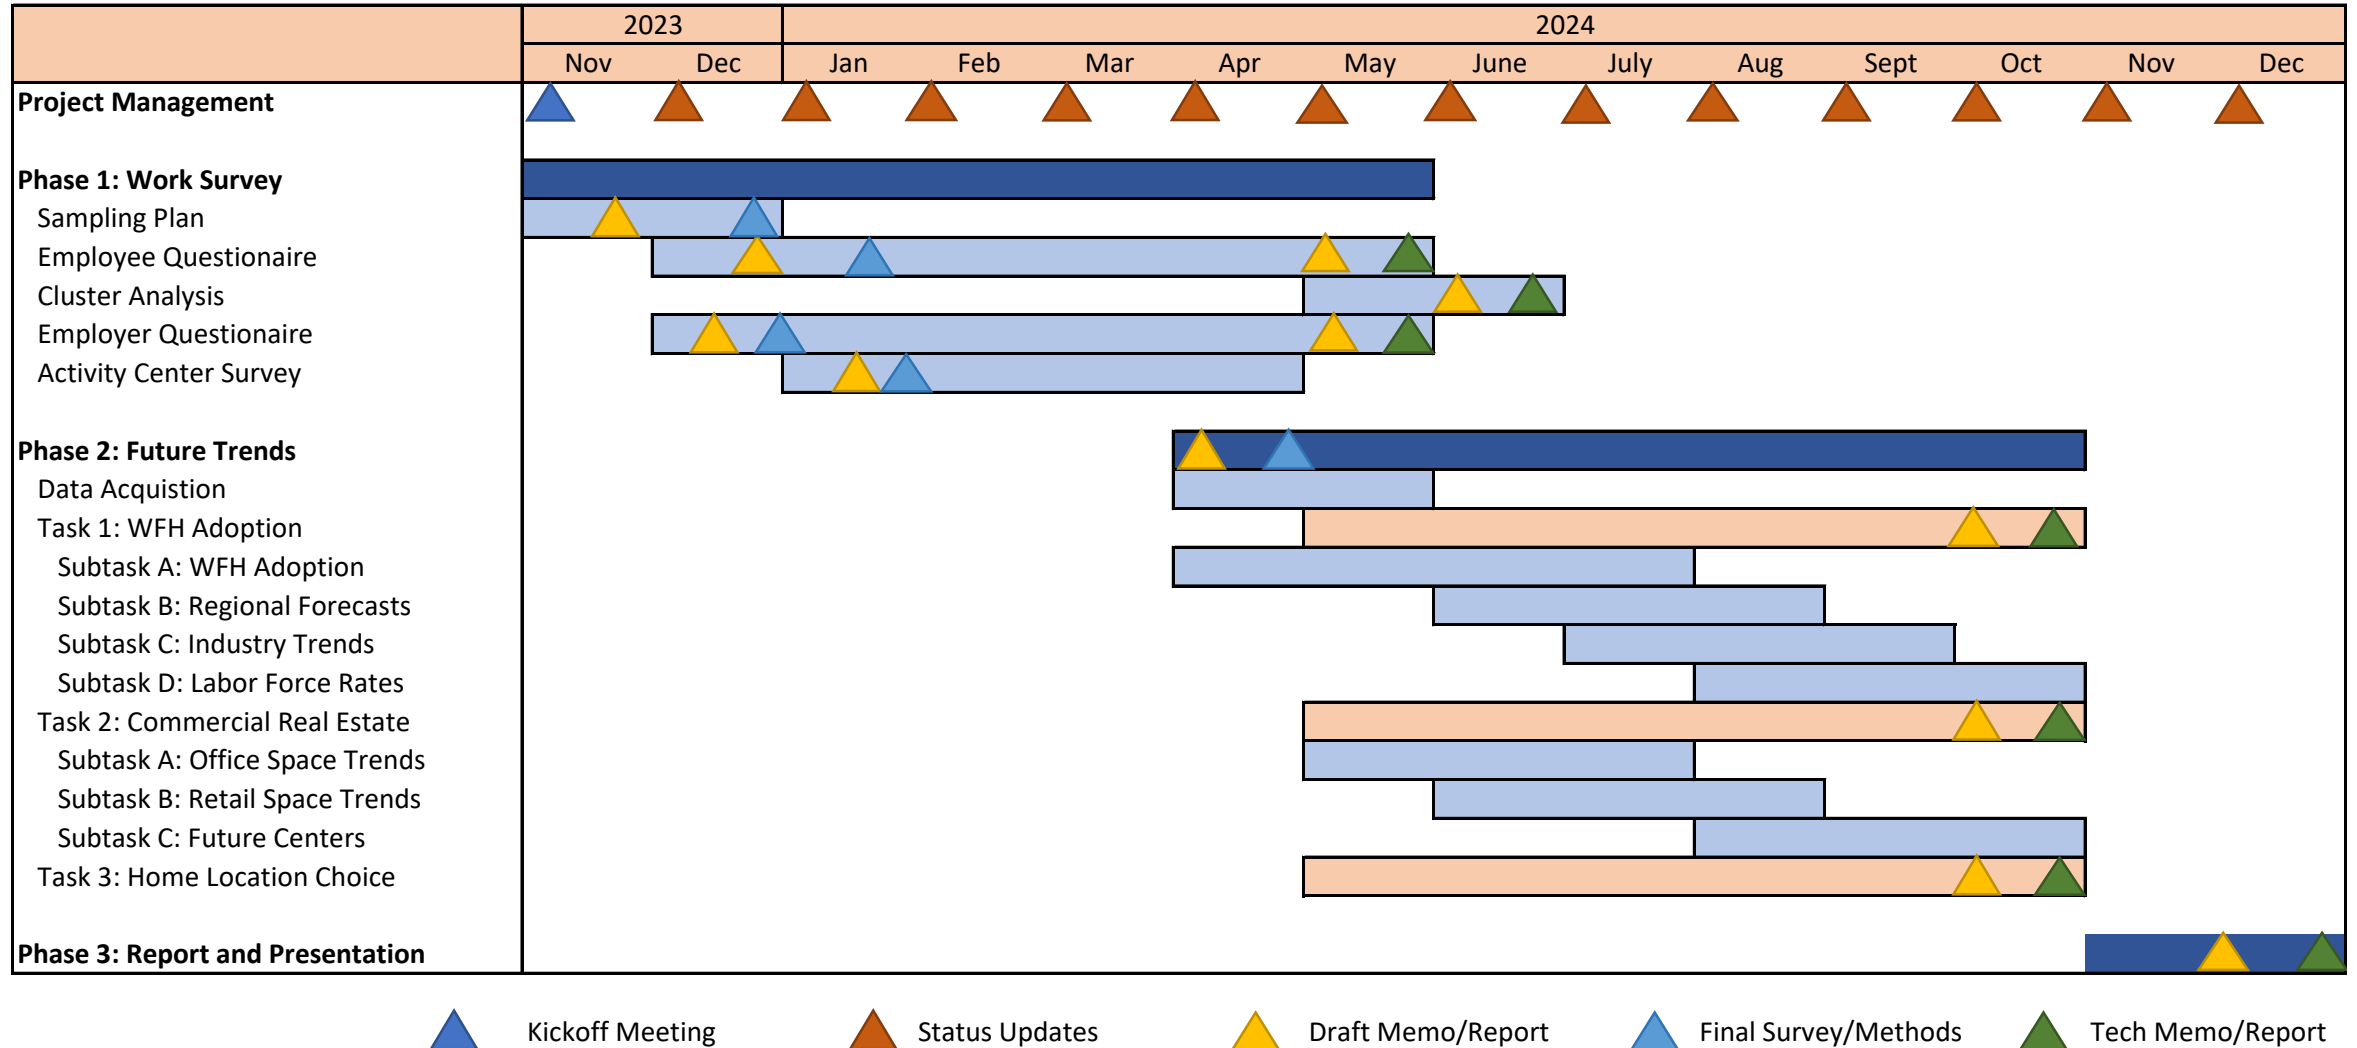

Phase 1 – Surveys: Regional Workers’ Remote Work Arrangements and Travel Choices / Employer Remote Work Policies and Office Space Utilization

- **Employee Survey –**
 - Collect responses from workers employed in a variety of industries and occupations
 - Obtain home and work location (home versus office)
 - Capture day of the week flexibility
 - Collect information about the commute (mode, time of departure, travel time)
 - Gather same information for pre-pandemic travel
- **Employer Survey –**
 - Collect as many responses from employers as possible
 - Obtain information on current and planned flexible work arrangements and policies
 - Capture information on existing and planned employee space utilization needs
 - Gain insight into operational accommodations in response to hybrid work

Post-Pandemic Trends Study

- **Survey Response**
 - Employer Survey (79 completes)
 - Employee Survey (1,621 completes)
- **Next Steps for Phase 1**
 - Survey cleaning and processing
 - Cross-tabulations and data analysis
 - Analysis of survey results and written report
- **Data Acquisition and Literature Review in Support of Phase 2**
