## 4. Using the Climate Change Resource Guide

- Distribute the Guide to your colleagues who were interviewed
- Using the Guide

## 5. Group Discussion

- **Pandemic operations**
- **Interest in using state snow plow contract**
  - DGS is working on a state snow removal contract, with the goal to have it in place by October 2022. DGS staff is investigating the level of interest of local jurisdictions in using this contract. Thinking local jurisdictions would likely not rely on the state contract for primary snow removal but may be interested in it as a secondary option.
