6. PROJECT UPDATE ENHANCING CLIMATE RESILIENCE AND INTERJURISDICTIONAL COORDINATION PROJECT

- 1. Develop checklists to operationalize the *Climate Change Resource Guide* for three of the six DPW/DOT service areas referenced in the Guide (Transportation, Stormwater, and Water). (Note: the service areas included in this project are limited to three to ensure the project budget is sufficient to develop customized and useful products; Proposers can propose including up to three more service areas, if desired.)
- 2. Develop recommendations for instituting ongoing interjurisdictional coordination on adaptation strategies being discussed, selected, funded, and implemented by the region’s public works and transportation departments.

6. CLIMATE RESILIENCE PROJECT UPDATES

- Working to identify attendees for Stormwater and Water workshops. Dates TBD.
