

Overview of the Public Comment Period

Draft 2021-2024 Transportation Improvement Program
and Air Quality Conformity Determination

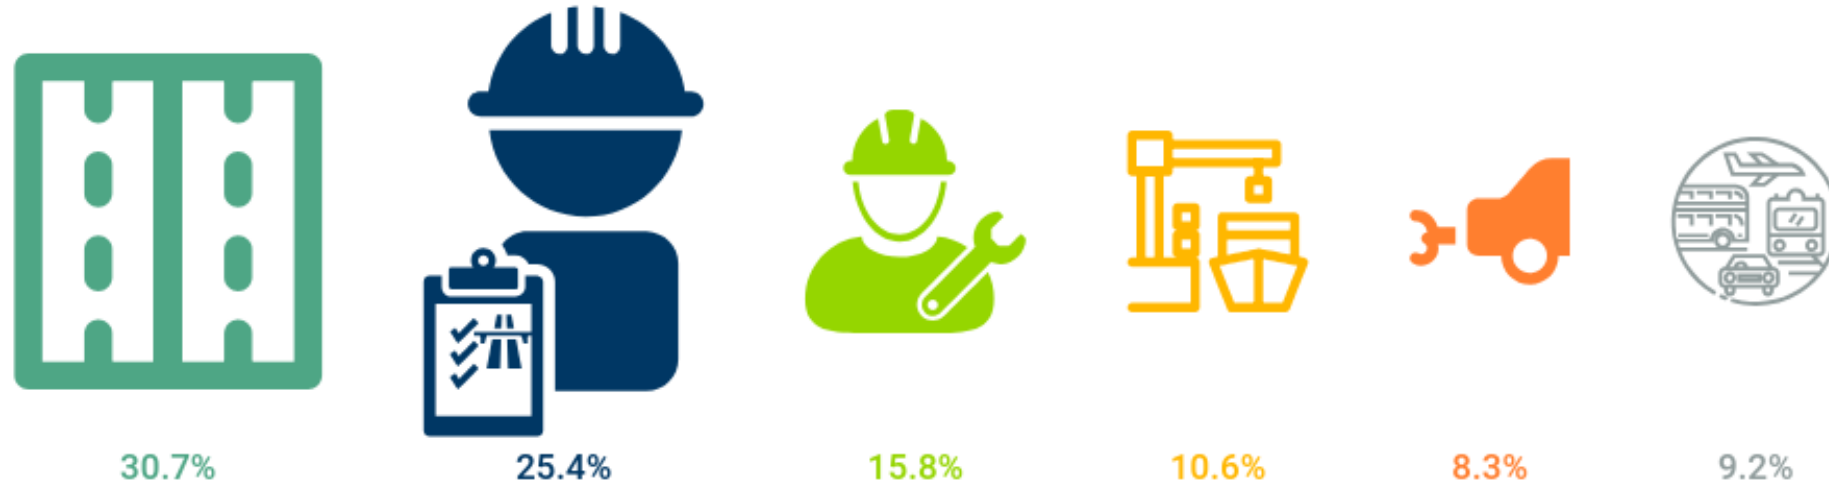

Overview of the Draft 2021-2024 TIP and Conformity

- **140 transportation projects requesting federal funding**
 - 24 are new projects
- **\$4.26 billion in proposed federal, state and local money**
 - highway, transit, bicycle and pedestrian projects
 - maintaining, operating and expanding the transportation system
- **Projects support long-range transportation goals**
- **Funding limited**
 - reasonably expected to be available from local, state, and federal sources
- **The Conformity analysis shows that projected emissions are well below the motor vehicle emission budgets set in the state implementation plan (SIP)**

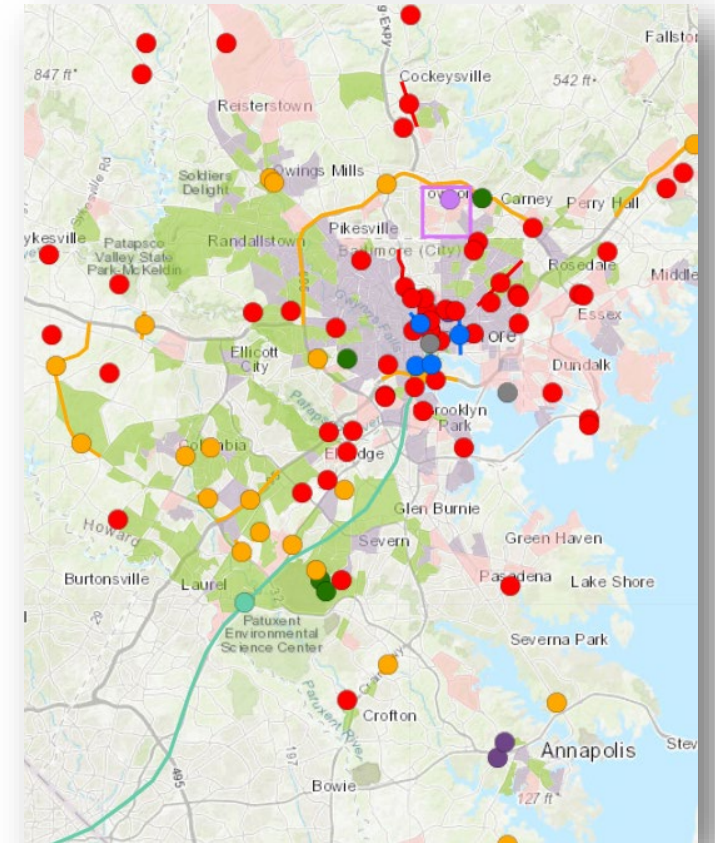

Funding for the Draft 2021-2024 TIP by Category

- Highway Capacity
- Highway Preservation
- Transit Preservation
- Ports
