WHEREAS, the Baltimore Regional Transportation Board is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, Howard, and Queen Anne's as well as representatives of the Maryland Department of Transportation, the Maryland Department of the Environment, the Maryland Department of Planning, the Maryland Transit Administration, and Harford Transit; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2021-2024 Transportation Improvement Program for the Baltimore region at its August 25, 2020 meeting, with federal approval on October 19, 2020; and

WHEREAS, federal regulations require that all transportation-related projects must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Transportation Improvement Program consists of projects included in, and in support of, the region's long-range transportation plan and ongoing short-range planning efforts; and

WHEREAS, the Maryland Department of Transportation on behalf of the State Highway Administration has requested approval of an amendment to the 2021-2024 Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the State Highway Administration is requesting to add a new project to the 2021-2024 TIP funded with a repurposed Section 1702 High Priority Project earmark. This project will fund engineering for a sidewalk where none currently exists along MD 835C in Stevensville (see attachments); and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Fixing America’s Surface Transportation Act are met; and

WHEREAS, this project is consistent with the federal emphasis on performance-based planning and programming, specifically the federal requirements pertaining to highway safety for pedestrians; and
WHEREAS, the Interagency Consultation Group has determined that this project is exempt according to the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, the proposed Transportation Improvement Program amendment was presented to the Technical Committee on December 1, 2020.

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the attached amendment to the 2021-2024 Transportation Improvement Program for the Baltimore region and finds it to conform to the applicable Maryland State Implementation Plan and requirements of the 1990 Clean Air Act Amendments.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution on December 15, 2020.

Date

Lynda Eisenberg, Chair
Baltimore Regional Transportation Board
MD 835C Sidewalk: Cockey Lane to Old Love Point Road

TIP ID: 67-2101-03  
Agency: SHA - Queen Anne's County  
Project Category: Emission Reduction Strategy  
Project Type: Bicycle/pedestrian facilities  
Functional Class: Minor Collector  
Conformity Status: Exempt  
CIP or CTP ID(s): TBD  
Est. Total Cost: $1,520,000

Description:
This project will provide a sidewalk where none currently exists along MD 835C (Love Point Road) between Old Love Point Road and Cockey Lane in Stevensville. The sidewalk will be constructed on the east side of the roadway, following the northbound lane of MD 835C. It is anticipated to be 5 feet wide and will include ADA ramps on named side roads. Inclusion of depressed sidewalk along driveways and crosswalk markings on side roads will be determined during design.

The project is funded for engineering only at this point. It is funded with a repurposed Section 1702 High Priority Project earmark. The original earmark (MD055) was $306,000 dedicated for the design and construction of the Cross Island Trail in Queen Anne's County.

Justification:
This project will provide sidewalk connectivity between commercial and residential development in Stevensville by filling a gap in existing sidewalk on MD 835C.

Amendment: This amendment adds a new project to the 2021-2024 TIP funded with a repurposed Section 1702 High Priority Project congressional earmark. The project funds engineering in the amount of $170,000 ($161,000 federal/$9,000 matching) for a sidewalk where none currently exists along MD 835C. The original earmark (ID MD055) provided $306,000 for the design and construction of the Cross Island Trail. This project ultimately received a federal Transportation Alternatives program grant and did not make use of the earmarked funds. The original MD055 earmark required that repurposed funds be used within 25 miles of the original project location. The sidewalk will be located within 1/4 mile of the now complete Cross Island Trail.

Connection to Long-Range Transportation Planning Goals:
1. Improve System Safety -- Improve safety conditions for pedestrians and bicyclists.
3. Improve Accessibility -- Increase transportation alternatives for all segments of the population.
