MSEC RFB 22-013 FOOD AND FOOD RELATED ITEMS

TITLE PAGE

Request for Bids (RFB): #22-013 Food and Food Related Items Issue Date: 11/19/2022

By: Susan B. Phillips, Purchasing Agent, phillips.susan@ccpsstaff.org, 410-479-1210 x1236

The purpose of this RFB is to establish a contract for the furnishing and delivery of Food and Food Related Items for the Child Nutrition Food Service Programs for Maryland’s Shore 7 Educational Food Service Consortium (hereinafter referred to as MSEC). The Caroline County Board of Education (also “Caroline County Public Schools” or “CCPS”) is soliciting sealed bids for the member county school systems of MSEC. The county school system members are: Caroline, Cecil, Dorchester, Kent, Somerset, Wicomico and Worcester.

Bid Due Date: Bids are due no later than 11:00 a.m. EST on Tuesday, January 11, 2022. Sealed bids, labeled with the bid number and title, may be hand-delivered or mailed to: Attention: Susan Phillips, Purchasing Agent, CCPS Support Services Building, 11348 Greensboro Road, Denton, MD 21629. Or you may submit an electronic response, noting the Bid Title in the subject line, to bids@ccpsstaff.org. Faxed bids will not be accepted. The opening is public and will be conducted in Conference Room A at the above address. If CCPS, and/or its district buildings, are closed due to unforeseen circumstances on the day bids are due, bids will be due at the same time on the next day that the CCPS and/or its district buildings are open.

MINORITY & SMALL BUSINESS ENTERPRISES ARE ENCOURAGED TO RESPOND TO THIS RFB

This bid must be signed by a person with legal authority to bind the organization to the terms of the RFB and bid. Signature on this page constitutes your acceptance of the terms and conditions contained in the RFB. Any bidder selected for award, including businesses outside of the State, must comply with registration/verification requirements of the Maryland Department of Assessments and Taxation (see page 7, #15 Registration).

The authorized signature provides MSEC your acknowledgment and acceptance of the terms and conditions contained in the RFB. When this page is executed by an authorized officer of MSEC, these specifications, general terms and conditions, and price bid become a legally-binding contract between the successful bidder and MSEC.

Bidder Name: Sysco Eastern MD
Address: 33300 Peach Orchard Rd. Pocomoke City, MD 21851
Phone: 410-677-5500 Fax: Email:
Federal ID or Social Security Number: 742937089
MDOT MBE Certification # (if any): NA
Registration #: 742937089
Date Bid Submitted: March 1, 2022
Authorized Signat.: Daniel J. Steinly
Printed Name and Title: Daniel J. Steinly Contract Bid Manager
Accepted by MSEC: 4/17/22 (Date)
Award Limitations: 7/1/22-6/30/23 w/ 4 one-year renewal options

10/2021
Section VI: PRICE BID SHEET

Bid prices shall be submitted as follows and shall include all costs associated with the performance of this RFB. This includes, but is not limited to, salaries/wages, materials, equipment, fees, transportation, freight, overhead, taxes, profit and any other related costs. All contract pricing is F.O.B. Destination and shall include freight. No additional surcharges may be applied throughout the term of the contract nor will additional costs be paid.

Price bids shall be submitted on the basis of price per unit. Unit price must be given for each item and the total price must be extended. In the instance of a discrepancy between the unit price and the extended price, the unit price shall prevail. The quantities listed in the Bid Worksheets are estimates for bid evaluation purposes only unless otherwise stated herein. Payment term discounts will not be considered.

All bid prices and notations must be in ink. No erasures are permitted. Errors may be crossed out and corrections printed in ink adjacent to the crossed-out error or in any margin or other visible and appropriate place on the same page as the correction. The explanation need only be the full name of the person having initialed the correction and shall be printed in ink.

Note: Unit prices bid must be rounded to 2 decimal points.

The Bid Worksheet of all food items is provided in a separate Excel document. That document must be completed and returned with this Price Bid Sheet. Transfer the total sums for each category from each sheet within the Bid Worksheet. Return one hard copy and one electronic copy in Excel format.

Section II: Qualifications/Experience Affidavit

Submitted By: [Signature]

MSEC reserves the right to contact additional references not contained in this Affidavit. Information obtained from the references provided and any additional references not listed will assist MSEC in making the determination on bidder responsibility. If MSEC, in its sole discretion, determines that a bidder’s references are inadequate, MSEC reserves the right to determine the bidder is not responsible and reject their bid.

Bidder shall have been a regular provider in providing frozen, canned, and packaged goods, in an occupied K-12 school building, similar in scope and complexity to the described requirements, for a period of not less than five (5) years from the date of issuance of this bid. MSEC may consider the experience of the bidder’s key personnel toward the experience requirement. The shown ability to properly service and meet the requirements of MSEC will be given consideration.

1. How many years has your company been in business? 41 years with Sysco
   1a. Has your organization operated under another name? If so, please list: Lankford Sysco Food Services

2. List at least three references for contracts similar in size and scope to the work described herein which your organization has completed within the last 3 years (include all requested information).

   Project Name: Salisbury University
   Scope of Work: Food & Foodservices supplies
   Address: 1101 Camden Ave, Salisbury, MD 21801
   Contact Person: Jeff Canada
   Phone Number: 410.548.2971

   Project Name: Joint Services Prime Vendor
   Scope of Work: Food & Foodservices supplies
   Address: 2405 Gun Shed Rd, Building 2261
   Contact Person: Clemente Berrios
   Phone Number: 4104660033
   Email: clemente.berrios2.naf@army.mil

   Project Name: Air Force AFNAF Prime Vendor
   Scope of Work: Food & Foodservices supplies
   Address: AFSC/VMFN Bldg 1, suite 156, Lackland AFB, TX 78236-9854
   Contact Person: Karen Drake
   Phone Number: (210) 395-7756
   Email: karen.drake@us.af.mil

4. How many people does your company presently employ on a: full-time basis? 400  Part-time basis? 

5. Has your company been terminated from a state or county funded project within the last 5 years? If yes, explain. NO

6. Has your company failed to complete the contracted scope of work on any contract of similar scope or size within the last 5 years? If yes, explain. NO
7. Has your company been involved in disputes while under any contract similar in size and scope that has resulted in arbitration or litigation against it or the owner within the past 5 years? If yes, explain. NO.

8. Has your organization performed any contract for any unit of the State of Maryland or any County Government or School District over the last five years other than those listed in Section 2? (Please list names, addresses, dates and the government employee responsible for accepting the work). Use additional sheets if necessary. NO

9. Has your company or any of its officers or employees ever been found guilty of any criminal act in regard to the performance of a government contract or subjected to any penalty, termination for cause, or liquidated damages arising out of poor or non-performance? Explain. NO

10. Has your company ever been suspended or debarred from bidding on local, school, state or federal contracts for any reason? Explain. NO

11. Has your company ever filed for bankruptcy/receivership or any other similar defalcation? Explain. NO

12. Are any officers or employees of your company employed by any of MSEC's Boards of Education or local government? Do any officers or employees of your company have immediate family members who are employed by the any of MSEC's County's Boards of Education? Explain. NO

The signatory of this form hereby affirms that the information as set forth is accurate, truthful and complete, to the best of his/her knowledge and belief. Failure to submit this completed document will determine the bid as non-responsive.

Dated this ________________ day of ____________, 20___

Name of Organization: Sysco Eastern MD

By: __________________________

Daniel J Steinly

(Print Name)

Title: Contract Sales Manager
Section V: BIDDER QUESTIONS
Failure to submit this completed document will determine the bid as non-responsive.

Bidder Name:  Sysco Eastern MD

BIDDERS MUST PROVIDE A WRITTEN RESPONSE TO EACH QUESTION AND SUBMIT THIS COMPLETED DOCUMENT WITH THEIR BID (use additional sheets if necessary).

Will you use subcontractors on this project? If so, provide the company name(s) and role/s of subcontractor/s:

   NO

Will you use a third party to deliver the products? If so, provide company name:

   NO

List your vehicle inventory of refrigerated and non-refrigerated trucks you intend to utilize to affect an efficient day-to-day delivery schedule to ESMEC (or the inventory of third party if a third party is being used):

   12 Tractors and 110 Dual Zone trailers

How many vehicles and drivers do you anticipate utilizing to administer this contract?:

   24 Vehicles and Drivers

Are the delivery trucks being used to deliver products temperature controlled to maintain correct temperature for all products?  yes, dual zone

Are the delivery trucks being used to deliver products equipped with a back-up alarm and are they in compliance with Maryland’s Transportation Article, Section 22-402?  yes

Describe in terms of square footage the warehouse facilities you intend to use to safely and securely store the quantity of products required by these specifications and show you have the physical capacity to procure and store the merchandise covered by the contract. All items must be delivered in their appropriate state that is frozen, refrigerated or dry storage. Refrigeration facilities used for storing and delivering chilled and frozen products must meet recommendations of the Maryland State Department of Health:

Identify the Project Manager and provide background information.  Joy Atkins, School bid specialist, 11 years sysco associate

Identify any other personnel to be assigned in a supervisory capacity to this contract and describe their experience.  Daniel Steinly, Contracts and Bids Manager, 20 years sysco employee in various sales and management roles

Do all items bid conform to the standards published in the USDA Food Buying Guide for the School Lunch Program? following the specs set forth in the bid

Does your company comply with the Buy American provision?  when possible

Rev. 10/2021
Section V: BIDDER QUESTIONS (cont’d)
Failure to submit this completed document will determine the bid as non-responsive.

Does your company accept the following forms of payment? (check all that are accepted):

- [x] Check
- [x] ACH
- [ ] E-Payable
- [ ] Credit Card (P-card)
Attachment A – Bid/Contract Affidavit

A. AUTHORITY
I HEREBY AFFIRM THAT: I, Daniel J Steinly (name of affiant) am the Contract Sales Manager (title) and duly authorized representative of Sysco Eastern MD (name of business entity) and that I possess the legal authority to make this affidavit on behalf of the business for which I am acting.

B. CERTIFICATION OF REGISTRATION OR QUALIFICATION WITH THE STATE DEPARTMENT OF ASSESSMENTS AND TAXATION
I FURTHER AFFIRM THAT:
The business named above is a (check applicable items):
(1) Corporation: __ domestic or ___ foreign;
(2) Limited Liability Company: __ domestic or ___ foreign;
(3) Partnership: __ domestic or ___ foreign;
(4) Statutory Trust: __ domestic or ___ foreign;
(5) Sole Proprietorship
and is registered or qualified as required under Maryland Law.

I further affirm that the above business is in good standing both in Maryland and (IF APPLICABLE) in the jurisdiction where it is presently organized, and has filed all its annual reports, together with filing fees, with the Maryland State Department of Assessments and Taxation. The name and address of its resident agent (IF APPLICABLE) filed with the State Department of Assessments and Taxation is:

Name and Department ID Number: __ see attachment __
Address: ____________________________________________________________________________

and that if it does business under a trade name, it has filed a certificate with the State Department of Assessments and Taxation that correctly identifies that true name and address of the principal or owner as:

Name and Department ID Number: ____________________________________________________________________________
Address: ____________________________________________________________________________

C. EMPLOYMENT OF SEX OFFENDERS AND OTHER CRIMINAL OFFENDERS
I further affirm that I am aware of, and the above business will comply with, the following requirements of Section 11-722 of the Criminal Procedure Article, and Section 6-113 of the Education Article, Annotated Code of Maryland:

Maryland Law requires sex offenders to register with the State and with the local law enforcement agency in the county in which they will reside, work, or attend school. A Contractor may not knowingly employ an individual to work at a school if the individual is a registrant. A Contractor violating this Law is guilty of a misdemeanor and may be subject to imprisonment not exceeding five years or a fine not exceeding $5,000, or both.

See Section 11-722 of the Criminal Procedure Article, Annotated Code of Maryland.

A Contractor or Subcontractor may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of:

1) Section 3-307 of the Criminal Law Article, Maryland Annotated Code, Sexual Offense in the Third Degree;
2) Section 3-308 of the Criminal Law Article, Maryland Annotated Code, Sexual Offense in the Fourth Degree;
3) An offense under the laws of another state that would constitute a violation of Sections 3-307 or 3-308 of the Criminal Law Article if committed in Maryland;
4) Child sexual abuse under Section 3-602 of the Criminal Law Article, Annotated Code of Maryland;
5) An offense under the laws of another state that would constitute child sexual abuse under Section 3-602 of the Criminal Law Article if committed in Maryland;
6) A crime of violence as defined in Section 14-101 of the Criminal Law Article, Annotated Code of Maryland; or
7) An offense under the laws of another state that would constitute a crime of violence under Section 14-101 of the Criminal Law Article if committed in Maryland.
D. CONTRACTOR SCREENING OF EMPLOYMENT APPLICANTS HAVING DIRECT CONTACT WITH MINORS
In addition to the requirements of Section C above, Contractor shall comply with the requirements of Section 6-113.2 of the Education Article, Maryland Annotated Code, regarding screening of applicants for employment.

E. AFFIRMATION REGARDING BRIBERY CONVICTIONS
I further affirm, neither I or to the best of my knowledge, the above firm, nor any of its officers, directors, or partners, or any of its employees directly involved in obtaining contracts with the State or any County, bi-County, or multi-County agency, or subdivision of the State have been convicted of, or have pleaded nolo contendere to a charge of, or have during the course of any official investigation or other proceeding admitted in writing or under oath, acts or omissions committed after July 1, 1977 which constitute bribery, attempted bribery, or conspiracy to bribe under the provisions of Article 27 of the Annotated Code of Maryland or under the laws of any other State or the Federal government.

F. AFFIRMATION REGARDING COLLUSION
I further affirm that neither I nor, to the best of my knowledge, information and belief, the above business has:
1) Agreed, conspired, connived or colluded to produce a deceptive show of competition in the compilation of the accompanying bid or offer that is being submitted; or,
2) In any manner, directly or indirectly, entered into any agreement of any kind to fix the bid/ proposal price of the bidder/offeror of any competitor, or otherwise taken any action in restraint of free competitive bidding in connection with the contract for which the accompanying bid or offer is submitted.

G. AFFIRMATION REGARDING SUSPENSION AND DEBARMENT
I further affirm that neither I nor, to the best of my knowledge, information and belief, the above business, or any of its officers, directors, partners, or any of its employees directly involved in obtaining contracts with public bodies, has ever been suspended or debarred (including being issued a limited denial of participation) by any public entity, except as follows (use a separate sheet to list each debarment or suspension, providing the dates of the suspension or debarment, the name of the public entity, the status of the proceedings, the name(s) and position of the parties involved, and all pertinent details).

I further affirm that (1) the business was not established and it does not operate in a manner designed to evade the application of or defeat the purpose of debarment pursuant to Section 16-101, et seq, of the State Finance and Procurement Article of the Annotated Code of Maryland; and, (2) the business is not a successor, assignee, subsidiary, or affiliate of a suspended or debarred business, except as follows (indicate the reasons why the affirmations cannot be given without qualification):

H. AFFIRMATION REGARDING LOBBYING
The Contractor will comply with the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and certifies to the tier above that it will not and has not used Federal appropriated funds to pay a person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by U.S.C. 1352. If applicable, contractor will compete the disclosure of lobbying with non-Federal funds using Lobbying Activities Form (Form SF-LLL) and submit to MSEC annually.

Violations of any of these provisions may result in immediate termination for cause.

I DO SOLEMNLY DECLARE AND AFFIRM UNDER THE PENALTIES OF PERJURY THAT THE CONTENTS OF THIS AFFIDAVIT ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE, INFORMATION, AND BELIEF.

By (printed name of Affiant): Daniel J Steinly

(Signature of Affiant): Daniel J Steinly

 Sysco Food Safety Plan Overview

PROCESS FLOW OF DISTRIBUTION SUPPLY CHAIN
Receiving -> Put Away -> Storage -> Selection -> Loading -> Delivery -> Returns

HAZARD ANALYSIS AND FOOD SAFETY PREVENTIVE CONTROLS PLAN

Sysco Operating Sites have documented Hazard Analysis. The hazards include Biological, Chemical, including Allergens and Radiological, Physical hazards and acts of Intentional Adulteration that may be of food safety risk to various product groupings.

A comprehensive risk based Food Safety Preventive Controls plan based on Hazard Analysis Critical Control Point (HACCP) principles has been developed for product groupings where the likelihood and severity of each hazard is significant. The Food Safety Preventive Controls Plan is reviewed by the Corporate and Local Food Safety Teams annually or as needed.

There are two Critical Control Points: RECEIVING and STORAGE

PREREQUISITE PROGRAMS

Sysco Operating Sites have Prerequisite Programs in place that include Preventive Maintenance, Cross Contamination, Cross Contact (allergen), Non-Conforming Product, Pest Control, Sanitation, Temperature Control and Monitoring, Good Manufacturing Practices, Training, Recalls and Customer Complaints.

PREVENTIVE MAINTENANCE

A Preventive Maintenance Program is in place at each Operating Sites. The PM Program covers the maintenance and repair of the facility, equipment and transportation vehicles and trailers.

CROSS CONTAMINATION CONTROL

Sysco Operating Sites have a Cross Contamination Standard Operating Procedure in place. The Standard Operating Procedure defines the control steps associates must follow to minimize the risk of cross contamination from Biological, Chemical (non-allergenic) and Physical contaminants.
CROSS CONTACT (ALLERGEN) CONTROL

Sysco Operating Sites have a Cross Contact (Allergen) Standard Operating Procedure in place. The Standard Operating Procedure defines the control steps associates must follow to minimize the risk of allergen contamination to food products.

NON-CONFORMING PRODUCT

Sysco Operating Sites have policies and procedures in place to address the handling of non-conforming, damaged, wasted and returned products.

PEST CONTROL

Sysco Operating Sites have a Pest Control Program in place. The Program defines the requirement for Integrated Pest Management (IPM) strategies to prevent contamination by insect/rodent infestation and/or harborage at the Operating Sites.

3rd Party Licensed Pest Control Operators are contracted at each facility as part of the IPM program. Only approved pesticides for food facilities are utilized in designated areas.

SANITATION CONTROLS

The Facility Sanitation Standard Operating Procedure defines the ongoing responsibilities of Sysco associates to ensure the Operating Sites are clean, sanitary and in good repair.

The Vehicle Sanitation Standard Operating Procedure defines the ongoing responsibilities of Sysco associates to ensure the Delivery vehicles are clean, sanitary and in good repair.

TEMPERATURE CONTROL AND MONITORING

The Food Safety Plan includes an Integrated Cold Chain Monitoring System that evaluates ambient air and/or direct product temperatures during Inbound Receiving, Storage and Outbound Delivery activities. From receipt to storage to delivery, temperatures are monitored to ensure Food Safety.

The HACCP Plans define specific monitoring requirements that must be observed and documented during Receiving. Sysco Branded refrigerated raw ground beef, raw chicken, fresh seafood and all brands of fresh produce are required to have a Time Temperature Recorder (TTR) with each inbound shipment. Radio Frequency (RF) enabled TTRs are used to automate the temperature data downloads and generate email notifications to better ensure this important information is gathered and reviewed by Operating Sites associates.
Refrigerated HACCP storage areas and loading docks are continuously monitored 24 hours a day/7 days a week. Automated email and cellular notifications occur when Storage area air temperatures deviate from Warning and Critical alert limits. Storage temperature data is reviewed daily by a trained associate and verified weekly by a HACCP certified associate.

Trailers for delivery are pre-cooled prior to loading and temperatures are continuously monitored by the driver throughout the delivery process. A selected number of delivery routes are monitored with RF TTRs daily to evaluate temperature control during the delivery process.

**GOOD MANUFACTURING PRACTICES**

A Good Manufacturing Practices (GMP) Policy is implemented at each Operating Sites and is specific to each facility. The GMP Policy addresses associate cleanliness and hygiene, hand washing, food and beverage consumption, tobacco usage, cuts, illness reporting and proper food handling.

**TRAINING**

All Operating Sites personnel, including temporary personnel and contractors, are properly trained on all Food Safety policies and procedures prior to beginning work.

**PRODUCT RECALL PROGRAM**

Sysco Operating Sites have a Product Recall Program in place to ensure recalled products are removed from the market place in a timely fashion. The Program defines the required activities for inventory management, customer communication, product recovery and cost recovery.

The Recall/Traceability system’s effectiveness is tested routinely through regular Recalls and Mock Recalls.

**CUSTOMER COMPLAINTS**

Sysco Operating Sites have procedures in place to address customer complaints that are Food Safety related.

**SECURITY VULNERABILITY ASSESSMENT AND FOOD DEFENSE**

Each Sysco Operating Sites is registered as required by the Public Health Security and Bioterrorism Preparedness Act of 2002. Sysco Operating Sites have obtained their registration numbers as required by the U.S. Food and Drug Administration (FDA) as part of the Food Safety Modernization Act (FSMA).
A Vulnerability Assessment is performed annually using the Food Defense Plan Builder on the FDA website at https://www.fda.gov/Food/FoodDefense/ToolsEducationalMaterials/ucm349888.htm. Each Operating Sites has a site-specific Food Defense Plan which includes mitigation strategies for intentional adulteration. It is developed in conjunction with applicable Regulatory requirements.

The following are some examples of security measures that Sysco utilizes. The security measures may vary from site to site.

- Alarm System
- Associate Background Checks
- Associate Access Badges
- Guard Building
- Secured Lots
- Gated Entrances
- Visitor Program
- Trailer Locks & Seals

**FOOD SAFETY MODERNIZATION ACT**

Sysco Operating Sites have Food Safety Plans that comply with all of the rules defined in the Food Safety Modernization Act (FSMA). Each Operating Sites has a Preventive Control Qualified Individual (PCQI) on site with direct oversight of the Food Safety Plan.

The Food Safety Plan is validated by a non-Sysco Food Safety Professional every two years or more frequently as needed.

**GFSI RECOGNIZED STANDARD CERTIFICATION**

Sysco sites are audited utilizing the BRC (British Retail Consortium) Global Standard for Storage and Distribution. Each site is re-audited/recertified on a yearly basis by Merieux NutriScience Certification LLC - certification body. This Food Safety certification program was implemented in 2015. The certificates are available at each site (find attached).

**DOCUMENTS AND RECORDS**

Under subpart G of Title 21 of the Code of Federal Regulation Part 117 - Current Good Manufacturing Practice, Hazard Analysis and Risk-based Preventive Controls for Human Food, food distributors are neither receiving facilities that are required to establish a supply-chain program nor suppliers, because such entities are not manufacturers/processors.

Due to the proprietary nature of the Sysco Food Safety Plan; documents and records are available for review onsite only at Sysco Operating Sites. Documents and Records are not available for distribution.
Sysco Product Recall and Withdrawal Overview

In order to protect our customers and consumers and to protect the company, Sysco Corporation has implemented an efficient recall process. The process is meant to minimize potential liabilities and disruption to sales while achieving compliance with the laws and regulations.

Sysco Corporation has partnered with BellTower Technologies® to implement an automated notification system to alert customers of recalls and withdrawals. Sysco Broadlines (Sites), SYGMA, FreshPoint, SSMG and Sysco Canada - all use Instant Recall™.

- Instant Recall confirms notification of thousands of customers very quickly, escalating from e-mail, text messaging, fax, web portals, and automated phone calls to human follow-up phone calls, Certified Mail/First Class Mail and initiates customer contact remediation activities
- Instant Recall maintains documentation of customer contact, collects affected inventory counts from customers, and provides reports
- Instant Recall tracks and records completion timings for key activities as well as the person who enters the information
- Instant Recall is leveraged for additional benefits such as facilitation of Reportable Food Registry Reports and rolled up billing for Sites

Recall Process:
- Supplier makes direct contact with Sites and Sysco QA Regulatory and Technical Services (RTS)
- Sysco QA RTS supports recall action with e-mail confirmation from Corporate to Site
- Sites load customer reports into Instant Recall
- Multi-Unit Account Corporate Contacts are notified immediately via e-mail and text messaging, including a link to real-time view of their specific affected locations notification status
- Instant Recall sends e-mail/fax and calls affected customer locations. Customers may use a mobile-friendly MyInstantRecall web portal, or a toll-free hotline to confirm notification and report affected inventory for credit
- Upon automated call completion, human follow-up begins
- Remediation activities to correct customer contact information is initiated if necessary
- Certified Mail/First Class Mail (Canada Only) letters are used to notify affected customer locations not confirmed as notified via the automated methods and human follow-up
- Toll-free hotline and web portal are open for one week to allow customers to report affected inventory
- QA RTS submits RFR (Reportable Food Registry) reports on behalf of the Site

Site responsibilities:
- Hold from sale any affected product
- Execute recall per recalling firm’s instructions:
  - Contacting customers, retrieve product, destroy/return product
  - Document all contacts with customers and regulatory agencies
  - Document product returns/destruction
  - Account for costs related to recall incident

Instant Recall™ is a trademark of BellTower Technologies LLC

CONTINUING PRODUCT GUARANTY
CONTINUING PRODUCT GUARANTY

January 1, 2022

To: Customer or Vendor
Subject: HACCP Compliance

Each of the articles comprising each shipment or other delivery of any product or products distributed by the undersigned to you or on your order is hereby guaranteed, as of the date of such shipment or delivery, to be on such date not adulterated or misbranded within and not an article which may not, under the provisions of Section 404 or Section 505 of the Federal Food, Drug and Cosmetic Act (the “Act”), be introduced into interstate commerce. In addition, on such date each of such products complies with the Federal Fair Packaging and Labeling Act, and, for meat and poultry product only, is hereby guaranteed to be on such date not adulterated or misbranded within the meaning of the Federal Meat Inspection Act and the Poultry Products Inspection Acts. This guaranty includes and is limited to those products which fall within the definitions contained in these Acts.

By the acceptance of this guaranty, you agree (i) to promptly notify us in writing of any Claim or any demand, complaint or proceeding within your knowledge for claimed violation of said Act as so amended including the name and address of the complainant and the name of the article involved, and (ii) to promptly furnish us with samples of the product as well as photographs of the shipping container of such product and/or package samples from such shipment.

The undersigned maintains Hazard Analysis Critical Control Points (HACCP) plans in our distribution facilities in accordance with all applicable governmental requirements as well as Standard Operating Procedures (SOPS) and Standard Sanitation Operating Procedures (SSOP). The undersigned is in compliance with the Public Health Security and Bioterrorism Preparedness Act of 2002.

The continuing guaranty set forth in this letter will remain in force and effect until termination by at least ten (10) days’ notice given you in writing by the undersigned.

Sincerely,

[Signature]

Frank Schuster
Eastern Shores Region President
Notice

If you applied for a 2-month extension prior to April 15th, the NEW deadline to file Annual Report/Personal Property Tax Return Filings is June 15th. Please do not wait until the last minute. Please go HERE to file your Annual Report.

A 2-month extension request for filing the Annual Report and Personal Property Tax Return may be filed here.

Please be aware of an ongoing scam in which newly registered businesses are being instructed to send additional payment in order to obtain a Certificate of Status. Any 3rd party solicitation from a company attempting to represent the 'Maryland Secretary of State' via mail or email should be fully vetted before submitting additional payment information.

DEFINITIONS

CN Label Number: The specific number assigned by USDA/FNS to a particular product that meets CN Labeling requirements.

Contractor: One who enters into a contract, for a fixed price, to perform works or services, or furnish goods.

Damaged Product: Refers to product supplied under this contract that has sustained a damage that would allow spillage from the original container, a loss or disfigurement of a label that would hamper identification, contaminated package that would affect the content of that package, or any other happening that would affect the quality and/or quantity of the original item. Damaged products must meet the State of Maryland Health Department requirements.

Day: Calendar Day unless otherwise indicated

District: Refers to each school district as its own entity.

Domestic commodity or product: Defined as (i) an agricultural commodity that is produced in the United States; and (ii) a food product that is processed in the United States substantially using agricultural commodities that are produced in the United States (as provided in 7 CFR 210.21 (d)).

EPA: Environmental Protection Agency

Equivalent: Equal in value, force, measure, volume, power, and effective, or having equal or corresponding import, meaning, or significance.

Equivalent Item: An item of equipment, material, or supply, the quality, design, or performance characteristics of which are functionally equal or superior to an item specified in a solicitation.

EST: Eastern Standard Time

FDA: United States Food and Drug Administration

Fee-for-Service: An approved value pass-through method for processing USDA Foods. The price charged by pound or by case representing a processor’s costs of ingredients (other than donated foods), labor, packaging, overhead, and other. Costs incurred in the conversion of the donated food into the specified end product.

Fixed Price: The term fixed price as used in this document shall mean the amount the distributor will be paid for receiving, storing, and delivering the items covered by the contract. All freight charges incurred in the delivery of the items to the distributor’s warehouse and ultimately to the user entity as mark up or profit, shall be recovered in the fixed price bid by the contractor.

F.O.B. Destination: “Free on Board” means that seller will deliver subject matter contracted for, on certain conveyance, without expense to the buyer. The seller assumes all responsibilities and costs up to the point of delivery, including insurance, transportations, etc.

HACCP: Hazard Analysis and Critical Control Program

Informality: One that is merely a matter of form and not substance or pertains to an immaterial or inconsequential defect or variation in a bid, the correction or waiver of which would not be prejudicial to other bidders. In such cases, the bidder failing to supply the information may be given a specified period
of time to comply. If the bidder fails to comply in that time period, the bid will be rejected for reasons of non-compliance. No award will be made unless all required information is received.

**Ingredient Statement:** Ingredients required to be declared on the label or labeling of a food, including foods that comply with standards of identity, except exempted ingredients. They shall be listed by common or usual name in descending order of predominance by weight.

**MDAT:** Maryland Department of Assessments and Taxation

**MDOT:** Maryland Department of Transportation.

**Net Off Invoice (NOI):** An approved value pass-through method for processing USDA Foods. The method of handling these end items containing USDA Foods on behalf of the Recipient Agency is outlined in the mutually agreed upon Net Off Invoice/Processor Agreement between the Processor and the Distributor.

**Nutrition Fact Label:** Required by the Food and Drug Administration on most packaged foods and beverages. They provide detailed information about a food’s nutrient content, such as the amount of fat, sugar, sodium and fiber it contains.

**Product Formulation Statements:** Developed by manufacturers to provide specific information about their products. They generally include a detailed explanation of what the product contains and the amount of each ingredient by weight. In order for a product formulation statement to be used to determine crediting information for the USDA Child Nutrition Programs, it must indicate how the product credits toward the USDA meal pattern requirements; document how the manufacturer obtained the crediting information by citing specific Child Nutrition resources; and be prepared on the manufacturer’s letterhead with an original signature of a company official and the date of issue.

**Responsible Bidder:** One who is capable financially and competent to complete the job for which he is bidding. A responsible bidder is one who is not only financially responsible, but who is possessed of a judgement, skill, ability, capacity and integrity requisite and necessary to perform a public contract according to its terms.

**Responsive Bid:** A bid submitted in response to a request for bids that conforms in all material respects to the requirements contained in the request for bids.

**RFB:** Request for Bids

**SAM:** The United States System for Award Management (www.sam.gov). This database will be checked to ensure the recommended bidder has not been debarred, suspended, or otherwise excluded by agencies.

**Unit Cost:** The cost of a specific bid unit and is to include any applicable freight costs and fixed fee(s).

**USDA:** United States (U.S.) Department of Agriculture

**WBSCM:** Web Based Supply Chain Management System - The official system of record for the USDA Foods program which is used to track deliveries, monitor allocations, and receive shipments.
Section I: GENERAL INFORMATION

1. GENERAL
The purpose of this RFB is to establish a contract between Maryland’s Shore 7 Educational Consortium (MSEC) for food and food related items used in their Child Nutrition food service programs. Member county school systems in MSEC are Caroline, Cecil, Dorchester, Kent, Somerset, Wicomico and Worcester. The contractor shall provide all labor, supervision, materials, freight and equipment necessary to provide Food and Food Related Items for MSEC. This is a fixed-price, indefinite quantity contract. CCPS is acting as the solicitation agent for MSEC.

This contract will establish a maximum price that participating organizations will pay for any item covered by the contract during the term of the contract.

MSEC has aggregated their needs for food and food related items. The quantity data contained herein is based on previous year’s purchases and are accurate to the best of our ability to gather the data. However, these are not a guarantee of quantities or order amounts but are indicative of anticipated order quantities. It is to be understood that if an item is listed on the contract, the contractor is expected to supply it.

There will not be a pre-bid conference. However, Bidders are responsible for understanding this solicitation. To that end, questions must be emailed to phillips.susan@ccpsstaff.org and received by close of business on Monday, January 3, 2022. Questions received after this date will be answered only if time permits. *Please note: school districts are closed for a Thanksgiving and Winter Break. A written summary of responses to timely-received questions will be posted on the CCPS website. Oral communications are not binding. All communications shall go through the Purchasing Agent. Contact only the Purchasing Agent identified on the Title Page about this solicitation from its issuance until its award. Information obtained from any other person will not affect the risks or obligations assumed by the bidder or relieve the bidder from fulfilling any of the conditions of the resulting award. Such contact may disqualify the firm from the solicitation process.

Should it become necessary to amend any part of this bid, the amendment will be posted on the CCPS website. Failure of any bidder to receive or acknowledge receipt of such amendment shall not relieve the bidder from any obligation under the RFB as amended. To receive notification of amendments, please register for the bid at https://fm1.cl.k12.md.us/fm/webd/Bid_Board?homeurl=http://www.cl.k12.md.us. It is the bidder’s responsibility to check for any posted questions and answers and/or any amendments to the solicitation.

2. NO OBLIGATION
This solicitation implies no obligation on the part of MSEC.

3. BID INSTRUCTIONS
Bidders shall only submit bids on the bid forms furnished with this solicitation. Bids submitted not using the sheets provided will be determined non-responsive.

Bidders may mail their bid to Attn: Susan Phillips, Purchasing Agent, CCPS Support Services Building, 11348 Greensboro Road, Denton, MD 21629. The envelope shall be clearly labeled with the bidder’s name and address, the bid number, and bid due date. Bids may be hand-delivered on scheduled business days between the hours of 7:30 AM - 4:00 PM. Mailed or hand-delivered bids shall include 1 original and 1 electronic copy of the bid. Please visit CCPS website - https://www.carolineschools.org/ - for building closings. MSEC is not responsible for a bid that may be inadvertently opened before the bid due date unless it is submitted with proper labeling.

Bids delivered in Federal Express, UPS, or any other such deliverer’s envelope shall be sealed in a separate envelope inside the shipping packaging. Failure to do this may cause the bid to be inadvertently opened and possibly rejected.

Bidders may submit their bid electronically at bids@ccpsstaff.org, noting the Bid Number and Title in the subject line. Faxed bids will not be accepted.
The bid submission shall include the completed and signed:

- Title Page;
- Qualifications/Experience Affidavit;
- Bidder Questions;
- Bid/Contract Affidavit;
- Price Bid Sheet and Bid Worksheets; and,
- A digital copy of the ingredient statement, a nutrition fact label, a CN label, or signed product formulation statement for child nutrition crediting, and an allergen and sensitive ingredient form, for each item on the bid. These specifications are to be arranged and labeled in numerical sequence according to the item number.
- The Bidder’s Food Safety Plan;
- The Bidder’s Product Recall Plan;
- The Bidder’s Product Hold/Recall Form

4. **CANCELLATION OF RFB**

This solicitation is subject to cancellation when determined by MSEC to be in its best interest.

5. **PRICE GUARANTEE**

Prices bid shall remain firm for the duration of the contract and shall include all costs. No bid shall be considered which contains a price escalation clause, packaging or delivery charges, or any add-on or irregular figures. The bidder warrants that the bid prices shall remain in effect for 120 days from the date bids are due.

6. **EXCEPTIONS**

It is incumbent upon the bidder to understand the provisions of this bid document. If the bidder is uncertain about the meaning or intent of any part of the RFB or takes any exceptions to the terms and conditions of the RFB, the bidder shall request clarification in writing via email to the Purchasing Agent no later than close of business Monday, January 3, 2022. Requests shall include the specific section of the RFB that is being challenged and a full explanation for the exception. Late submission of exceptions will not be considered. Failure to obtain a clarification will be no excuse or justification for non-compliance with the provisions set forth herein.

MSEC has the sole discretion whether to amend the RFB to address any exceptions. **Failure by the bidder to request clarification prior to submission of a bid shall be construed as full acceptance of all terms and conditions.**

7. **LATE BIDS**

Bids received after the designated due date and time will not be accepted, regardless of when they were mailed or given to a delivery carrier. It is the responsibility of the bidder to ensure that their bid is submitted to the proper location on or before the bid due date and time. Post marks or dating of documents will be given no consideration in case of late bids. Late bids will be refused, returned unopened, or destroyed at the bidder’s request.

8. **BID WITHDRAWAL**

A bidder may request in writing to withdraw their bid at any time prior to the opening of bids. No bid may be withdrawn after it is opened unless the bidder provides clear and convincing evidence that a mistake in the bid calculation has been made and only then with the approval of MSEC.

9. **BID ACCEPTANCE**

MSEC reserves the right to reject any or all bids and to waive any informality. MSEC reserves the right to negotiate or modify any element of the bid to ensure that the best possible arrangements for achieving the stated purpose are obtained.

10. **COST OF BIDDING**

MSEC is not responsible for any expenses incurred in the preparation and submission of the bid. Such expenses are the sole responsibility of the bidder.
11. **SUBCONTRACTORS**
MSEC shall enter into an agreement with the selected Contractor only. The selected Contractor shall be responsible for all services required by this RFB.

12. **MINORITY BUSINESS ENTERPRISE (MBE) GOAL**
There is no MBE subcontract goal set for this solicitation, however the use of MDOT-certified MBEs for subcontracting opportunities is encouraged (https://mbe.mdot.maryland.gov/directory/).

13. **COOPERATIVE PURCHASING CLAUSE**
In accordance with Maryland State Finance and Procurement Article, Section 13-110, MSEC reserves the right to extend the terms of any contract resulting from this bid to public bodies, subdivisions, school districts, community colleges, colleges, and universities including nonpublic schools. The Contractor agrees to notify MSEC of those entities that request to use any contract resulting from this bid and provide usage information to MSEC, if requested. MSEC assumes no authority, liability, or obligation, on behalf of any other public or nonpublic entity that may enter into a cooperative agreement associated with the contract resulting from this bid. All purchases and payment transactions will be made directly between the contractor and the requesting entity.

14. **TAXES**
MSEC is exempt from Federal, State and Local taxes. Bidders may not include these taxes in their bid price.

15. **REGISTRATION**
Pursuant to the Corporations and Associations Article of the Annotated Code of Maryland, businesses created in a state other than Maryland may have to register or qualify with the Maryland Department of Assessments and Taxation (MDAT) before doing business in Maryland (http://dat.maryland.gov/businesses/Pages/Non-Maryland-(Foreign)-Business-Entities.aspx). Bidders should contact MDAT to determine their registration requirements.

Bidders that are Maryland businesses must be in good standing with MDAT. Your business status can be verified at https://egov.maryland.gov/BusinessExpress/EntitySearch.

*It is strongly recommended that the Bidder verify its registration prior to submitting its bid. A Bidder's failure to complete registration with MDAT or be in good standing may disqualify an otherwise successful Bidder from final consideration and recommendation for contract award.*

MSEC will query the MDAT website to determine the bidder's standing with the state of Maryland AND the SAM.gov website to determine the bidder's standing with the federal government.

16. **COMPETITIVE SEALED BID PROCESS**
- Complete bids must be submitted to the specified location by the specified bid due date and time (see #3 Bid Instructions).
- Any bid received after the specified due date and time is considered late and will be rejected (see #7 Late Bids).
- A bidder may not offer more than one price on each line item even though they may feel that they have more than one product that will meet specifications. Bidder must determine which to offer. If a bidder submits more than one price on any item, its bid will be determined non-responsive.
- The bid opening is public and will serve only to open and read the total bid amount of each bid. MSEC reserves the right to read prices on only selected products. Should this occur, the procedure will be to read the same selected items on each bid. No discussion will be entered into with any contractor as to the quality or provisions of the specifications, and no award will be made either stated or implied at the bid opening. Any contractor making provisions to service a contract on the basis of information obtained at the bid opening does so at their own risk. MSEC has no obligation to any contract except as would be authenticated by a written notification of award from MSEC.
- After the bid opening, MSEC will review each bid submission for responsiveness. If the bid is determined to be not responsive or the bidder not responsible, the bid will be rejected and the bidder notified in writing.
- MSEC reserves the right to contact a bidder for clarification and may waive any informalities if it is determined to be in the best interests of MSEC.
- Bidders may be required, before award of a contract, to demonstrate to the complete satisfaction of MSEC that, 1) they have the necessary facilities, ability and financial resources to execute the contract in a satisfactory manner and within the time specified; and, 2) they have the necessary experience, history and references to assure MSEC of their qualifications.
- MSEC reserves the right to reject the bid of a bidder who, in its opinion, has failed to properly perform under previous contracts, or who, upon investigation, shows they are not in a position to perform the contract.
- MSEC may reject bids that include omissions, alterations of form, or that are conditional or irregular in any respect, or reject non-responsible bidders that show a risk of default.
- It is the intent to award a single contract to the qualified, lowest responsible and responsive bidder. However, MSEC reserves the right to award a contract to other than the lowest bid if, in its judgement, another contract will better serve the best interest of MSEC.
- A recommendation for the award of a contract will be presented to the Boards of Education for approval. Award of a contract is contingent upon final approval by the Board of Education and the availability of funds.
- Upon Board approval of the award of a contract, the bidder shall be notified of their award and a contract document shall be issued.

17. ALTERNATE BIDS
Alternate bids will not be considered unless specifically requested by the provisions of this bid document. Where product identifications list specific manufacturer's labeled products, only those bids offering the specific products listed will be considered.

18. ACCESS TO PUBLIC RECORDS
Bidder should identify those portions of its bid that it considers confidential, proprietary commercial information, or trade secrets, and provide, upon request, justification why such materials, if requested, should not be disclosed under the Maryland Public Information Act.

19. GIFTS
Contractors are notified that the giving or offering of a gift or series of gifts to any Board official or employee is improper and may result in disqualification from future work on the grounds that the Contractor is not responsible. Board officials and employees are directed not to accept any gift from any person, entity, or employee of an entity that is under the authority of the school system or has or is negotiating a contract with the school system.

20. eMaryland Marketplace Advantage Registration (eMMA)
Maryland law requires local and state agencies to post award notices on eMaryland Marketplace Advantage (eMMA). This cannot be done without the Contractor’s self-registration in the system. Contractor shall register on eMMA at https://procurement.maryland.gov within five days following notice of award. Registration is free.

21. PROTESTS
This contract shall be subject to the provision of the Board of Education of Caroline County Policies and Regulation I.10.50.

22. TIE BIDS
Tie bids are responsive bids from responsible bidders that are identical in price, terms, and conditions and which meet all the requirements and criteria set forth in the RFB. In the event of a tie bid, award shall be made first to the in-County business. If there is not an in-County business then award shall be made to the bidder whose business office is in the State of Maryland. If the tying low bids are from in-County businesses, or in-State businesses, the award may then be made to the low bidder that is an MDOT certified minority business enterprise or State certified small business. If none of the tie-breaking rules apply, a drawing shall be conducted. A witness shall be present to verify the drawing and shall certify the results on the bid tabulation sheet.
Section III: SPECIFICATIONS

1. SCHOOL INFORMATION
1.1 The number of schools, approximate student population, and meal information for each District are as follows:

<table>

</tbody>
</table>

2. SCOPE OF WORK
2.1 General
2.1.1 The Contractor shall furnish and deliver Food and Food Related Items on an as-needed basis to the delivery locations listed in Attachment B for the initial term of 7/1/22 through 6/30/23 (school year 2022-2023), with four additional one-year renewal options. MSEC reserves the right to add or remove delivery locations as necessary with no increase in cost.

2.1.2 Bidder must bid on and be able to provide all items to be considered for award. Incomplete bids will be rejected as non-responsive.

2.2 Compliance
2.2.1 All products must be packed under continuous USDA inspection where applicable. All packaging must be approved by the USDA and the Food and Drug Administration for contact with food and conform to USDA labeling requirements.

2.2.2 All items must conform to the standards published in the USDA Food-Buying Guide for the School Lunch Program. All meats must be USDA inspected.

2.2.3 All applicable laws shall be deemed to be part of these specifications and shall be read and enforced as though they were included.

2.2.4 Buy American: MSEC participates in the National School Lunch and School Breakfast Programs and are required by law to use the nonprofit food service funds, to the maximum extent practicable, to buy domestic commodities and/or product for Program meals. A “domestic commodity or product” is defined as one that is produced and processed in the United States (US) using substantially agricultural commodities that are produced in the US as provided in 7 CFR 210.21 (d). We require that suppliers certify: (1) that the food product was processed in the US, and (2) the
percentage of US content, by weight or volume, in the food component of processed food products supplied to us. If the product is not from the USA, the Contractor must supply a letter stating the reason.

By submitting and signing a response to this bid, the bidder acknowledges and certifies that its company complies with the Buy American provision that the food delivered is of domestic origin or the product is substantially produced in the United States. For these purposes, substantially means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically. Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the US. If the bidder is unable to certify compliance with the Buy American provision, the bidder shall state this in its response and provide an explanation as to why it cannot certify compliance.

The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

2.2.5 Contractor must have active knowledge with the Green Seal Program, involving sustainable food; energy management and conservation; water consumption and management; air quality, waste reduction and management, cleaning and landscape management and overall company responsibility.

2.2.6 Contractor must have the warehouse facilities required to safely and securely store the quantity of products required by these specifications. Refrigeration facilities used for storing and delivering chilled and frozen products must meet recommendations of the Maryland State Department of Health. All items must be delivered in their appropriate state that is frozen, refrigerated or dry storage. MSEC reserves the right to reject any bidder it determines does not meet the requirements in the areas of warehouse facilities and equipment associated with and necessary for the safe and sanitary storage and delivery of the food items requested. The facilities and operating practices must, at all times, be in compliance with the United States Food Drug and Cosmetic Act as well as any State and local Statute, Regulation or Ordinance.

2.2.7 Contractor must own or have the ability to lease, rent or otherwise obtain vehicular equipment necessary to effect an efficient delivery schedule to MSEC.

2.3 Standards
2.3.1 Contractor shall ensure that all food items listed herein are processed, packaged, and delivered in a manner that adheres to applicable regulations of the U.S. Department of Agriculture (USDA); Federal Food, Drug and Cosmetic Act; Maryland Health Department; and each District’s County Department of Health.

2.3.2 Contractor shall provide a successful delivery rate of at least 98% of the items ordered. All items shall be delivered in good condition, and at the appropriate temperatures. Frozen goods will be hard frozen, with no evidence of thawing. Chilled goods shall be transported and delivered at a maximum temperature of 45 degrees Fahrenheit. Dry goods will be dry, with the cartons clean and intact.

2.4 Purchase of Unauthorized Items
Cafeteria Managers are authorized to only buy items approved by each District’s Food Services Supervisor/Manager. The District shall not be liable for the purchase of unapproved items. Failure to abide by this clause may be cause for termination of Contract.

2.5 Samples and Specification Sheets
2.5.1 Samples are not required to be submitted with the bids. However, bidders may be required to submit samples of offered items after the bid opening. When samples are requested, the bidder must deliver the samples within 3 business days to the designated District’s Food Services Department (which may be any of the 7 counties). MSEC will not pay for delivery of, nor return, any samples. Bidders will be notified as to whether samples have been accepted.
2.5.2 Bidders shall furnish with their bid a digital copy of full illustrations and detailed specifications on each and every item offered. These specifications are to be arranged and labeled in numerical sequence according to the item number. They need not be submitted if items offered are the exact brand and item specified. If a brand and item are not specified, supporting documentation must be included. Failure to submit the required illustrations and specifications may result in the bid being determined as non-responsive.

2.5.3 Contractor shall use for the entire contract term the exact items that are accepted and approved by MSEC during this testing period, unless otherwise authorized by MSEC.

2.6 Nutritional Requirements
2.6.1 Contractor shall ensure that allergens are clearly identified for each item.

2.6.2 Contractor shall use the Allergen and Sensitive Ingredient Statement (Attachment D) to clearly identify allergens.

2.6.3 Contractor shall ensure that the Allergen and Sensitive Ingredient Statement is updated whenever the manufacturer changes the ingredients of a product.

2.6.4 Contractor shall ensure that all food items provided are produced in a Peanut- and Tree Nut-free facility. Written notification shall be provided for any product that is not produced in a Peanut- and Tree Nut-free facility. In addition, products provided shall not contain any of the following ingredients:
- Monosodium glutamate (MSG)
- Artificial Trans-Fat. A food is considered to contain artificial trans-fat if the food label lists it as an ingredient or contains any kind of partially hydrogenated vegetable oil. Nutrition label or manufacturer specifications must indicate zero grams of trans fat per serving, unless there are naturally occurring trans-fats present in some meat or dairy products. If there is trans-fat listed on the nutrition facts panel of a product containing meat or dairy, documentation from the manufacturer that reports the source of the trans-fat should be provided.
- Artificial Colorings: Blue 2, Green 3, Red 3, Yellow 5, Yellow 6
- Aspartame or Acesulfame-Potassium
- Butylated Hydroxyanisole (BHA)
- Potassium Bromate
- Propyl Gallate
- Saccharin
- Sodium Tripoly Phosphate (STPP) – fish products
- tert-Butylhydroquinone (TBHQ)

2.7 New Items and Omissions
2.7.1 MSEC may determine a need for additional food and/or food related product at any time during the term of the contract and subsequent renewal options. Contractor shall be responsible for supplying new items if a need is determined. The added items shall be at a price consistent with the market price of the item.

2.7.2 MSEC may increase quantities of items already specified. The Contractor shall be expected to handle all deliveries necessary and stock all items necessary to the program.

2.7.3 In the event that any manufacturer should alter or change any product covered by this contract, the Contractor shall notify MSEC at least sixty (60) days in advance of any proposed change. MSEC reserves the right to remove the product from the qualified products (QP) list and/or to purchase the item from an alternate supplier.
2.8 Ordering and Delivery

2.8.1 Contractor shall have the ability to accept orders online, in writing, or telephonically (at the discretion of each District) and shall provide a monthly order guide. The order guide shall be limited to only approved products and may be tailored to each District.

The Contractor shall email the district representative and cafeteria manager a summary of each order. The district representative will review the order for adherence to purchase of authorized items (see 2.4) and notify the Contractor of any discrepancies.

Any special software or training required for electronic/online ordering must be provided by Contractor at no additional cost.

2.8.2 Each District’s Food Service Department will place their own orders.

2.8.3 The initial order for each school year shall be placed online prior to the end of the current school year. The Contractor shall accommodate the requested delivery date to coincide with the start of the new school year.

2.8.4 The Contractor shall provide at a minimum weekly delivery within a specified delivery-window time to be mutually agreed upon between each District and the Contractor. Some larger Districts may require more frequent deliveries.

Bidders should know that all delivery sites may not provide state-of-the-art unloading and food handling facilities. Some sites may not accommodate trailer rigs, and in fact may not be easily accessible with bob trucks having overall lengths in excess of twenty-seven (27) feet. Liftgates are highly recommended. Bidders having no experience in making deliveries to the sites being bid should visit all sites and discuss the delivery requirements with food service personnel at each of these sites.

The Contractor/driver is responsible for unloading the truck and delivering it to the designated area.

2.8.5 Orders shall be placed at least 48 hours before the requested delivery date. It is the Contractor's responsibility to be aware of unscheduled school closings. Closings are typically announced over local radio and tv stations and are posted on each District's website.

2.8.6 Contractor shall deliver to school sites, warehouse sites and drop ship sites, as required by each District, with adjustments for holidays. School calendars are available on each District’s website. The day of delivery will be mutually-agreed upon by each District and the Contractor. Each delivery must be checked, verified, and signed for by a food service employee. MSEC reserves the right to refuse product that appears damaged or dirty.

2.8.7 Contractor shall make deliveries during food service operation hours, typically between 7 AM and 1:30 PM EST. Earlier or later delivery times may be agreed upon between each District and the Contractor after contract award. If a delivery is to be delayed for any reason, the Contractor shall contact the District to determine a resolution. Excessive late deliveries may result in contract termination.

2.8.8 Contractor shall notify the District of any shortages prior to delivery by a mutually-agreed upon day and time in order to make substitutions.

2.8.9 If Contractor fails to deliver an ordered product with the regularly scheduled delivery, the remainder shall be delivered within 24 hours of the scheduled delivery day. With approval of the District, the Contractor may make the delivery of any late products on the next scheduled delivery, however, any shortages on delivered orders shall subsequently be delivered in sufficient time to meet menu requirements and schedules. No delivery charge will be due or payable for extra trips due to Contractor error nor shall extra deliveries affect pricing structures.
2.8.10 Upon delivery, each school site will spot check for external and internal damage, cleanliness, defects, spillage, count, temperature and any other inspections deemed necessary by the site's designated Food Service Supervisor. Each designated Food Service Supervisor reserves the right to make final disposition of all damaged products either on the spot or at a later date.

2.8.11 Ingredients shall appear full and robust, not squashed or misshapen. Ingredients will appear fresh and wholesome, free of off-colors, dehydration or faulty assembly. All markings and labeling shall be prominent and marked on one panel of the carton. Marking material shall be water fast, non-smearing and of a color contrasting to the carton.

2.8.12 MSEC reserves the right to return any damaged products and receive full credit for the same. A signed delivery ticket shall not be construed as acceptance of the products in good conditions, only that the items were received.

2.8.13 Contractor's delivery trucks shall be temperature controlled to maintain correct temperature for all products.

2.8.14 Contractor's delivery trucks shall be equipped with a back-up alarm and shall comply with Maryland's Transportation Article, Section 22-402.

2.8.15 Delivery is considered complete when products have been placed by the Contractor/driver in the designated area and the delivery ticket has been signed by the District representative.

2.8.16 Contractor shall provide 2 delivery tickets with each delivery. The Cafeteria Manager shall retain the original ticket and the second ticket will be sent to Food Services Accounting. Each District may establish additional or unique delivery receipt requirements. Each delivery ticket shall contain the following information:

- Name of Contractor
- Name of School
- Date of Delivery
- Name of Item/s
- Item Number/s
- Price of Item/s
- Pack Size of Item/s
- Quantity Delivered
- Cafeteria Manager's full signature

2.8.17 Contractor shall provide invoices at the time of delivery that show the original ordered amount and the total items delivered. Invoice charges shall be derived in accordance with the prices bid on the Price Bid Sheet. Contractor may indicate a prompt payment discount.

2.8.18 Contractor shall deliver to any new schools or programs that may develop over the course of the contract and any renewal options.

2.9 School Closings
Contractor shall be aware of scheduled and unscheduled school closings. The school calendar and unscheduled closings are posted on each District's website. Each District will send the Contractor any adjustments in the calendar year as they occur. The Contractor is responsible for tracking current weather conditions and making necessary adjustments when schools are closed due to inclement weather. Schools are not required to accept deliveries if schools are closed. In the event of a closing, the Contractor must contact the District to determine a mutually agreed-upon alternate delivery date.

2.10 Delivery Fee
MSEC shall not be assessed, charged or expected to pay any delivery fees to any of the delivery locations listed in Attachment B.

Rev. 10/2021
2.11 Summer Food Service Program
2.12.1 Contractor shall be expected to deliver specific locations in the months of June, July and August. Contractor shall create a separate order guide for summer online orders.

2.12.2 Contractor shall make deliveries between 8 AM and 1 PM EST. Earlier or later delivery times may be agreed upon between each District and the Contractor. If a delivery is to be delayed for any reason, the Contractor shall contact the District to determine a resolution.

2.12 Product Cancellation
MSEC reserves the right to cancel any product at any time.

2.13 CN Labels and Rebates
Contractor shall provide CN labels as required and shall provide information related to producer rebates upon request.

2.14 Product Recall Plan
The Contractor shall have a detailed Product Recall Plan on how they handle product recalls. The Contractor assumes full responsibility for prompt notification to MSEC of any product recalls. Contractor shall provide MSEC staff with the names and contact information of at least two employees who can provide MSEC with 24/7/365 information. Immediate notification shall be electronically by email and verbally by phone. An explanation or a copy of the Product Recall Plan and a completed Product Hold/Recall Form (Attachment E) shall be provided with the bid submission.

2.15 Price Adjustment
Contractor shall hold all prices firm against any increases for the first year of the Contract. Prior to commencement of second year of the Contract, and each subsequent renewal term, Contractor may submit a request for price adjustment, in writing, at least 90 days prior to the renewal date. Such a request shall include, at a minimum, (1) the cause for the requested adjustment, (2) proposed effective date, (3) the amount of the change requested, and (4) documentation to support the requested adjustment (i.e. appropriate Bureau of Labor Statistics, Consumer Price Index, change in the manufacturer’s price, etc.). Any price adjustments approved by MSEC, in its sole discretion, are subject to the following conditions:

- The total of an MSEC-approved increase in a contract unit price made at the time of renewal may not exceed a total of five percent of the original contract unit price.
- Any MSEC-approved increased contract unit price shall not apply to orders submitted to the Contractor prior to the effective date of the increased contract unit price.
- Any requested contract unit price increase shall only become effective upon a fully executed contract modification.
- MSEC may, within 30 calendar days of a Contractor’s written request for a unit price increase, cancel any portion of the contract affected by the requested increase.

2.16 Product Testing
MSEC may, at its discretion, have random samples of purchased products tested by an independent testing laboratory in order to ascertain if the product is as represented by the Contractor. If it is established that the product is not as represented, the cost of testing shall be the responsibility of the Contractor as well as any additional cost of replacing the product. If it is indicated that the Contractor knowingly furnished a product that did not meet the standard required, MSEC may terminate the contract for default and/or disqualify the Contractor from future bidding.

2.17 Food Safety Plan
The Contractor shall have a Food Safety Plan that is comprehensive and shows that the supplier follows food safety practices. The Plan should address: food safety education for employees, temperature control management, documentation for foods prepared for and delivered to schools, water; soil; facilities; equipment; pest control; packing; transportation; traceability and records; and
procedures to handle complaints in the event of a foodborne illness. An explanation or a copy of the Food Safety Plan shall be provided with the bid submission.

2.18 Reporting
2.18.1 Contractor shall email a monthly usage report to each District's Office of Food Services within seven business days of the close of the month. These monthly reports shall include, at a minimum, the following information:
- usage by school location;
- county product usage;
- a year-to-date county product usage.

2.18.2 The usage reports shall contain, at a minimum, the following information:
- Item Stock Number and Name
- Brand Identification
- Pack Information
- Volume of Purchases by Item
- Cost of Each Item

2.18.3 The reports shall be supplied in an excel spreadsheet or another format that is determined acceptable by MSEC.

2.18.4 The contractor must provide inventory reports on a monthly basis which shows receipts, shipments, and current inventory of each USDA Food and by individual District.

2.19 Quantities
Bid quantities indicated are approximate and shall not be construed as a minimum or maximum. Quantities indicated are the amounts estimated to be purchased during the contract period. MSEC reserves the right to increase or decrease quantities as required. Contractor shall hold unit prices firm regardless of any increase or decrease in the estimated quantities shown herein. Any bid submitted that is contingent on a minimum order shall be rejected as non-responsive. Quantities indicated may be influenced by the availability of Government commodities.

2.20 USDA Foods
MSEC participates in the USDA Foods program. Currently the State of Maryland has a contract for the storage and distribution of USDA Foods. MSEC reserves the right to divert their USDA Foods to the contractee and not utilize the state contract, or use the contractor if the State of Maryland does not continue the current contract. The official system of record for the USDA Foods program is the Web Based Supply Chain Management System (WBSCM), which is used to track deliveries, monitor allocations, and receive shipments. WBSCM training will be provided to the selected contractor. WBSCM is a web-based system and there is no cost for its use. MSEC diverts USDA Foods into two programs, Direct Delivery and Processing.

2.20.1 USDA Foods Direct Delivery
MSEC will order approximately 20 different USDA Foods in the Direct Delivery program. The USDA Foods must be tracked by individual District and by individual USDA Food. The 20 USDA Foods are primarily canned and frozen fruits and vegetables. Quantities and types of USDA Foods ordered by MSEC can change annually and are not guaranteed. School Year 22-23 quantities:

2.20.2 USDA Foods Processing
Maryland allows all four USDA approved Value Pass Through methods: Refund or Rebate, Direct Discount, Indirect Discount (Net Off Invoice), or Fee for Service. Details on these methods can be
found in USDA Memorandum FD-40 of July 16, 2021 (see https://www.fns.usda.gov/usda-fis/fd-40-inventory-draw-down-usda-foods-processing-revised). The Contractor must have the capability to offer the Net Off Invoice value pass through method. The Contractor must note on the bid sheet which Value Pass Through Method will be used (if applicable).

2.20.3 The Contractor must provide inventory reports on a monthly basis which shows receipts, shipments, and current inventory of each USDA Food and by individual District.

2.20.4 All USDA Foods receiving must be entered into WBSCM within 48 hours of being received.

2.20.5 The contract for USDA Foods states that they must give at least 72 hours advance notice for making delivery appointments. The contractor will supply to MSEC the procedures for making delivery appointments and all applicable contact information.

2.20.6 MSEC will conduct a yearly inventory reconciliation process between June and August. They may request inventory verification(s) throughout the year.

2.20.7 The contractor must have a system to track expiration dates and notify MSEC at least 90 days before any expirations.

2.20.8 Truckers are required to tailgate product for all USDA Food loads. All shipments of USDA Foods must be accepted by the contractor regardless of the shipping/loading methods, if the USDA and MSEC consider the shipping and loading methods acceptable. No “lumping” or unloading fees can be charged for any USDA Foods deliveries.

2.20.9 The contractor is responsible for all USDA food received and must have loading dock ramps to accommodate at least two 53’ (fifty-three foot) tractor trailers.

2.20.10 The contractor shall inspect for proper quality, condition, and temperature on arrival.

2.20.11 Refusal to accept USDA Foods cannot be based on lack of contractor capacity.

2.21 Liquidated Damages – Reimbursement for Loss
MSEC is reimbursed for each meal sold, providing the meal meets certain requirements. If the Contractor fails to deliver on time or delivers any item that does not meet the bid specifications, resulting in a loss of reimbursement to any District, the Contractor shall fully reimburse the District for the amount of the loss incurred.

2.22 Contractor ID Badges
Contractor employees may be required to acquire a Contractor ID badge to access a District building. The exact process and Contractor responsibilities for each District will be provided to the Contractor.

2.23 Contractor Employee Conduct
Contractor shall enforce strict discipline and good order among the Contractor’s employees and other persons carrying out the terms and conditions of this Contract. The Contractor shall not permit employment of persons unfit or not skilled in tasks assigned to them. MSEC reserves the right to direct the Contractor to remove from the project site or performance of the contract any employee of the Contractor for misconduct, violations of the provisions of the Contract, or for any inappropriate interactions with students, faculty, or staff of MSEC. Such removal may, at the sole discretion of MSEC, be for the duration of the Contract, and shall occur at no increase in price.

2.24 Confidentiality
Contractor shall ensure the complete confidentiality of any and all information provided by MSEC, and gathered and developed by Contractor in the performance of this Contract. The material gathered, used and developed shall not be provided to any other party without the expressed written approval of MSEC.
2.25 Nutritional Analysis
Upon notification of award, the Contractor shall provide to MSEC a nutritional analysis for each proposed product including product formulation standards, CN labels. The information shall be submitted electronically to MSEC within 6 weeks of notification. The nutritional analysis shall include the following nutrient data:
- Calories (calories from fat and from saturated fat)
- Whole Grain equivalence
- Fat
- Saturated Fat
- Trans Fat (can naturally occur in produce with a letter of support from supplying company)
- Protein
- Calcium
- Iron
- Vitamin A
- Vitamin C
- Sodium
- Sugar
- Fiber
- Carbohydrates
- All snacks sold shall adhere to USDA Smart Snacks Standards

2.26 Contractor Representative
The Contractor shall provide a single representative to coordinate the program and who shall be accessible during regular business hours in the event of an emergency. The representative shall meet monthly with each District Representative either in-person, electronically, or via phone call, to discuss issues of concern. The representative shall accommodate an annual meeting which will include all MSEC representatives.

3. MSEC RESPONSIBILITIES
3.1 Access to the Premises
MSEC will provide access to applicable District locations as required and in consultation with the Contractor. Bidders are encouraged to visit each District's website for a list of school holidays and other school closings.

3.3 Inspection of Services and Testing of Supplies and Services
The Contractor shall provide and maintain an inspection system acceptable to MSEC covering the supplies/services under this contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to MSEC during contract performance and for as long afterwards as the contract requires.

MSEC has the right to inspect and test all materials/services in accordance with the contract, to the extent practicable at all times and places during the term of the contract. MSEC shall perform inspections and tests in a manner that will not unduly delay the work.

If MSEC performs inspections or tests on the premises of the Contractor or a Subcontractor, the Contractor shall furnish, and shall require Subcontractor to furnish, at no cost to MSEC, all reasonable facilities and assistance for the safe and convenient performance of these duties. The facilities and operating practices must, at all times, be in compliance with the United States Food Drug and Cosmetic Act as well as any State and local Statute, Regulation or Ordinance.

(1) No inspector other than an MSEC Agent may change any provision of the specifications or the contract without written authorization. The presence or absence of an inspector does not relieve the Contractor or Subcontractor from any requirements of the contract.
(2) When an inspection is made in the plant or place of business of a Contractor or Subcontractor, the Contractor or Subcontractor shall provide, without charge, all reasonable facilities and assistance for the safety and convenience of the person or persons performing the inspection or testing.
(3) Inspection or testing of supplies and services performed at the plant or place of business of any Contractor or Subcontractor shall be performed at reasonable times.

If any of the goods/services do not conform to contract requirements, MSEC may (1) require the Contractor to perform the services again in conformity with contract requirements, (2) require the Contractor to take necessary action to ensure that future performance conforms to contract requirements; and/or (3) reduce the contract price to reflect the reduced value of the services performed.
If the Contractor fails to cure any defect or ensure future performance in conformity with contract requirements, MSEC may (1) by contract or otherwise acquire the supplies/services and charge to the Contractor any cost incurred by MSEC that is directly related to the acquisition of such material/service; and/or (2) terminate the contract for default.

3.4 Disclaimer
Representatives of MSEC’s participating organizations have acted exclusively as agents of the consortium for the award, consummation and administration of this contract, and are not liable for any performance or non-performance on the part of any District.

4. INSURANCE REQUIREMENTS
The Contractor shall purchase and maintain during the life of the Contract, commercial general liability insurance, business automobile liability insurance, and workers’ compensation insurance with limits of not less than those set forth below. The Contractor shall require similar coverage from any of its subcontractors. All coverage shall be with insurance carriers licensed and admitted to do business in Maryland and acceptable to MSEC.

Commercial General Liability
At least $1,000,000 combined single limit coverage written on an occurrence basis covering all premises and operations and including Personal Injury, Independent Contractor, Contractual Liability and Products and Completed Operations. The general aggregate limit is to apply per project. On all Commercial General Liability Insurance policies, the Boards of Education of each county and all MSEC parties, administrators, executives, employees and volunteers shall be named as an additional insured, which shall be shown on the insurance certificates furnished under this Section.

Business Automobile Liability Insurance
At least $1,000,000 Combined Single Limit any one accident to include owned, non-owned, and hired vehicles.

Workers’ Compensation Insurance
Statutory benefits as required by Maryland law and/or, when required, the U.S. Longshoremen’s and Harbor Workers’ Compensation Act including standard Other States coverage; Employers’ Liability coverage with limits of at least $100,000 each accident/$100,000 each employee disease/$500,000 disease policy limit.

Upon notification of award, the Contractor shall provide MSEC with a Certificate of Insurance evidencing the required coverages. If the Contractor receives an insurer’s non-renewal or cancellation notice while under contract, the Contractor shall send a copy within two business days of its receipt to MSEC. The Contractor, if requested by MSEC, shall provide certified true copies of any, or all, insurance policies.

Providing any insurance required herein does not relieve the Contractor of any of the responsibilities or obligations assumed by the Contractor in any resulting Contract or for which the Contractor may be liable by law or otherwise.

Failure to provide and continue in force such insurance as required herein shall be deemed a material breach of Contract and shall operate as an immediate termination thereof.

5. WAIVER OF SUBROGATION
To the fullest extent permitted by law, the Contractor and its invitees, employees, officials, volunteers, agents and representatives waive any right of recovery against MSEC Parties, including the Boards of Education of each County, and each District’s administrators, executives, employees or volunteers for any and all claims, liability, loss, damage, costs or expense (including attorney’s fees) arising out of the services provided by Contractor under this Contract. Such waiver shall apply regardless of the cause of origin of the injury, loss or damage, including the negligence of MSEC and its elected and appointed officials, officers, volunteers, consultants, agents and employees. The Contractor shall advise its insurers of the foregoing and such insurance shall waive any right of subrogation by endorsement or otherwise.
6. **ACKNOWLEDGEMENT OF CONTRACTOR'S INDEPENDENT CONTRACTOR STATUS AND NO COVERAGE FOR CONTRACTOR UNDER BOARD'S WORKER'S COMPENSATION COVERAGE**

Contractor hereby acknowledges its status as an independent contractor while supplying, delivering or installing products or materials on behalf of the MSEC and that the MSEC's workers compensation coverage or self-insurance is not intended to and will not respond to cover any medical or indemnity loss arising out of injury to the Contractor or its employees during the Contractor's provision of goods or services to the MSEC. To the fullest extent permitted by law, the Contractor specifically waives any right of recovery against the MSEC and its elected and appointed officials, officers, volunteers, agents and participants for personal injury (and any resulting loss of income) suffered during the Contractor's contract with the MSEC. Such waiver shall apply regardless of the cause of origin of the injury, loss or damage, including the negligence of the MSEC and its elected and appointed officials, officers, volunteers, agents, and participants. The Contractor shall advise its insurers of the foregoing.

7. **PRICING**

All bid prices are fixed for the first year of the Contract. Price decreases are acceptable at any time, need not be verifiable, and are required should the contractor experience a decrease in costs associated with the execution of the contract.

Price adjustments from the contractor may be considered at renewal. The request is subject to approval by MSEC. The request must be submitted in writing at least 90 days prior to the renewal term and shall be accompanied by supporting documentation.

If an event or events should occur that, through no fault of the contractor, cause an unusual, unreasonable escalation and it would be unreasonable to wait until the next scheduled time for a price change, MSEC will listen to a request for repricing at a time other than set forth above.

Should the Contractor, at any time during the life of the contract, sell goods of similar quality to another customer, or advertise special discounts or sales, at a price below those quoted within the contract, the lowest discounted prices shall be offered to MSEC.

8. **PROTECTION OF MSEC'S BUILDINGS, EQUIPMENT, AND VEGETATION**

The Contractor shall use reasonable care to avoid damaging existing buildings, equipment, and vegetation on District property. If the Contractor's failure to use reasonable care causes damage to any of this property, the Contractor shall replace or repair the damage at no expense to the District.

9. **PERFORMANCE BOND**

The Contractor shall furnish a Performance Bond in the amount of 100% of the Total Bid Amount. The Contractor shall deliver the Performance Bond, in the form provided in Attachment C, to MSEC upon notification of award and prior to contract execution. The Performance Bond shall be underwritten by a surety company authorized to do business in Maryland and shall be subject to approval by MSEC. The cost of this bond is to be included in the price bid and is not recoverable as a separate item. Failure by the Contractor to deliver the required performance bond by the specified time may cause the contractor's bid to be rejected and award may be made to the next lowest responsive bid from a responsible bidder.

10. **CONTRACT DURATION**

The contract term shall be for the period July 1, 2022 through June 30, 2023, and shall contain four additional one-year terms. Renewal is at the sole discretion of MSEC. All prices offered herein shall be firm against any price increase for the first year of the Contract. Any requested increase in contract pricing shall be submitted in writing at least 90 days prior to renewal and, if accepted by MSEC as part of a contract renewal, shall not exceed the increase in the Consumer Price Index as reported by the US Department of Labor for the latest available 12-month period at the time of contract renewal. Notification of renewal will be issued by MSEC at least 30 days prior to the end of the contract term.
Section IV: MANDATORY TERMS AND CONDITIONS

1. COMPLIANCE WITH LAWS. The Contractor hereby represents and warrants that:
   - It is qualified to do business in the State of Maryland and that it will take such action as may be necessary to remain so qualified;
   - It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
   - It shall comply with all federal, State, and local laws, Board Policies and Regulations, and ordinances applicable to its activities and obligations under this Contract; and
   - It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract; and,
   - It shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). The Contractor agrees to report each violation to the USDA and the appropriate EPA Regional Office; and,
   - It shall comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act; and,
   - It shall comply with the Byrd Anti-Lobbying Amendment, 31 U.S.C. Section 1352; and,
   - It is HACCP (Hazard Analysis and Critical Control Program) certified; and,
   - All materials, supplies, equipment, and services supplied under this contract shall comply with the applicable U.S. and Maryland OSHA standards; and,
   - Maryland law shall govern the interpretation and enforcement of this Contract.

2. RETENTION OF RECORDS
   The Contractor shall retain and maintain all records and documents relating to this contract for 5 years after final payment by MSEC hereunder or any applicable statute of limitation, whichever is longer, and shall make them available for inspection and audit by authorized representatives of MSEC, at all reasonable times.

3. TERMINATION
   3.1 TERMINATION FOR DEFAULT
      Should a Contractor fail to perform fully, faithfully and promptly any obligation owed to a MSEC under this contract, then MSEC may, at its election, consider the breach material and, notwithstanding any requirement of notice, terminate the contract in its entirety. Failure on the part of the Contractor to fulfill contractual obligations shall be considered just cause for termination of the contract, and the Contractor is not entitled to recover any cost incurred by the Contractor up to the date of termination. Such termination, or failure to terminate, by MSEC shall not be construed as a waiver of any other right or remedy afforded by law or by agreement between the parties which MSEC may have against Contractor. No failure of MSEC to utilize a remedy afforded by law or contract upon any breach by Contractor shall be construed as a waiver of the right to insist upon full, prompt and faithful performance of the particular obligation, and all other obligations of Contractor in the future. Contractor will be given notice and have 30 days to cure the breach identified by MSEC.

      In the event that any contractor shall default, cancel or cause to have cancelled the contract, that contractor shall have forfeited the right to bid for contracts originating from the MSEC for twenty-four (24) months or two (2) contract periods, whichever is longer.

   3.2 TERMINATION FOR CONVENIENCE
      The performance of work under this contract may be terminated by MSEC in accordance with this clause in whole, or from time to time in part, whenever MSEC shall determine that such termination is in its best interest. Written notice will be given at least thirty (30) days in advance. MSEC shall pay all reasonable costs associated with the contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the contract; provided, however, that the Contractor shall not be reimbursed for any anticipatory profits that have not been earned as of the date of termination.
3.3 NONAVAILABILITY OF FUNDING
If any District fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this contract succeeding the first fiscal period, this contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this shall not affect either the District's rights or the Contractor's rights under any termination clause in this contract. The effect of termination of the contract hereunder shall be to discharge both the Contractor and the District from future performance of the contract, but not from their rights and obligations existing at the time of termination.

4. ASSIGNMENT
Contractor may not assign this contract to successors, associated companies, or any other parties for any reason without prior written approval of the MSEC.

5. PAYMENT
5.1 Contractor shall provide invoices at the time of delivery that show the original ordered amount and the total items delivered. Invoice charges shall be derived in accordance with the prices bid on the Price Bid Sheet. Contractor may indicate a prompt payment discount. The District shall verify invoices for accuracy and completeness. In the event that Contractor is not in default of any of the contract terms and conditions and invoice is accurate, the District shall cause said invoice to be timely paid.

5.2 Contractor agrees to include on the face of all invoices billed to the District, its Taxpayer Identification Number (Social Security Number for individuals and sole proprietors or the Federal Employer Identification Number for all other types of organizations), and the purchase order number.

5.3 No fees may be charged for the method of payment selected by each District.

6. INDEMNIFICATION OF MSEC
To the fullest extent permitted by law the Contractor shall indemnify and hold harmless MSEC Parties, including its Boards of Education, administrators, executives, employees and volunteers, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs of every kind and description to which MSEC may be subjected or put, including but not exclusively so, by reason of injury (including death) to persons or damage to property, in any way resulting from Contractor's performance of the work specified herein or performed under this contract, or any part thereof, or by or on account of any act or omission of the Contractor, its agents or employees, whether such suits, actions, claims, demands, damages, losses, expenses and/or costs be against, suffered or sustained by MSEC Parties, including each Board of Education, administrators, executives, employees and volunteers, or be against, suffered or sustained by other corporations and persons to whom MSEC Parties, including its Board of Education, administrators, executives, employees and volunteers, may become liable therefore, except that Contractor shall not indemnify and save harmless MSEC Parties, including its Board of Education, administrators, executives, employees and volunteers, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs arising from or due to the negligence of MSEC Parties, including its Board of Education, administrators, executives, employees and volunteers. The whole, or so much of the moneys due, or to become due the Contractor under the contract, as may be considered necessary by MSEC, may be retained by MSEC until such suits or claims for damages shall have been settled, or otherwise disposed of, and satisfactory evidence to that effect furnished to MSEC.

7. CODE OF ETHICS
This solicitation is governed by the Board of Education of Caroline County Policy I.10.50.

8. CONFLICT OF INTEREST
Bidders are advised that an MSEC employee may not own or have a financial interest in an entity that has negotiated or entered into a contract with any participating School System or Board. Bidders who have any interest which may conflict or appear to conflict with the interest of MSEC must advise MSEC in writing as soon as possible but no later than the bid due date. Such notice shall include the name of the Contractor and the nature of the conflict of interest. The Superintendent, or designee, will review the matter and make a written determination.
9. DISPUTES
This contract shall be subject to the provision of the Board of Education of Caroline County Policy 1.10.50. Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the contract.

10. REGULATIONS
The policies established by the Board of Education of Caroline County and administration regulations in effect on the date of execution of this Contract are applicable to this Contract.

11. WAIVER
No provision of these contract documents shall be deemed to have been waived unless such waiver is in writing. Any waiver shall extend to the particular case only and only in the manner specified, and shall not be construed in any way to be a waiver of any further or other rights in the same or different circumstances.

12. NON-DISCRIMINATION CLAUSE
The Board of Education of Caroline County prohibits discrimination in matters affecting admissions, employment, treatment, or in providing access to programs or activities on the basis of actual or perceived race, color, religion, national origin, sex, age, marital status, sexual orientation, genetic information, gender identity, or disability.

13. CONTRACT MODIFICATIONS
13.1 Modifications to the Contract may be made only with the written agreement of both parties unless an express unilateral right is identified herein. After award of contract, questions and correspondence relative to requests to modify the specifications, terms or conditions of the contract must be directed to Ms. Beth Brewster, Caroline County Public Schools, and Ms. Susan Phillips, Purchasing Agent.

13.2 Requests to modify terms that are unique to each District must be directed to that District's Representative.

14. FORCE MAJEURE
Force Majeure is defined as an occurrence beyond the control of the affected party and not avoidable by reason of diligence. It includes the acts of nature, war, riots, strikes, fire, floods, epidemics, pandemics, natural disasters, or other similar occurrences. If either party is delayed by force majeure, said party shall provide written notification to the other within 48 hours. Delays shall cease as soon as practicable and written notification of same provided. The time of contract completion may be extended by contract modification, for a period of time equal to that delay caused under this condition. MSEC may also consider requests for price increase for raw materials that are directly attributable to the cause of delay. MSEC reserves the right to cancel the contract and/or purchase materials, equipment or services from the best available source during the time of force majeure, and Contractor shall have no recourse against MSEC. Further, except for payment of sums due, neither party shall be liable to the other or deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of force majeure as defined herein.

15. SEVERABILITY
Should any clause or paragraph found herein be considered by court action to be illegal, invalid, inoperable, or unenforceable, it shall be modified or removed accordingly. However, the modification or removal of a clause or paragraph shall not serve to nullify the Contract. All other clauses and paragraphs shall remain enforceable as written.

16. U.S. DEPARTMENT OF AGRICULTURE (USDA) NONDISCRIMINATION STATEMENT
In accordance with Federal civil rights law and USDA civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

17. DRUG, ALCOHOL AND TOBACCO-FREE WORKPLACE
The use of drugs, alcohol, and tobacco products is not permitted on school property. All properties of each District are drug, tobacco, and alcohol-free zones as designated by local and state laws and policies. Neither the Contractor nor any of its employees or subcontractors are permitted to have any drugs, tobacco, or...
alcohol product on any school property. Failure to comply with this clause is considered a material breach of contract that may result in immediate termination.

18. NON-HIRING OF OFFICIALS AND EMPLOYEES.
No official or employee of MSEC whose duties include matters relating to or affecting the subject matter of this contract shall, during the pendency and term of this contract and while serving as an official or employee of MSEC, become or be an employee of the Contractor or any entity that is a subcontractor on this contract.

19. SEX OFFENDER NOTIFICATION
Maryland Law requires sex offenders to register with the local law enforcement agency in the county in which they will reside, work, or attend school. See Criminal Procedure Article, §11-707, Annotated Code of Maryland. A Contractor may not knowingly employ an individual to work at a school if the individual is a registrant. A Contractor violating this Law is guilty of a misdemeanor and may be subject to imprisonment not exceeding five years or a fine not exceeding $5,000, or both. See Section 11-722 of the Criminal Procedure Article, Annotated Code of Maryland.

Other Crimes
A Contractor or subcontractor may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of:
- Section 3-307 of the Criminal Law Article, Maryland Annotated Code, Sexual Offense in the Third Degree;
- Section 3-308 of the Criminal Law Article, Maryland Annotated Code, Sexual Offense in the Fourth Degree;
- An offense under the laws of another state that would constitute a violation of Sections 3-307 or 3-308 of the Criminal Law Article if committed in Maryland;
- Child sexual abuse under Section 3-602 of the Criminal Law Article, Annotated Code of Maryland;
- An offense under the laws of another state that would constitute child sexual abuse under Section 3-602 of the Criminal Law Article if committed in Maryland;
- A crime of violence as defined in Section 14-101 of the Criminal Law Article, Annotated Code of Maryland; or
- An offense under the laws of another state that would constitute a crime of violence under Section 14-101 of the Criminal Law Article if committed in Maryland.

See Education Article, §6-113, Annotated Code of Maryland

Contractor shall screen its workforce to ensure compliance with the above requirements and that a Registered Sex Offender does not perform work at a county public school, and shall also ensure that a subcontractor and/or independent Contractor conducts screening of its personnel who may work at a school. The term workforce is intended to refer to all of the Contractor's direct employees and subcontractors and/or independent Contractors it uses to perform the work. Violations of this provision may cause MSEC to take action against the Contractor up to and including termination of the contract.
