Section I: GENERAL INFORMATION

1. GENERAL
The Board of Education of Anne Arundel County, also referred to as Anne Arundel County Public Schools or AACPS, is soliciting competitive sealed bids for all necessary supplies, materials, equipment, labor and supervision required to provide uniforms as more fully described herein. The contract will be a firm, fixed price contract.

Bidders are responsible for reviewing and understanding this solicitation. To that end, prospective bidders may submit questions to the AACPS Buyer named above.

☐ Questions must be in writing and submitted via hard-copy or email.
☐ Questions must be received in the Purchasing Office by November 23, 2021.
☐ Questions received after this date will be answered only if time permits.
☐ The Buyer will distribute a written summary of responses to timely-received questions to all prospective bidders known to have received a copy of this RFB.
☐ Oral communications are not binding.

2. NO OBLIGATION
This solicitation implies no obligation on the part of AACPS.

3. BID INSTRUCTIONS
Bidders are responsible for properly labeling their bid envelope with the company name, address, bid number and due date. AACPS is not responsible for a bid that may be inadvertently opened before the bid due date unless it is submitted with proper labeling.

Bid Drop Off — Appointments are required for an in-person drop off. To schedule an appointment, vendors should email the Purchasing Office several days before the due date.

purchasing@aacps.org

The Central Office has limited staffing due to COVID 19 restrictions, so please do not attempt to drop off a bid without a confirmed appointment.

Bids may also be submitted electronically. Electronic bid submissions must be done through the AACPS website. When submitting an electronic bid, go to www.aacps.org; then click Vendors & Contractors/Bid Information/Current Bid Information/Bid Submissions (in red). The time of receipt is the time the electronic submittal is RECEIVED by Anne Arundel County Public Schools – NOT the time you begin the upload. Please allow additional time for your submission to be fully uploaded. AACPS is not responsible for technical failures that result in a late submission.

4. LATE BIDS
Late bids will not be accepted. It is the sole responsibility of the bidder to ensure that their bid is submitted on or before the bid due date and time specified in the solicitation. Late bids will be refused, returned unopened, or destroyed at the bidder’s request.

NOTE: Bids sent next-day delivery via USPS are delivered to the nearest post office — not the
AACPS Central Office. AACPS then retrieves deliveries from the Post Office the next day. Bidders using this USPS shipment method should allow at least one extra business day for delivery to the Central Office.

5. REJECTION/CANCELLATION OF RFB
This solicitation is subject to cancellation when determined by the Supervisor of Purchasing to be in the best interest of AACPS. Additionally, to ensure fair competition and to permit a determination of the lowest responsive bid from a responsible bidder, AACPS may reject bids that include omissions, alterations of form, or that are conditional or irregular in any respect, or reject non-responsible bidders that show a risk of default.

6. PRICE GUARANTEE
The bidder warrants that the bid price shall be effective for a period of not less than 120 days from the date bids are due. NOTE: For the successful bidder, prices shall remain firm over the duration of the contract.

7. EXCEPTIONS
If a bidder takes any exceptions to the terms and conditions of the RFB, a bidder shall notify AACPS in writing not later than ten calendar days (Saturdays and Sundays included) before bids are due.

Failure to take exceptions within the timelines indicated shall be construed by AACPS as full acceptance of the stated terms and conditions.

8. REQUIRED DOCUMENTS
The required documents for this solicitation shall include the signed, original, unaltered solicitation documents including any addenda issued by AACPS, financial statement, completed Qualifications Affidavit, completed Bid Work Sheet, and any other additional documents requested. Failure to do so may result in rejection of the bid. Acceptable documents for compliance with the Financial Statement requirement include bidder's:

- Latest Balance Sheet and Income Statement prepared by an independent accounting firm;
- Annual Report;
- Dun & Bradstreet complete Business Report; or
- Other financial documents determined to be acceptable by the Supervisor of Purchasing.

9. BID WITHDRAWAL
No bid can be withdrawn after it is submitted to AACPS unless the bidder makes a written request to the buyer, before the bid due date, or if the bidder provides clear and convincing evidence that a mistake in the bid calculation has been made and only then with the approval of the AACPS Supervisor of Purchasing.

10. COST OF BIDDING
AACPS does not accept responsibility for any expenses incurred in the bid preparation and presentation requirements, if any. Such expenses are the sole responsibility of the bidder.

11. COOPERATIVE PURCHASING CLAUSE
In accordance with State Finance and Procurement Article, Sect. 13-110, Maryland Annotated Code, AACPS reserves the right to extend the terms of any contract resulting from this bid to public bodies, subdivisions, school districts, community colleges, colleges, and universities including nonpublic schools.
The Contractor agrees to notify AACPS of those entities that request to use any contract resulting from this bid and provide usage information to AACPS, if requested.

Anne Arundel County Public Schools assumes no authority, liability, or obligation, on behalf of any other public or non-public entity that may enter into a cooperative agreement associated with the contract resulting from this bid. All purchases and payment transactions will be made directly between the contractor and the requesting entity.

12. PROTESTS
This contract shall be subject to the provision of the Board of Education of Anne Arundel County Policies and Regulation DEC-RA.

13. REGISTRATION
Pursuant to the Corporations and Associations Article of the Annotated Code of Maryland, businesses created in a state other than Maryland may have to register or qualify with the State Department of Assessments and Taxation (SDAT) before doing business in Maryland. Bidders should contact the SDAT directly to determine their registration requirements: http://dat.maryland.gov/businesses/Pages/Non-Maryland-(Foreign)-Business-Entities.aspx

Bidders that are Maryland businesses must be in good standing with the State Department of Assessments and Taxation. Your business status can be verified at https://egov.maryland.gov/BusinessExpress/EntitySearch. Out-of-State bidders must be in good standing with their home state authority.

Bidders that fail to comply with these requirements may be rejected as not responsible.

14. COMPETITIVE SEALED BID PROCESS
   - Bidders shall submit all requirements set forth in the RFB.
   - Bidders who wish to mail in or drop off their bid shall submit one paper copy, including all attachments on or before the bid due date and time specified on the title page. Bidders shall also submit one electronic copy of the bid on a flash drive.
   - Any bids received after the date and time specified are considered late and will be rejected on that basis.
   - A bidder may not offer more than one price on each line item.
   - The buyer will review each bid submission for responsiveness. If the bid is determined to be not responsive or the bidder not responsible, the bid will be rejected, and the bidder notified in writing accordingly.
   - AACPS may award contract(s) based on groups, individual line items, lots, or any combination thereof, at the sole option of the AACPS.
   - Recommendation for award will be made to the responsible bidder(s) submitting the lowest responsive bids(s) and represents the best value to Anne Arundel County Public Schools in accordance with Sect. 5-112 of the Education Article, Maryland Annotated Code.
15. **ANTI-BRIBERY**
The Contractor warrants that neither it nor any of its officers, directors, or partners nor any of its employees who are directly involved in obtaining or performing contracts with any public body has been convicted of bribery, attempted bribery or conspiracy to bribe under the laws of any state or of the federal government.

16. **TAXES**
AACPS is exempt from federal excise taxes [52-73-0144K] and State and local sales or use taxes [3000110-2]. Bidders may not include these taxes in their bid price. If a contractor is required to furnish and install material in the construction or improvement of real property in performance of a contract, the contractor pays Maryland sales tax and exemption does not apply.

17. **TOBACCO PRODUCTS**
The use of drugs, alcohol, and tobacco products is not permitted on school property. AACPS Board Policy and Regulation GAC-RA and COMAR 13A.02.04 require AACPS to maintain drug, alcohol, and tobacco-free work environments. Failure to comply with this clause is considered a material breach of contract that may result in termination.

18. **IRREGULARITIES**
AACPS reserves the right to waive any minor irregularities in the solicitations or bids. AACPS reserves the right to negotiate or modify any element of the bid to ensure that the best possible arrangements for achieving the stated purpose are obtained.

19. **SUBCONTRACTORS**
AACPS shall enter into an agreement with the selected Contractor(s) only. The selected Contractor(s) shall be responsible for all services required by this RFB.

20. **NON-HIRING OF OFFICIALS AND EMPLOYEES**
No official or employee of AACPS whose duties as such official or employee include matters relating to or affecting the subject matter of this contract, shall during the pendency and term of this contract and while serving as an official or employee of AACPS become or be an employee of the contractor or any entity that is a subcontractor on this contract.

21. **SEX OFFENDER NOTIFICATION**
   **A. Registered Sex Offender**
   Maryland Law requires sex offenders to register with the local law enforcement agency in the county in which they will reside, work, or attend school. See *Criminal Procedure Article, §11-707, Annotated Code of Maryland*. An AACPS Contractor may not knowingly employ an individual to work at a school if the individual is a registrant. A Contractor violating this Law is guilty of a misdemeanor and may be subject to imprisonment not exceeding five years or a fine not exceeding $5,000, or both. See *Section 11-722 of the Criminal Procedure Article, Annotated Code of Maryland*.

   **B. Other Crimes**
   An AACPS Contractor or subcontractor may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of: Section 3-307 of the Criminal Law Article, Maryland Annotated Code, *Sexual Offense in the Third Degree*; Section 3-308 of the Criminal Law Article, Maryland Annotated Code, *Sexual Offense in the Fourth Degree*;
An offense under the laws of another state that would constitute a violation of Sections 3-307 or 3-308 of the Criminal Law Article if committed in Maryland;
Child sexual abuse under Section 3-602 of the Criminal Law Article, Annotated Code of Maryland;
An offense under the laws of another state that would constitute child sexual abuse under Section 3-602 of the Criminal Law Article if committed in Maryland;
A crime of violence as defined in Section 14-101 of the Criminal Law Article, Annotated Code of Maryland;
or
An offense under the laws of another state that would constitute a crime of violence under Section 14-101 of the Criminal Law Article if committed in Maryland.

See Education Article, §6-113, Annotated Code of Maryland

C. AACPS Contractors shall ensure compliance with the requirements in Sections A and B above for their workforce. Workforce means all of the Contractor's direct employees, subcontractors, and independent Contractors.

D. Violations of any of these provisions may result in immediate termination for cause.

E. Contractor workforce requiring access to any of the AACPS schools located on the secure portion of Fort Meade will require additional background checks conducted by the Installation.

Each Contractor shall screen their workforce to ensure that a Registered Sex Offender does not perform work at a county public school and that a subcontractor and/or independent Contractor conducts screening of its personnel who may work at a school. The term workforce is intended to refer to all the Contractor’s direct employees and subcontractors and/or independent Contractors it uses to perform the work. Violations of this provision may cause AACPS to take action against the Contractor up to and including termination of the contract.

22. CONTRACTOR SCREENING OF EMPLOYMENT APPLICANTS HAVING DIRECT CONTACT WITH MINORS
In addition to the requirements of Section 21 above, Contractors shall comply with the requirements of Section 6-113.2 of the Education Article, Maryland Annotated Code, regarding screening of applicants for employment.

23. ACCESS TO PUBLIC RECORDS
Bidder should identify those portions of its bid that it considers confidential, proprietary commercial information, or trade secrets, and provide, upon request, justification why such materials, if requested, should not be disclosed by the AACPS under the Maryland Public Information Act. Bidders are advised that the Supervisor of Purchasing may be required to make an independent determination whether the information may be disclosed.

24. GIFTS
In accordance with Board Policy BAF, contractors are notified that the giving or offering of a gift or series of gifts to a Board official or employee is improper and may result in disqualification from future work on the grounds that the donor/bidder is no longer a responsible bidder or vendor. Board officials and employees may not “solicit any gift, or accept any gift or series of gifts exceeding $20 in value in a calendar year from any person, entity, or employee of an entity that is under the authority of the school system or has or is negotiating a contract with the school system, except where such gifts would not present a conflict of interest as determined by the Board Ethics Panel.
25. **eMARYLAND MARKETPLACE ADVANTAGE REGISTRATION**
Contractors are required to register on eMaryland Marketplace Advantage at [https://procurement.maryland.gov](https://procurement.maryland.gov) within five days following notice of award. Maryland law requires local and state agencies to post award notices on eMaryland Marketplace Advantage. This cannot be done without the contractor's self-registration in the system. Registration is free. Failure to comply with this requirement may be considered grounds for default. It is recommended that any interested bidder register with eMaryland Marketplace Advantage regardless of the award outcome for this procurement as it is a valuable resource for bid notification for municipalities throughout Maryland.

26. **TIE BIDS**
"Tie bids" mean responsive bids from responsible bidders that are identical in price, terms, and conditions. In the event of a tie bid, award shall be made to the in-State business if identical favorable bids are received from an in-State and out-of-State bidder.

If both low bids are from in-State businesses, the award may be made to the in-State low bidder that is an MDOT certified minority business enterprise or State certified small business. If none of the tie-breaking rules apply, a drawing shall be conducted. In addition to the Buyer, an AACPS employee shall also be present to verify the drawing and certify the results on the bid tabulation sheet.

27. **CHECKLIST** for requirements in your bid response, provided for your convenience:
   a. **Return entire** original RFB document, including title page, bid work sheet, and amendments, if any. One paper copy and one electronic copy provided on a flash drive is required.

2.8 Fort George G. Meade United States Army Installation Restricted Entry:
All contractors conducting legitimate business on behalf of Anne Arundel County Public Schools, on the secure portion of the Fort George G. Meade United States Army Installation (Installation), must obtain the necessary access credentials prior to attempting entry. NO EXCEPTIONS.

MacArthur Middle School

Note: Meade High School, Meade Middle School and Meade Heights Elementary are not located on the secure portion of the Installation and may be visited without an access pass and do not require entry through the Reese Road gate inspection station.

The contractor will need to submit to a background check conducted by the Installation to obtain the needed access pass. To begin this process contact AACPS, Office of Investigations, Debbie Jones, at dejones2@aacps.org and request a Fort George G. Meade Installation Access Request form (Form 191). If there are any questions call (410) 222-5287. Once the access form is completed and approved by AACPS you will then need to present it, along with the required identification documentation, to the Installation's Demps Visitor Control Center at:

902 Reece Road  
7:30 a.m. to 4:00 p.m., Monday through Friday

2.5 Confidentiality
Contractor shall ensure the complete confidentiality of any and all information provided by AACPS and gathered and developed by Contractor in the performance of this Contract. The material gathered, used and developed shall not be provided to any other party without the expressed written approval of the Supervisor of Purchasing.
3. **AACPS RESPONSIBILITIES**

3.1 **Access to the Premises**
AACPS will provide access to applicable AACPS Locations, Monday through Friday 8:00 A.M. to 2:00 P.M. Eastern Time on days AACPS is open for business. Vendors are welcome to visit our website at www.aacps.org for school holidays and other school closings.

The Contractor shall provide and maintain an inspection system acceptable to the AACPS covering the supplies/services under this solicitation/contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the AACPS during contract performance and for as long afterwards as the contract requires.

The AACPS has the right to inspect and test all materials/services in accordance with the solicitation/contract, to the extent practicable at all times and places during the term of the contract. The AACPS shall perform inspections and tests in a manner that will not unduly delay the work.

If the AACPS performs inspections or tests on the premises of the Contractor or a Subcontractor, the Contractor shall furnish, and shall require Subcontractor to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of these duties.

(1) No inspector other than the Supervisor of Purchasing may change any provision of the specifications or the contract without written authorization. The presence or absence of an inspector does not relieve the Contractor or Subcontractor from any requirements of the contract.

(2) Location. When an inspection is made in the plant or place of business of a Contractor or Subcontractor, the Contractor or Subcontractor shall provide, without charge, all reasonable facilities and assistance for the safety and convenience of the person or persons performing the inspection or testing.

(3) Time. Inspection or testing of supplies and services performed at the plant or place of business of any Contractor or Subcontractor shall be performed at reasonable times.

If any of the materials/services do not conform to solicitation/contract requirements, the AACPS may require the Contractor to perform the services again in conformity with contract requirements, the AACPS may:

(1) Require the Contractor to take necessary action to ensure that future performance conforms to contract requirements; and

(2) Reduce the contract price to reflect the reduced value of the services performed.

If the Contractor fails to cure any defect or ensure future performance in conformity with contract requirements, the AACPS may:

(1) By contract or otherwise, acquire the supplies/services and charge to the Contractor any cost incurred by the AACPS that is directly related to the acquisition of such material/service; and

(2) Terminate the contract for default.
4. **QUANTITIES**
AACPS reserves the right to increase or decrease quantities as required. Quantities are approximate and unit prices bid shall apply regardless of any increase or decrease in the estimated quantities shown herein.

5. **DURATION OF CONTRACT**
Once awarded, the contract shall remain in force and effect for a period not to exceed two years from the date of award. Upon completion of this initial term, AACPS reserves the right to rebid or, at its sole option, to extend this contract for two, one-year periods at the same pricing, terms, and conditions.

6. **INSURANCE REQUIREMENTS**
Unless otherwise specified in this RFB, the Contractor shall be required to purchase and maintain during the life of the Contract, commercial general liability insurance, business automobile liability insurance, and workers’ compensation insurance with limits of not less than those set forth below. The Contractor shall require similar coverage from any of its subcontractors.

**Commercial General Liability**
At least $1,000,000 combined single limit coverage written on an occurrence basis covering all premises and operations and including Personal Injury, Independent Contractor, Contractual Liability and Products and Completed Operations. The general aggregate limit is to apply per project. On all Commercial General Liability Insurance policies the Board of Education of Anne Arundel County (the BOARD) AKA Anne Arundel County Public Schools (AACPS) and all AACPS parties, administrators, executives, employees and volunteers shall be named as an additional insured, which shall be shown on the insurance certificates furnished to AACPS under this Section.

**Business Automobile Liability Insurance**
At least $1,000,000 Combined Single Limit any one accident to include owned, non-owned, and hired vehicles.

**Workers’ Compensation Insurance**
Statutory benefits as required by Maryland law and/or, when required, the U.S. Longshoremen’s and Harbor Workers’ Compensation Act including standard Other States coverage; Employers’ Liability coverage with limits of at least $100,000 each accident/$100,000 each employee disease/$500,000 disease policy limit.

The Contractor shall provide AACPS with a Certificate of Insurance evidencing the coverage required above within 10 days of the date of the notice of award. While under contract if the Contractor receives an insurer's non-renewal or cancellation notice the Contractor shall send a copy within two business days of its receipt to the AACPS Purchasing Office. The Contractor, if requested by AACPS, shall provide certified true copies of any, or all, insurance policies.

Providing any insurance required herein does not relieve the Contractor of any of the responsibilities or obligations assumed by the Contractor in any resulting Contract or for which the Contractor may be liable by law or otherwise.

Failure to provide and continue in force such insurance as required herein shall be deemed a material breach of any resulting Contract and shall operate as an immediate termination thereof.
7. WAIVER OF SUBROGATION
To the fullest extent permitted by law, the Contractor and its invitees, employees, officials, volunteers, agents and representatives waive any right of recovery against the AACPS Parties, including the Board of Education of Anne Arundel County (the Board), administrators, executives, employees or volunteers for any and all claims, liability, loss, damage, costs or expense (including attorney's fees) arising out of the services provided by Contractor under this Contract. Such waiver shall apply regardless of the cause of origin of the injury, loss or damage, including the negligence of the Board and its elected and appointed officials, officers, volunteers, consultants, agents and employees. The Contractor shall advise its insurers of the foregoing and such insurance shall waive any right of subrogation by endorsement or otherwise.
Section IV: MANDATORY TERMS AND CONDITIONS

The following are mandatory terms and conditions to be included in all contracts.

1. COMPLIANCE WITH LAWS
The Contractor hereby affirms:

A. It is qualified to do business in the State of Maryland and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;

B. It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;

C. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and

D. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract

2. RETENTION OF RECORDS
The Contractor shall retain and maintain all records and documents relating to this contract for five (5) years after final payment by the AACPS hereunder or any applicable statute of limitation, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the AACPS, including the Supervisor of Purchasing or the Supervisor of Purchasing's designee, at all reasonable time.

3. TERMINATION

3.1 TERMINATION FOR DEFAULT
Should a Contractor fail to perform fully, faithfully and promptly any obligation owed to AACPS under this contract, then AACPS may, at its election, consider the breach material and, notwithstanding any requirement of notice, terminate the contract in its entirety. Failure on the part of the Contractor to fulfill contractual obligations shall be considered just cause for termination of the contract, and the Contractor is not entitled to recover any cost incurred by the Contractor up to the date of termination. Such termination, or failure to terminate, by AACPS shall not be construed as a waiver of any other right or remedy afforded by law or by agreement between the parties which AACPS may have against Contractor. No failure of AACPS to utilize a remedy afforded by law or contract upon any breach by Contractor shall be construed as a waiver of the right to insist upon full, prompt and faithful performance of the particular obligation, and all other obligations of Contractor in the future.

3.2 TERMINATION FOR CONVENIENCE
The performance of work under this contract may be terminated by AACPS in accordance with this clause in whole, or from time to time in part, whenever AACPS shall determine that such termination is in the best interest of AACPS. AACPS shall pay all reasonable costs associated with the contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the contract; provided, however, that the Contractor shall not be reimbursed for any anticipatory profits that have not been earned as of the date of termination.
3.3 NONAVAILABILITY OF FUNDING
If the County Council fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this contract succeeding the first fiscal period, this contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this shall not affect either AACPS’s rights or the Contractor’s rights under any termination clause in this contract. The effect of termination of the contract hereunder shall be to discharge both the Contractor and AACPS from future performance of the contract, but not from their rights and obligations existing at the time of termination.

4. MARYLAND LAW PREVAILS
The law of Maryland shall govern the interpretation and enforcement of this Contract.

5. ASSIGNMENT
Contractor may not assign this contract to successors, associated companies, or any other parties for any reason without written approval of AACPS.

6. PAYMENT
Subject to the performance of the work and its acceptance by the AACPS, contractor may invoice the AACPS for all appropriate charges for services performed during the billing period. All such charges shall be derived in accordance with the prices originally bid on the BID WORK SHEET, found in Section V attached hereto and made a part hereof. In the event that contractor is not in default of any of the contract terms and conditions, then AACPS shall cause said invoice to be timely paid.

Contractor agrees to include on the face of all invoices billed to the AACPS, its Taxpayer Identification Number, which is the Social Security Number for individuals and sole proprietors and the Federal

Employer Identification Number for all other types of organizations, and the purchasing document number; such as the purchase order.

6.1 Payments by EFT
By submitting a response to this solicitation, the Bidder agrees to accept payments by electronic funds transfer, unless the AACPS Supervisor of Purchasing grants an exemption. Unless previously registered, the selected Bidder shall register using the form titled, Electronic Funds Transfer Request Authorization, included as an Attachment to this RFB. The original, completed EFT form should be sent to the Buyer.

6.2 Payments by Procurement Card
When appropriate, AACPS reserves the right to use the AACPS procurement card for the payment of supplies or services listed in the Contract in lieu of issuing a purchase order. No procurement card transaction shall take place without the written authorization of the cardholder indicating the order for the supplies or services. The Contractor may process a payment in the credit card network ONLY upon shipment of supplies or performance of the services ordered by the cardholder. For partial shipments or performance, the Contractor may process a payment ONLY for the amount shipped or completed and NOT for the entire amount ordered by the cardholder. Upon shipment or completion of the remaining order, the Contractor may process a payment request to the credit card network for the remainder of the order. The Contractor may not charge AACPS for any fees related to the use of the procurement card above their bid prices.
7. **INDEMNIFICATION OF ANNE ARUNDEL COUNTY PUBLIC SCHOOLS**
To the fullest extent permitted by law the Contractor shall indemnify and save harmless the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs of every kind and description to which the AACPS may be subjected or put, including but not exclusively so, by reason of injury (including death) to persons or damage to property, in any way resulting from Contractor's performance of the work specified herein or performed under this contract, or any part thereof, or by or on account of any act or omission of the Contractor, its agents or employees, whether such suits, actions, claims, demands, damages, losses, expenses and/or costs be against, suffered or sustained by the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, or be against, suffered or sustained by other corporations and persons to whom the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, may become liable therefore, except that Contractor shall not indemnify and save harmless the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs arising from or due to the negligence of the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers. The whole, or so much of the moneys due, or to become due the Contractor under the contract, as may be considered necessary by the Supervisor of Purchasing, may be retained by the AACPS until such suits or claims for damages shall have been settled, or otherwise disposed of, and satisfactory evidence to that effect furnished to the Supervisor of Purchasing.

8. **CODE OF ETHICS**
This solicitation is governed by the Board of Education of Anne Arundel County Vendor Relations Policy DEC and Vendor Relations Administrative Regulation DEC-RA. Also, in accordance with the Board's Ethics and Conflict of Interest Policy BAF, if an AACPS employee has a financial interest in a company, that company may not submit a bid for an AACPS contract.

9. **HIRING OF AACPS EMPLOYEES**
The Board of Education of Anne Arundel County Policy BAF provides, in part, that an AACPS employee may not own or have a financial interest in an entity that has negotiated or entered into a contract with the School System or Board.

10. **DISPUTES**
This contract shall be subject to the provision of the Board of Education of Anne Arundel County Policies and Regulation DEC-RA. Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the contract in accordance with the Supervisor of Purchasing's decision.

11. **REGULATIONS**
The policies established by the Board of Education of Anne Arundel County and administration regulations in effect on the date of execution of this Contract are applicable to this Contract.

12. **WAIVER**
No provision of these Contract Documents shall be deemed to have been waived unless such waiver is in writing. Any waiver shall extend to the particular case only and only in the manner specified and shall not be construed in any way to be a waiver of any further or other rights in the same or different
circumstances.

13. **NON-DISCRIMINATION CLAUSE**
Anne Arundel County Public Schools prohibits discrimination in matters affecting employment or in providing access to programs on the basis of actual or perceived race, color, religion, national origin, sex, age, marital status, sexual orientation, genetic information, gender identity, or disability.

14. **MODIFICATIONS AND AMENDMENTS**
Modifications to this Contract may be made only with the written agreement of both parties unless an express unilateral right is identified herein.

15. **FORCE MAJEURE**
Force Majeure is defined as an occurrence beyond the control of the affected party and not avoidable by reason of diligence. It includes the acts of nature, war, riots, strikes, fire, floods, epidemics, pandemics, or other similar occurrences. If either party is delayed by force majeure, said party shall provide written notification to the other within 48 hours. Delays shall cease as soon as practicable and written notification of same provided. The time of contract completion may be extended by contract modification, for a period of time equal to that delay caused under this condition. AACPS may also consider requests for price increase for raw materials that are directly attributable to the cause of delay. AACPS reserves the right to cancel the contract and/or purchase materials, equipment or services from the best available source during the time of force majeure, and Contractor shall have no recourse against AACPS. Further, except for payment of sums due, neither party shall be liable to the other or deemed in default under this contract, if and to the extent that such party’s performance of this contract is prevented by reason of force majeure as defined herein.
