Section I: GENERAL INFORMATION

1. GENERAL

The Board of Education of Anne Arundel County, also referred to as Anne Arundel County Public Schools or AACPS, is soliciting competitive sealed bids for Grass Seed and Fertilizer as more fully described herein. The contract will be a firm, fixed-price contract.

The schedule of the bidding process is as follows:

Issuance of RFB	Thursday, August 22, 2024
Questions to AACPS Buyer	No later than Tuesday, September 3, 2024, at Noon Eastern Time. Questions received after this date will be answered only if time permits.
Bids are due to AACPS Purchasing Office	Thursday, September 12, 2024, at 2:00 pm Eastern Time
Approximate date of Award	Wednesday, October 2, 2024

Bidders are responsible for reviewing and understanding this solicitation. To that end, prospective bidders may submit questions to the AACPS Buyer named above.

Questions must be in writing and submitted via hard copy or email.

The Buyer will distribute a written summary of responses to timely-received questions to all prospective bidders known to have received a copy of this RFB.

A Bidder who has received this document should immediately visit the AACPS website (<http://bids.aacps.org/>) and register as a plan holder for this Bid. This will ensure that the bidder is notified of any addenda, additional materials, or other communications related to this RFB.

Oral communications are not binding.

2. AACPS INFORMATION

Anne Arundel County Public Schools is the 4th largest school district in Maryland. AACPS serves approximately 85,000 students and comprises 128 schools covering more than 400 square miles. There are 80 elementary schools, 19 middle schools, 14 high schools, and several specialty education centers across the district.

Additional information on AACPS can be found on our website: www.aacps.org

3. NO OBLIGATION

This solicitation implies no obligation on the part of AACPS.

4. COMPETITIVE SEALED BID PROCESS

Bidders shall submit all requirements outlined in the RFB.

A bidder may not offer more than one price on each line item.

The buyer will review each bid submission for responsiveness. If the bid is determined to be not responsive or

RFB #25CM-062 – GRASS SEED AND FERTILIZER

the bidder not responsible, the bid will be rejected, and the bidder notified in writing accordingly.

AACPS may award contract(s) based on groups, individual line items, lots, or any combination thereof, at the sole option of the AACPS.

Recommendation for award will be made to the responsible bidder(s) submitting the lowest responsive bids(s) and representing the best value to Anne Arundel County Public Schools in accordance with Sect. 5-112 of the Education Article, Maryland Annotated Code.

5. BID SUBMISSION INSTRUCTIONS

Bids may be submitted electronically. Electronic bid submissions must be done through the AACPS website. When submitting an electronic bid, go to www.aacps.org; then click Vendors & Contractors/Bid Information/Current Bid Information/Bid Submissions (in red). The time of receipt is the time the electronic submittal is RECEIVED by Anne Arundel County Public Schools – NOT the time you begin the upload. Please allow additional time for your submission to be fully uploaded. AACPS is not responsible for technical failures that result in a late submission. The bid must be combined into one PDF file. Do not upload each document separately.

Bidders who wish to mail in or drop off their bid shall submit one paper copy, including all attachments, on or before the bid due date and time specified on the title page. Bidders shall also submit one electronic copy of the bid on a flash drive.

Bids sent for next-day delivery via USPS are delivered to the nearest post office – not the AACPS Central Office. AACPS then retrieves deliveries from the Post Office the next day. Bidders using this USPS shipment method should allow at least one extra business day for delivery to the Central Office.

Bidders are responsible for properly labeling their bid envelope with the company name, address, bid number, and due date. AACPS is not responsible for a bid that may be inadvertently opened before the bid due date unless it is submitted with proper labeling.

E-mailed bids will not be accepted.

Bidders may not submit an electronic bid AND a paper bid for the same solicitation. Similarly, bidders may not submit an electronic bid twice on the AACPS online system for the same solicitation. If that happens, a bidder may request to withdraw one of the bids in writing ONLY IF THE TIME FOR BID SUBMISSION HAS NOT LAPSED. If the time for bid submission has lapsed and the bidder has not made a written request to withdraw one of the bids, AACPS will reject the second bid submitted, regardless of how it is submitted.

Any bids received after the date and time specified are considered late and will be rejected on that basis. It is the sole responsibility of the bidder to ensure that their bid is submitted on or before the bid due date and time specified in the solicitation. Late bids will be refused, returned unopened, or destroyed at the bidder's request.

6. REJECTION/CANCELLATION OF RFB

This solicitation is subject to cancellation when determined by the Director of Purchasing to be in the best interest of AACPS. AACPS may reject any or all bids when determined by the Director of Purchasing to be in the best interest of AACPS. Additionally, to ensure fair competition and to permit a determination of the lowest responsive bid from a responsible bidder, AACPS may reject bids that include omissions, alterations of form, or that are conditional or irregular in any respect, or reject non-responsible bidders that show a risk of default.

7. PRICE GUARANTEE

The bidder warrants that the bid price shall be effective for a period of not less than 90 days from the date bids are due, in order to give AACPS time to award the contract. NOTE: For the successful bidder, prices shall remain firm over the duration of the contract.

8. EXCEPTIONS

If a bidder takes any exceptions to the terms and conditions of the RFB, a bidder shall notify AACPS in writing not later than ten calendar days (Saturdays and Sundays included) before bids are due. Failure to take exceptions within the timelines indicated shall be construed by AACPS as full acceptance of the stated terms and conditions.

9. REQUIRED DOCUMENTS

The required documents for this solicitation shall include the signed, original, unaltered solicitation documents including any addenda issued by AACPS, financial statement, completed Qualifications Affidavit, completed Bid Work Sheet, and any other additional documents requested. Failure to do so may result in the rejection of the bid.

10. FINANCIAL DOCUMENTS

Acceptable documents for compliance with the Financial Statement requirement above include bidder's:

- A. Latest Balance Sheet and Income Statement prepared by an independent accounting firm;
- B. Annual Report;
- C. Dun & Bradstreet complete Business Report; or

11. BID WITHDRAWAL

No bid can be withdrawn after it is submitted to AACPS unless the bidder makes a written request to the buyer, before the bid due date, or if the bidder provides clear and convincing evidence that a mistake in the bid calculation has been made and only then with the approval of the AACPS Director of Purchasing.

12. COST OF BIDDING

AACPS does not accept responsibility for any expenses incurred in the bid preparation and presentation requirements, if any. Such expenses are the sole responsibility of the bidder.

13. COOPERATIVE PURCHASING

In accordance with State Finance and Procurement Article, Sect. 13-110, Maryland Annotated Code, AACPS reserves the right to extend the terms of any contract resulting from this bid to public bodies, subdivisions, school districts, community colleges, colleges, and universities including nonpublic schools. 17. TAXES

AACPS is exempt from federal excise taxes [52-73-0144K] and State and local sales or use taxes [3000110-2]. Bidders may not include these taxes in their bid price. If a contractor is required to furnish and install material in the construction or improvement of real property in performance of a contract, the contractor pays Maryland sales tax and exemption does not apply.

18. TOBACCO PRODUCTS

The use of drugs, alcohol, and tobacco products is not permitted on school property. AACPS Board Policy and Regulation GAC-RA and COMAR 13A.02.04 require AACPS to maintain drug, alcohol, and tobacco-free work environments. Failure to comply with this clause is considered a material breach of contract that may result in termination

19. IRREGULARITIES

AACPS reserves the right to waive any minor irregularities in the solicitations or bids. AACPS reserves the right to negotiate or modify any element of the bid to ensure that the best possible arrangements for achieving the stated purpose are obtained.

21. NON-HIRING OF OFFICIALS AND EMPLOYEES

No official or employee of AACPS whose duties as such official or employee include matters relating to or affecting the subject matter of this contract, shall during the pendency and term of this contract and while serving as an official or employee of AACPS become or be an employee of the contractor or any entity that is a subcontractor on this contract.

RFB #25CM-062 – GRASS SEED AND FERTILIZER

- B. Reduce the contract price to reflect the reduced value of the services performed.

If the Contractor fails to cure any defect or ensure future performance in conformity with contract requirements, the AACPS may:

The Contractor, if requested by AACPS, shall provide certified true copies of any, or all, insurance policies. Providing any insurance required herein does not relieve the Contractor of any of the responsibilities or obligations assumed by the Contractor in any resulting Contract or for which the Contractor may be liable by law or otherwise. Failure to provide and continue in force such insurance as required herein shall be deemed a material breach of any resulting Contract and shall operate as an immediate termination thereof.

Section III: MANDATORY TERMS AND CONDITIONS

The following are mandatory terms and conditions to be included in all contracts.

1. COMPLIANCE WITH LAWS

The Contractor hereby affirms:

It is qualified to do business in the State of Maryland and it will take such action as, from time to time hereafter, may be necessary to remain so qualified;

It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;

It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and

It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract

2. RETENTION OF RECORDS

The Contractor shall retain and maintain all records and documents relating to this contract for five (5) years after final payment by the AACPS hereunder or any applicable statute of limitation, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the AACPS, including the Director of Purchasing or the Director of Purchasing's designee, at all reasonable time.

3. TERMINATION

A. TERMINATION FOR DEFAULT

Should a Contractor fail to perform fully, faithfully, and promptly any obligation owed to AACPS under this contract, then AACPS may, at its election, consider the breach material and, notwithstanding any requirement of notice, terminate the contract in its entirety. Failure on the part of the Contractor to fulfill contractual obligations shall be considered just cause for termination of the contract, and the Contractor is not entitled to recover any cost incurred by the Contractor up to the date of termination. Such termination, or failure to terminate, by AACPS, shall not be construed as a waiver of any other right or remedy afforded by law or by agreement between the parties which AACPS may have against Contractor. No failure of AACPS to utilize a remedy afforded by law or contract upon any breach by Contractor shall be construed as a waiver of the right to insist upon full, prompt, and faithful performance of the particular obligation, and all other obligations of Contractor in the future.

B. TERMINATION FOR CONVENIENCE

The performance of work under this contract may be terminated by AACPS in accordance with this clause in whole, or from time to time in part, whenever AACPS shall determine that such termination is in the best interest of AACPS. AACPS shall pay all reasonable costs associated with the contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with the termination of the contract; provided, however, that the Contractor shall not be reimbursed for any anticipatory profits that have not been earned as of the date of termination.

RFB #25CM-062 – GRASS SEED AND FERTILIZER

C. NONAVAILABILITY OF FUNDING

If the County Council fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this contract succeeding the first fiscal period, this contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this shall not affect either AACPS's rights or the Contractor's rights under any termination clause in this contract. The effect of termination of the contract hereunder shall be to discharge both the Contractor and AACPS from future performance of the contract, but not from their rights and obligations existing at the time of termination.

4. MARYLAND LAW PREVAILS

The law of Maryland shall govern the interpretation and enforcement of this Contract.

5. ASSIGNMENT

Contractor may not assign this contract to successors, associated companies, or any other parties for any reason without written approval of AACPS.

6. PAYMENT

Subject to the performance of the work and its acceptance by the AACPS, contractor may invoice the AACPS for all appropriate charges for services performed during the billing period. All such charges shall be derived in accordance with the prices originally bid on the BID WORKSHEET, found in Section V attached hereto and made a part hereof. In the event that contractor is not in default of any of the contract terms and conditions, then AACPS shall cause said invoice to be timely paid.

Contractor agrees to include on the face of all invoices billed to the AACPS, its Taxpayer Identification Number, which is the Social Security Number for individuals and sole proprietors and the Federal Employer Identification Number for all other types of organizations, and the purchasing document number; such as the purchase order.

If applicable, invoices shall also include the original price, the discount percentage, and the discounted price paid by AACPS.

A. Payments by EFT

By submitting a response to this solicitation, the Bidder agrees to accept payments by electronic funds transfer, unless the AACPS Director of Purchasing grants an exemption. Unless previously registered, the selected Bidder shall register using the form titled, Electronic Funds Transfer Request Authorization, included as an Attachment to this RFB. The original, completed EFT form should be sent to the Buyer.

B. Payments by Procurement Card

When appropriate, AACPS reserves the right to use the AACPS procurement card for the payment of supplies or services listed in the Contract in lieu of issuing a purchase order. No procurement card transaction shall take place without the written authorization of the cardholder indicating the order for the supplies or services. The Contractor may process a payment in the credit card network ONLY upon shipment of supplies or performance of the services ordered by the cardholder. For partial shipments or performance, the Contractor may process a payment ONLY for the amount shipped or completed and NOT for the entire amount ordered by the cardholder. Upon shipment or completion of the remaining order, the Contractor may process a payment request to the credit card network for the remainder of the order. The Contractor may not charge AACPS for any fees related to

RFB #25CM-062 – GRASS SEED AND FERTILIZER

7. INDEMNIFICATION OF ANNE ARUNDEL COUNTY PUBLIC SCHOOLS

To the fullest extent permitted by law the Contractor shall indemnify and save harmless the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs of every kind and description to which the AACPS may be subjected or put, including but not exclusively so, by reason of injury (including death) to persons or damage to property, in any way resulting from Contractor's performance of the work specified herein or performed under this contract, or any part thereof, or by or on account of any act or omission of the Contractor, its agents or employees, whether such suits, actions, claims, demands, damages, losses, expenses and/or costs be against, suffered or sustained by the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, or be against, suffered or sustained by other corporations and persons to whom the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, may become liable therefore, except that Contractor shall not indemnify and save harmless the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs arising from or due to the negligence of the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers. The whole, or so much of the moneys due, or to become due the Contractor under the contract, as may be considered necessary by the Director of Purchasing, may be retained by the AACPS until such suits or claims for damages shall have been settled, or otherwise disposed of, and satisfactory evidence to that effect furnished to the Director of Purchasing.

8. CODE OF ETHICS

This solicitation is governed by the Board of Education of Anne Arundel County Vendor Relations Policy DEC and Vendor Relations Administrative Regulation DEC-RA. Also, in accordance with the Board's Ethics and Conflict of Interest Policy BAF, if an AACPS employee has a financial interest in a company, that company may not submit a bid for an AACPS contract.

9. HIRING OF AACPS EMPLOYEES

The Board of Education of Anne Arundel County Policy BAF provides, in part, that an AACPS employee may not own or have a financial interest in an entity that has negotiated or entered into a contract with the School System or Board.

The Board Policy can be found in its entirety at <https://aacpsschools.org/boardpolicies/wp-content/uploads/bsk-pdf-manager/2020/12/FINAL-BAF-Ethics-and-Conflict-of-Interest-2019.pdf>

10. DISPUTES

This contract shall be subject to the provision of the Board of Education of Anne Arundel County Policies and Regulation DEC-RA. Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the contract in accordance with the Director of Purchasing's decision

11. REGULATIONS

The policies established by the Board of Education of Anne Arundel County and administration regulations in effect on the date of execution of this Contract are applicable to this Contract.

12. WAIVER

No provision of these Contract Documents shall be deemed to have been waived unless such waiver is in writing. Any waiver shall extend to the particular case only and only in the manner specified and shall not be construed in any way to be a waiver of any further or other rights in the same or different circumstances.

13. NON-DISCRIMINATION CLAUSE

Anne Arundel County Public Schools prohibits discrimination in matters affecting employment or in providing access to programs on the basis of actual or perceived race, color, religion, national origin, sex, age, marital status, sexual orientation, genetic information, gender identity, or disability.

14. MODIFICATIONS AND AMENDMENTS

Modifications to this Contract may be made only with the written agreement of both parties unless an express unilateral right is identified herein.

15. FORCE MAJEURE

Force Majeure is defined as an occurrence beyond the control of the affected party and not avoidable by reason of diligence. It includes the acts of nature, war, riots, strikes, fire, floods, epidemics, pandemics, or other similar occurrences. If either party is delayed by force majeure, said party shall provide written notification to the other within 48 hours. Delays shall cease as soon as practicable and written notification of same provided. The time of contract completion may be extended by contract modification, for a period of time equal to that delay caused under this condition. AACPS may also consider requests for price increase for raw materials that are directly attributable to the cause of delay. AACPS reserves the right to cancel the contract and/or purchase materials, equipment or services from the best available source during the time of force majeure, and Contractor shall have no recourse against AACPS. Further, except for payment of sums due, neither party shall be liable to the other or deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of force majeure as defined herein.

16. AACPS EQUIPMENT ISSUED TO CONTRACTOR (if applicable)

Contractor shall be responsible for payment for loss or damage to AACPS equipment issued to contract staff as part of their scope of work. AACPS shall invoice Contractor for lost or damaged AACPS equipment, and payment shall be rendered by Contractor within 30 days of invoice.

WaterGardQS[®]

RIO AVAILABLE WITH WATERGARD QS

WaterGardQS is a unique polymer coating for grass seed that is completely biodegradable, nontoxic, odorless and pet-friendly. WaterGardQS seed coating works by capturing, storing and releasing available soil moisture to the seed. As water comes in contact with its insoluble matrix, it expands and encapsulates the seed within a moisture-rich environment.

ESTABLISHMENT Rio should be planted in areas of full sunlight when soil temperatures reach a consistent 65 F (18 C) and are on the rise. Plant 2 to 3 pounds of seed per 1000 square feet (1 to 1.5 kg/100 square meters) in a well-prepared firm seedbed. Cover seed with no more than 1/4 inch (6 mm) of soil. Maintain adequate soil moisture around seed using frequent but light irrigation for optimum germination. Seedlings should emerge in 10 to 14 days. As seedlings develop, decrease frequency of irrigation but increase the amount of water applied. As turf matures, follow recommended turf watering guidelines for your growing region.

MAINTENANCE Rio can be maintained at mowing heights from 0.4 inches (1.3 cm) to 1 inch (5 cm). Applying 3 to 5 pounds of nitrogen per 1000 square feet (1.5 to 2.5 kg/100 square meters) per growing season is adequate. Do not remove over 1/3 of the leaf blade per mowing for healthy turf. More frequent mowing at shorter heights will result in a finer, more dense turf.
