1. Purchases are subject to the Baltimore County Charter and Article 10, Title 2 of the Baltimore County Code, 2003, as amended. Baltimore County will not be responsible for any goods delivered or services rendered unless covered by an official order signed by the Purchasing Agent or his designee. No change, modification, or cancel shall be binding upon Baltimore County unless made in writing by the Purchasing Agent or his designee. The Contractor shall not assign its obligations to perform hereunder in whole or in part without the prior written consent of the Purchasing Agent or his designee.

2. If this Master Agreement, Contract, or Purchase Order is for an amount of $25,000 or less, the County Executive and the County Administrative Officer are not required by the Baltimore County Code to sign. Accordingly, any such Master Agreement, Contract or Purchase Order that is for $25,000 or less shall be signed by the Director of the Office of Budget and Finance or his designee as allowed for in the County Code.

3. The County’s Solicitation, Request for Proposal, or Request for Bid, as applicable, shall be incorporated herein in its entirety.

4. The Contractor may not and shall not amend or modify the terms and conditions of this Master Agreement, Contract, or Purchase Order, as applicable, unless such amendment or modification is in writing and signed by a legally authorized signatory of the Contractor and the County, and the Baltimore County Office of Law.

5. Invoicing: Invoices must be submitted, in duplicate, to the Office of Budget and Finance, Disbursements Section, Room 148, 400 Washington Avenue, Towson, MD 21204-4655. Invoices must show the vendor’s federal tax identification number (FUTIN) or social security number, its appropriate order number and line number(s) that correspond with the order(s). Cash discount periods will be computed either from the date of delivery and acceptance of the goods ordered, or the date of receipt of correct and proper invoices prepared in accordance with terms of Baltimore County’s order, whichever date is later. Under no circumstances will interest be paid.

6. Incorporation by reference: If this purchase order is the result of a written solicitation, the solicitation and response are hereby incorporated in their entirety.

7. County Council Approval: Prior approval of the Baltimore County Council is required on contracts for services in excess of $25,000 per year or in excess of two years.

8. Fee Prohibition: The contractor warrants and represents that it has not employed or engaged any person or entity to solicit or secure this agreement, and that it has not paid, or agreed to pay any person or entity a fee or any other consideration contingent on the making of this agreement. If any such, claim, or demand shall arise concerning such a fee, the contractor agrees to indemnify, hold harmless, and defend the County from all such claims, suits, or demands.

9. Discrimination Prohibited: In the execution of the obligations and responsibilities hereunder, including, but not limited to, hiring or employment made possible by or relating to this agreement, the Contractor shall not discriminate against any persons because of race, color, religion, sex, age, political affiliation, national origin, marital status, or any other status or characteristic or identity or expression, genetic information, status as a veteran, or disability unrelated to nature and extent so as to reasonably preclude the performance of the employment.

10. Applicable Law: This agreement shall be governed and construed in accordance with the laws and regulations of the State of Maryland and Baltimore County.

11. Any litigation arising out of or relating in any way to this agreement or the performance hereunder shall be brought only in the courts of Maryland, and the Contractor hereby irrevocably consents to such jurisdiction. To the extent that the County is a party to any litigation arising out of or relating in any way to this agreement or the performance hereunder, such an action shall be brought only in a court of competent jurisdiction in the courts of the State of Maryland.

12. Funding Out: If funds are not appropriated or otherwise made available to support continuation of this agreement in any fiscal year, the County shall have the right to terminate the agreement without prior notice to the Contractor and without any obligation or penalty.

13. Material Safety Data Sheet: If products to be provided to the County contain any substances that could be hazardous or injurious to a person’s health, a material safety data sheet (MSDS) must be provided to the Purchasing Division, 400 Washington Avenue, Room 148, Towson, MD 21204-4655. This applies also to any product used by a contractor when providing a service to the County.

14. Recycled and Recyclable Products: The contractor agrees that it will use packaging materials made of non-recyclable Styrofoam (Polystyrene). Additionally, any materials used in packing to cushion, protect, and ship are to be made of recycled, recyclable or biodegradable materials.

15. Copiers, scanners, printers, facsimile equipment and any other office equipment that contain hard drives that have the capability to store data internally, will be required to provide overwite capability with an option to return hard drives to the County for proper disposal at the end of life.

16. Termination for Convenience: The County may terminate this agreement, in whole or in part, without cause, by providing written notice thereof to the contractor. In the event of termination, without cause, the County shall advise the contractor in writing of the termination date and of work to be performed during the final days prior to termination. The Contractor shall be paid for all reasonable expenses incurred by the contractor up to the date of termination set forth in the written notice of termination. The contractor will not be reimbursed for any anticipatory profits, which have not been earned up to the date of termination. Payments to be provided on a lump sum basis shall be prorated by the County based on the services rendered or goods delivered up to the date of termination set forth in the written notice.

17. Termination for Default: In addition to other available rights and remedies, the County shall have the right upon the happening of any default, without providing notice to the contractor: 1) To terminate this agreement immediately, in whole or in part; 2) To suspend the contractor’s authority to receive any undelivered funds; and/or 3) To proceed at any time or from time to time to protect and enforce all rights and remedies available to the County, by suit or any other appropriate proceeding, whether for specific performance or any covenant, term or condition set forth in the contract, or for damages or other relief, or to proceed to take any action authorized or permitted under applicable laws or regulations. Upon termination of this agreement for default, the County may elect to pay the contractor for services provided or goods delivered up to the date of termination, less the amount of damages caused by the default, all as determined by the County in its sole discretion. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder.

18. Indemnification: The contractor shall indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney’s fees and court costs which may be made against the County, its employees, agents or officials by any third party arising from the alleged violation of any other third party’s trade secrets, proprietary information, trademarks, copyrights, patent rights, or intellectual property rights in connection with the agreement.

19. Defense: Unless notified in writing by the County to the contrary, the contractor shall provide defense for the County, its employees, agents and officials in and on as the contractor shall allow the County to participate in any defense of the County, its employees, agents and officials, to the extent and as may be required by the County and the contractor shall cooperate with the County in all regards to said defense. All findings, actions, settlements and pleadings shall be provided to the County for comment and review prior to filing or entering thereof. No finding, action, settlement or pleading shall be filed or entered without the prior consent and approval of the County.

20. Property Lost, Damaged or Destroyed: Any deliveries to be provided by the contractor will remain at the contractor’s risk until accepted by Baltimore County; and the contractor will replace, at the contractor’s expense, all deliveries lost, damaged or destroyed by any cause whatsoever.

1.1 All bids are to be submitted on and in accordance with forms required by the lead jurisdiction, which are available at the office of the Purchasing Agent.

1.2 All bids must be clearly identified with the solicitation number, title of the solicitation and the due date and time.

1.3 Each bid shall be accompanied by an affidavit regarding price fixing, gratuities, bribery, and discriminatory employment practices. If the bidder is a business entity, a duly and legally authorized representative of the business entity shall execute the affidavit. The Purchasing Agent will provide the affidavit to bidders.

1.4 Bids must be typed or written and signed in ink, unless the solicitation is bid electronically, in which case an electronic signature is acceptable. Erasures or alterations must be initialed in ink, unless the solicitation is bid electronically, in which case electronic initials are acceptable. A duly and legally authorized representative of the business entity shall sign all bids in ink (or in the case of electronic solicitation, digitally). All bids shall be delivered sealed to the Purchasing Agent, no later than the time and date indicated herein. Bids received after the time or date indicated will not be considered.

1.5 Additional information or clarifications of any of the instructions or information contained herein may be obtained from the Purchasing Agent.

1.6 Any bidder who finds a discrepancy in or omission from the specifications, or who is in doubt as to their meaning or feels that the specifications are discriminatory, shall notify the Purchasing Agent in writing not less than 10 calendar days before the scheduled opening of bids. Discrepancies or exceptions taken do not obligate the Purchasing Agent to change or supplement the specifications. The Purchasing Agent will notify all bidders in writing, by addendum duly issued, of any interpretations of specifications or instructions that are made.

1.7 Unless a written discrepancy, change, supplement, or exception to the specifications is noted on the bid detailing nonconformance, any part number, or product number, etc. noted on the bid will be considered in full compliance with the specifications. Submission of a bid in response to this solicitation evidences the bidder's acceptance of the terms and conditions herein.

1.8 All official correspondence in regard to the specifications shall be directed to and/or will be issued in writing by the Purchasing Agent. Oral instructions or suggestions are not binding upon the Purchasing Agent or BRCPC.

1.9 The Purchasing Agent will notify bidders of any changes, additions or deletions to the specifications by written addenda posted on the lead agency's web site at www.baltimorecountymd.gov/purchasing. Addenda to solicitations are sometimes issued within as little as 48 hours prior to bid opening. It is each potential bidder's sole responsibility to frequently visit the web site to obtain all addenda.
2. **BID DEPOSIT.**

2.1 A bid deposit may be required when indicated in the solicitation. Failure to submit the bid deposit with the bid, when required, will nullify the bid.

2.2 When required in the solicitation, a certified check, treasurer's check, U.S. Postal Money Order, or a bid bond must accompany each bid.

2.3 Bid deposits will be returned to each unsuccessful bidder upon the award of the solicitation, and to successful bidders upon its execution of the contracts with each participating jurisdiction and the meeting of bond requirements, if applicable.

2.4 Nonperformance by a successful bidder, failure to execute a contract with each participating jurisdiction, or failure to meet bond requirements within the time frame specified in the solicitation or award notification may result in the bid bond being forfeited as liquidated damages.

3. **BASIS FOR AWARD OF CONTRACT.**

3.1 The Purchasing Agent shall award all contracts to the lowest responsible and responsive bidder(s) for competitive sealed bids and based on best value for competitive negotiations as determined in the sole discretion of the Purchasing Agent. Each participating jurisdiction will execute its own contract and issue its own purchase order for their contract. Each participating jurisdiction is responsible for determining that the method of solicitation complies with its procurement laws.

3.2 Any other consideration for the award will be stated in the solicitation.

3.3 Unless otherwise agreed in writing by the Purchasing Agent and the bidder(s) specified, all bids submitted shall be irrevocable for 120 calendar days following bid opening date, unless the bidder(s), upon request of the Purchasing Agent, agree to an extension. No bidder may withdraw its bid during that period.

3.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.

3.5 Bids shall be exclusive of all non-applicable Federal and Maryland state taxes. Tax exemption certificates will be furnished if required.

3.6 Each participating jurisdiction reserves the right to make payments via electronic funds transfers (EFT) or procurement cards for purchases for which those payment methods may be appropriate.

4. **CASH DISCOUNT AND NET PAYMENTS.**

4.1 Cash discounts based on time of payment will not be considered in determining an award, but will be taken by each participating jurisdiction, if applicable, at time of payment.

4.2 Bids requiring payment within less than 30 days from the date of invoice will be rejected.

5. **PERFORMANCE AND PAYMENT BONDS.**

5.1 The successful bidder may be required to give security or bond for the performance of each participating jurisdiction's contract as determined by the Purchasing Agent.
5.2 When bonds are required, a surety licensed to do business in the State of Maryland must issue the bonds for each participating jurisdiction.

6. RESERVATIONS.

6.1 The Purchasing Agent reserves the right to reject any or all bids, in whole or in part, when in his/her reasoned and sole judgment, the public or BRCPC’s interest will be served thereby.

6.2 The Purchasing Agent may waive formalities or technicalities in bids as the interest of the public or BRCPC and its participating jurisdictions may require, providing these differences do not violate the intent of the specifications, materially affect the operation for which the items are being purchased, or increase the price or estimated maintenance and repair cost.

6.3 Unless otherwise provided herein, each participating jurisdiction reserves the right to increase or decrease the quantities to be purchased at the prices bid. The quantity intended to be purchased and the period and/or percentage amount of any such reservation shall be stated in the solicitation and/or in any applicable participating jurisdiction’s contract.

6.4 Unless otherwise provided herein, the Purchasing Agent reserves the right to make award(s) on a lump sum basis, individual item basis, or such combination as shall be in the best interest of the public and/or BRCPC.

6.5 Unless otherwise provided herein, the Purchasing Agent reserves the right to order goods or services from other sources without prejudice to the contract.

7. DELIVERIES.

7.1 Bidders shall guarantee delivery in accordance with any delivery schedule as may be provided in the solicitation and/or in each participating jurisdiction’s contract.

7.2 All deliveries shall be F.O.B. Destination and delivery costs and charges shall be included in the bid price.

7.3 Each participating jurisdiction reserves the right to levy a per diem charge to the successful bidder for each day the goods or services are not delivered in accordance with the delivery schedule. The per diem charge, identified in the solicitation and/or in each participating jurisdiction’s contract, may be invoked at the discretion of the participating jurisdiction and said sum may be taken as liquidated damages and deducted from any compensation due to the successful bidder. Invoking the per diem charge as liquidated damages is not a waiver of the right to any other remedies or damages.

7.4 When practical, the successful bidder must package and ship all products in packaging and containers made of recycled, recyclable or biodegradable materials. Bidders are encouraged to eliminate packaging, or to use the minimum amount necessary for product protection, in order to minimize waste to the greatest extent practicable.

8. COMPETITION.

8.1 The name of any manufacturer, trade name of manufacturer, or vendor catalog number mentioned in the specifications is for the purpose of designating a standard of quantity and type and for no other reason. Minimum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

8.2 A bidder shall offer a price on only one unit. Even though two or more units may meet specifications, Bidders must determine which to offer. Submission by a bidder for more than
one unit shall be sufficient cause for rejection of that specific item in the Purchasing Agent's sole discretion.

8.3 Bids that show any omission, irregularity, alteration of forms, additions not called for, conditional or unconditional unresponsive bids, or bids obviously unbalanced may be rejected in the Purchasing Agent's sole discretion.

8.4 All bids must be accompanied by such descriptive literature as may be called for by the solicitation.

8.5 If goods to be provided or goods to be used by a successful bidder when providing a service contain any ingredients that could be hazardous or injurious to a person's health, a Material Safety Data Sheet (MSDS) must be provided to the Purchasing Agent. This applies also to any goods used by the Successful Bidder when providing a service to the BRCPC.

9. HOLD HARMLESS/INDEMNIFICATION.

20. **NON-WAIVER.**

Any waiver of any breach of covenants herein contained to be kept and performed by the successful bidder shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent any participating jurisdiction from declaring a breach or default for any succeeding breach either of the same condition of covenant or otherwise. No failure or delay by any participating jurisdiction to insist upon the strict performance of any term, condition or covenant of its contract agreement, or to exercise any right, power, or remedy consequent upon a breach thereof, shall constitute a waiver of any such term, condition, or covenant or of any such breach, or preclude the participating jurisdiction from exercising any such right, power, or remedy at any later time or times.

21. **INTEGRATION.**

This solicitation, bid response, and each subsequent participating jurisdiction’s contract with the successful bidder contain the entire understanding between the successful bidder and each applicable participating jurisdiction. Although there is no requirement that the bidder be a minority-owned, women-owned, disabled-owned business or small business, all underutilized businesses are encouraged to respond to this solicitation.

23. **USE OF ILLEGAL IMMIGRANT LABOR.**

The use of illegal immigrant labor is in violation of the law and is strictly prohibited. Contractors and subcontractors must verify employment eligibility of workers in order to assure that they are not violating Federal/State/Local laws regarding illegal immigration.

24. **PUBLIC INFORMATION.**

Bids/proposals will be available for public inspection except to the extent that a bidder designates trade secrets or other proprietary data to be confidential. A bidder’s designation of material as confidential will not necessarily be conclusive, and may be required to provide justification as to why such material should not be disclosed upon request.
1. **TOBACCO PRODUCTS.**

   The use of tobacco products is not permitted on school property. Referencing Code of Maryland Regulations 13A.02.04, the use of tobacco products is not permitted in or on property owned by the Board of Education or the political subdivisions.

2. **CHILD SEX OFFENDER NOTIFICATION.**

   2.1 Maryland law requires certain child sex offenders to register with the local law enforcement agency. One of the purposes of this law, found in Article 27§ 792, is to inform school systems when a child sex offender is residing or working in the area. When the child sex offender registers, the local police are required to notify the Superintendent of Schools, and the Superintendent, in turn, is required to send a notice to school principals.

   2.2 As a successful bidder and/or its agents working for the political subdivisions, shall not employ convicted child sex offenders to work on projects for public schools if they, as a result, are required to perform delivery, installation, repair, construction or any other kind of services on political subdivision property. Further, Maryland Law effective June 22, 2006, requires that any person who enters a contract with a county board of education or a non-public school "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender. A successful bidder and/or its agents who violate this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a $5,000 fine.

   2.3 A successful bidder shall screen their work-forces to ensure that a registered sex offender does not perform work at a school and also ensure that a subcontractor, independent contractor, successful bidder and/or any agents conducts screening of its personnel who may work at a school. The term "work force" is intended to refer to all of the successful bidder’s direct employees, subcontractors, agents, and/or independent contractors it used to perform the work. Violations of this provision may cause a participation jurisdiction to take action against the successful bidder up to and including termination of the contract.

   2.4 To assist you in identifying convicted child sex offenders, the schools have the list of convicted child sex offenders, which successful bidders may view. The schools maintain the list and update the list as new offenders are identified, however, it is solely the responsibility of the successful bidder to comply with this provision.

2. **Term of Contract.**

2.1 The term of this contract shall be for one (1) year from the date of award. Each participating jurisdiction reserves the right to renew this contract for up to four (4) years under the same terms and conditions. 9.1 The County reserves the right to extend all of the terms, conditions, specifications, and unit or other prices of any contract resulting from this bid to any and all public bodies, subdivisions, school districts, community colleges, colleges, and universities including non-public schools. 12.4 Pricing may be from the most current price sheet supplied to the jurisdiction only, no exceptions.
12.5 Under no circumstances will interest or late fees be paid.

Samples furnished must conform exactly to the specifications herein unless otherwise specified by the buyer. Samples furnished with deviations must be clearly marked. When required, samples shall be furnished within seven (7) calendar days upon request. Samples not provided in accordance with the specifications or within the time specified may result in rejection of the bid.

15.2 The successful bidder’s samples may be retained pending delivery, for comparison with products delivered under the contract.

15.3 Samples will not be returned unless the vendor indicates the requirement to do so at the time the sample is furnished, and then only at the vendor’s expense. Failure to arrange for pick up of released samples within thirty (30) calendar days will result in disposal of the samples.

16. INSURANCE.

16.1 The successful vendor will be required to provide verification of insurance coverage in accordance with the attached requirements. The successful vendor will have fifteen (15) calendar days to comply with this requirement, excluding County holidays and non-work days, if applicable.

16.3 In the event the vendor changes their insurance carrier, new verification of insurance coverage must be provided to the County by the new insurance carrier within ten (10) days of the change of policy.

17. ELECTRONIC SUBMITTAL PROCESS.

17.1 The cost of preparing Bids is the responsibility of Bidders.

17.2 To be considered, Bids shall be received by the bid closing date and time to the following e-mail address: bid@baltimorecountymd.gov. The Bid Number should be referenced in the Subject Line of the e-mail. Bids may not be submitted by any
other means. Bids that are mailed or otherwise delivered to the Purchasing Division (including emails which indicate links to locations where the bid may be downloaded) and/or emails sent to any other Baltimore County email address will not be accepted.

17.2.1 **DO NOT CARBON COPY (cc)** the buyer on the bid submission.

17.3 Late Bids will not be considered. Bidders are strongly encouraged not to wait until the last minute to submit bids. The time stated on the auto-receipt (described below) will be definitive of the time of receipt. Bids received after the deadline will not be accepted. Bidders are advised that the County cannot receive email attachments greater in size than twenty-five (25) megabytes and this size limitation may be further reduced by requirements of the Bidder's email provider which are beyond the control of the County. Bidder should consider separating any large bid attachment into multiple parts and emailing each part separately. In such case, Bidder will note that each email is 1 of 2, 2 of 2, etc. Multiple part bids will not be considered unless all parts are received by the bid closing date and time.

17.4 After submitting a Bid to bid@baltimorecountymd.gov, and upon successful receipt by the County thereof, Bidder will receive an auto-receipt email. This receipt is proof that the bid has been received by the Purchasing Division and should be retained for Bidder's records. In the case of a bid submitted in multiple parts as described in 17.3, an auto-receipt email will be generated for each part. The County has no obligation to consider any Bid for which an auto-receipt was not generated.

17.5 As with any system, power outages or technology problems may arise that are outside of the County's control and could affect your submission. The County will not be held accountable for such issues that may delay the transmission of any Bid.

17.6 The County reserves the right to waive minor irregularities in conjunction with Bids.

1.1.3 Society of Automotive Engineers (SAE) #J537 Storage Batteries including reserve capacity (total minutes of 25 amp output at 80 degrees Fahrenheit).

1.1.4 On each battery delivered, top label must be hot stamped with the battery size (BCI group #) and Cold Cranking Amps (CCA), delivery date and warranty period.

1.1.5 Batteries must be delivered fully charged and ready for use.

1.1.6 Whenever applicable, maintenance free batteries shall be provided.

2. CONSIGNMENT OF STOCK.

2.1 The vendor shall consign stock to the agencies of participating jurisdictions as requested. Attached to this solicitation is a list of agencies, locations, and contact persons.

2.2 Each agency reserves the right to increase or decrease the number of stockroom locations during the term of this contract. The types and quantities of batteries stocked at each location are at the sole discretion of each agency.

2.3 The Vendor shall own all stock until the Agency issues it for use. At that time, the title of ownership passes to the participating jurisdiction.

2.4 The Vendor must review each location's storeroom stock levels at a minimum once every two weeks. All stock issued must be replaced and the participating jurisdiction shall be invoiced appropriately. Heavy use locations will need more frequent servicing.

2.5 Low consignment levels that result in emergency requests to the Vendor for additional batteries are to be avoided. Additional trips just prior to bad weather may be required for certain locations.

2.5.1 For example, Highway shops may need additional consignment prior to snowstorms. After the storm event, the stock should be checked again and the consignment reduced to pre-storm levels.

2.5.2 Another example is consignment of lawn equipment batteries. These levels need to be higher during cutting season, and should be reduced to minimal levels during the off-season.
2.6 Any batteries exceeding their shelf life or that have begun to sulfate shall be replaced at no charge to the participating jurisdiction. The shelf life shall not exceed five (5) months for any consignment battery.

2.7 The Vendor shall post a current list of consignment stock at each location, updated each time the consignment stock level changes.

3. **WARRANTY PERIODS.**

3.1 All batteries furnished shall be provided with a six (6) month free replacement warranty which begins from the date the battery is issued from stock.

3.2 An additional 36-month pro-rated warranty (for a total warranty of 42 months) shall be provided for batteries of the industrial and commercial application categories.

3.3 An additional 36-month pro-rated warranty (for a total warranty of 42 months) shall be provided for batteries of the passenger car and light truck category.

3.4 Pro-rated Warranty claims shall be satisfied using the contract purchase price as the initial cost and using a straight-line depreciation schedule.

3.5 Warranty claims shall be satisfied within five (5) working days. The Vendor shall issue a credit to the jurisdiction for the unused warranty period against the jurisdiction's account.

3.6 Battery failure due to damage caused by willful neglect or abuse, destruction by fire, collision, explosion, freezing, or overcharging, or theft of the unit shall not be covered under the warranty.

4. **QUALITY ASSURANCE OF STOREROOM STOCK.**

4.1 At any time during the course of this agreement, the participating agency reserves the right to load test any and all batteries in stock in the storeroom. The load test will be performed by the participating jurisdiction or their chosen representative and/or agent using VAT-40 load test equipment. If over 10% of the stock on hand fails the load test, this will be considered a storeroom failure.

4.2 In the event of a storeroom failure, the jurisdiction will notify the Vendor and the Vendor shall replace the defective batteries within twenty-four (24) hours.

4.3 If the Vendor, at any time during the term of this agreement, accumulates three (3) storeroom failures in any one jurisdiction, the contract for that jurisdiction may be terminated for default.

5. **BATTERY CORES (JUNK BATTERIES).**

5.1 Battery cores shall be batteries that are found to be old and unusable, and includes batteries whose age exceeds that of its applicable warranty period. These batteries shall be of the types covered by this agreement and may be from any source, including those collected at recycling centers and landfills run by the participating jurisdiction.

5.2 The vendor shall be required to pick-up battery cores at the time of battery deliveries at each location, as well as at other designated locations in the jurisdiction (such as landfills and recycling centers).
5.3 The Vendor shall dispose of the battery cores in accordance with all applicable Federal, State, Local, EPA and Department of Transportation regulations.

5.4 All bidders shall bid a price per battery core that they will pay the participating jurisdiction. The Vendor shall submit, on a monthly basis, a report on the number of batteries received from each location and a check made out in the name of the participating jurisdiction in payment for the battery cores pick up that month. A negative or "$0" bid for battery cores will not be accepted and the entire bid will be rejected as non-responsive.

5.5 Lead / acid battery cores only are to be covered under this contract.

6. **BID EVALUATION PROCEDURE.**

6.1 The Vendor is to bid a discount on the price list submitted with the bid.

6.2 If the vendor has established a unique price list for this contract with discounts already applied, submit a bid of 0% discount off price sheet.

6.3 Complete the attached "Current Annual Usage for Bid Evaluation Form", inserting the discounted price under the contract for each battery listed. Note the page number in the price list where that battery can be found. Multiply each unit price bid by the quantity shown for a line total, and total the line totals for a grand total.

6.3.1 Provide an explanation with your bid of any variation from specifications for each item if the CCA on your unit does not meet or exceed the CCA requested. The Buyer reserves the right to substitute batteries from your price sheet that more closely match (meet or exceed) the required specification for bid evaluation purposes.

6.3.2 Bidding any battery more than 5% below the CCA requested will automatically be cause for the Buyer to revise your bid evaluation form.

6.3.3 Battery core unit payment offered should be multiplied by the number of junk cores estimated and this amount deducted from the grand total to obtain the net grand total.

6.3.4 BRCPC reserves the right to correct arithmetic errors on proposal sheets. In any situation where an error is found, the unit price will be accepted as correct, and the extension adjusted as necessary.

6.4 The Award will be made to the three (3) vendors with the lowest net grand total that is both responsive and responsible per the specifications.
