1.3 Each bid shall be accompanied by an affidavit regarding price fixing, gratuities, bribery, and discriminatory employment practices. If the bidder is a business entity, a duly and legally authorized representative of the business entity shall execute the affidavit. The Purchasing Agent will provide the affidavit to bidders.

1.4 Bids must be typed or written and signed in ink, unless the solicitation is bid electronically, in which case an electronic signature is acceptable. Erasures or alterations must be initialed in ink, unless the solicitation is bid electronically, in which case electronic initials are acceptable. A duly and legally authorized representative of the business entity shall sign all bids in ink (or in the case of electronic solicitation, digitally). All bids shall be delivered sealed to the Purchasing Agent, no later than the time and date indicated herein. Bids received after the time or date indicated will not be considered.

1.5 Additional information or clarifications of any of the instructions or information contained herein may be obtained from the Purchasing Agent.

1.6 Any bidder who finds a discrepancy in or omission from the specifications, or who is in doubt as to their meaning or feels that the specifications are discriminatory, shall notify the Purchasing Agent in writing not less than 10 calendar days before the scheduled opening of bids. Discrepancies or exceptions taken do not obligate the Purchasing Agent to change or supplement the specifications. The Purchasing Agent will notify all bidders in writing, by addendum duly issued, of any interpretations of specifications or instructions that are made.

1.7 Unless a written discrepancy, change, supplement, or exception to the specifications is noted on the bid detailing nonconformance, any part number, or product number, etc. noted on the bid will be considered in full compliance with the specifications. Submission of a bid in response to this solicitation evidences the bidder’s acceptance of the terms and conditions herein.

1.8 All official correspondence in regard to the specifications shall be directed to and/or will be issued in writing by the Purchasing Agent. Oral instructions or suggestions are not binding upon the Purchasing Agent or BRCPC.

1.9 The Purchasing Agent will notify bidders of any changes, additions or deletions to the specifications by written addenda posted on the lead agency’s web site at www._______________. Addenda to solicitations are sometimes issued within as little as 48 hours prior to bid opening. It is each potential bidder’s sole responsibility to frequently visit the web site to obtain all addenda.
2. **BID DEPOSIT**

2.1 A bid deposit may be required when indicated in the solicitation. Failure to submit the bid deposit with the bid, when required, will nullify the bid.

2.2 When required in the solicitation, a certified check, treasurer's check, U.S. Postal Money Order, or a bid bond must accompany each bid.

2.3 Bid deposits will be returned to each unsuccessful bidder upon the award of the solicitation, and to successful bidders upon its execution of the contracts with each participation jurisdiction and the meeting of bond requirements, if applicable.

2.4 Nonperformance by a successful bidder, failure to execute a contract with each participation jurisdiction, or failure to meet bond requirements within the time frame specified in the solicitation or award notification may result in the bid bond being forfeited as liquidated damages.

3. **BASIS FOR AWARD OF CONTRACT**

3.1 The Purchasing Agent shall award all contracts to the lowest responsible and responsive bidder(s) for competitive sealed bids and based on best value for competitive negotiations as determined in the sole discretion of the Purchasing Agent. Each participating jurisdiction will execute its own contract and issue its own purchase order for their contract. Each participating jurisdiction is responsible for determining that the method of solicitation complies with its procurement laws.

3.2 Any other consideration for the award will be stated in the solicitation.

3.3 Unless otherwise agreed in writing by the Purchasing Agent and the bidder(s) specified, all bids submitted shall be irrevocable for 120 calendar days following bid opening date, unless the bidder(s), upon request of the Purchasing Agent, agree to an extension. No bidder may withdraw its bid during that period.

3.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.

3.5 Bids shall be exclusive of all non-applicable Federal and Maryland state taxes. Tax exemption certificates will be furnished if required.

3.6 Each participating jurisdiction reserves the right to make payments via electronic funds transfers (EFT) or procurement cards for purchases for which those payment methods may be appropriate.

4. **CASH DISCOUNT AND NET PAYMENTS**

4.1 Cash discounts based on time of payment will not be considered in determining an award, but will be taken by each participating jurisdiction, if applicable, at time of payment.

4.2 Bids requiring payment within less than 30 days from the date of invoice will be rejected.

5. **PERFORMANCE AND PAYMENT BONDS**

5.1 The successful bidder may be required to give security or bond for the performance of each participating jurisdiction’s contract as determined by the Purchasing Agent.
5.2 When bonds are required, a surety licensed to do business in the State of Maryland must issue the bonds for each participating jurisdiction.

6. RESERVATIONS

6.1 The Purchasing Agent reserves the right to reject any or all bids, in whole or in part, when in his/her reasoned and sole judgment, the public or BRCPC’s interest will be served thereby.

6.2 The Purchasing Agent may waive formalities or technicalities in bids as the interest of the public or BRCPC and its participating jurisdictions may require, providing these differences do not violate the intent of the specifications, materially affect the operation for which the items are being purchased, or increase the price or estimated maintenance and repair cost.

6.3 Unless otherwise provided herein, each participating jurisdiction reserves the right to increase or decrease the quantities to be purchased at the prices bid. The quantity intended to be purchased and the period and/or percentage amount of any such reservation shall be stated in the solicitation and/or in any applicable participating jurisdiction’s contract.

6.4 Unless otherwise provided herein, the Purchasing Agent reserves the right to make award(s) on a lump sum basis, individual item basis, or such combination as shall be in the best interest of the public and/or BRCPC.

6.5 Unless otherwise provided herein, the Purchasing Agent reserves the right to order goods or services from other sources without prejudice to the contract.

7. DELIVERIES

7.1 Bidders shall guarantee delivery in accordance with any delivery schedule as may be provided in the solicitation and/or in each participating jurisdiction’s contract.

7.2 All deliveries shall be F.O.B. Destination and delivery costs and charges shall be included in the bid price.

7.3 Each participating jurisdiction reserves the right to levy a per diem charge to the successful bidder for each day the goods or services are not delivered in accordance with the delivery schedule. The per diem charge, identified in the solicitation and/or in each participating jurisdiction’s contract, may be invoked at the discretion of the participating jurisdiction and said sum may be taken as liquidated damages and deducted from any compensation due to the successful bidder. Invoking the per diem charge as liquidated damages is not a waiver of the right to any other remedies or damages.

7.4 When practical, the successful bidder must package and ship all products in packaging and containers made of recycled, recyclable or biodegradable materials. Bidders are encouraged to eliminate packaging, or to use the minimum amount necessary for product protection, in order to minimize waste to the greatest extent practicable.

8. COMPETITION

8.1 The name of any manufacturer, trade name of manufacturer, or vendor catalog number mentioned in the specifications is for the purpose of designating a standard of quantity and type and for no other reason. Minimum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

8.2 A bidder shall offer a price on only one unit. Even though two or more units may meet specifications, Bidders must determine which to offer. Submission by a bidder for more than
one unit shall be sufficient cause for rejection of that specific item in the Purchasing Agent’s sole discretion.

8.3 Bids that show any omission, irregularity, alteration of forms, additions not called for, conditional or unconditional unresponsive bids, or bids obviously unbalanced may be rejected in the Purchasing Agent’s sole discretion.

8.4 All bids must be accompanied by such descriptive literature as may be called for by the solicitation.

8.5 If goods to be provided or goods to be used by a successful bidder when providing a service contain any ingredients that could be hazardous or injurious to a person’s health, a Material Safety Data Sheet (MSDS) must be provided to the Purchasing Agent. This applies also to any goods used by the Successful Bidder when providing a service to the BRCPC.

The successful bidder shall allow each participating jurisdiction to participate in the defense of the participating jurisdiction, its employees, agents and officials, to the extent and as may be required by the participating jurisdiction, and the successful bidder shall cooperate with the applicable participating jurisdiction in all aspects in connection therewith.

10. INSURANCE

10.1 The successful bidder shall, at all times during the term of each participating jurisdiction’s contract, maintain and keep in force such insurance as Workmen’s Compensation, Liability, and Property Damage as will protect the successful bidder from claims under Workmen’s Compensation Acts and also such insurance as will protect the successful bidder and the participating jurisdictions from any other claims for damages for person injury, including death, as well as from claims for damages to any property of each participating jurisdiction or of the public, which may arise from operations under this solicitation and each participating jurisdictions’ contract, whether such operations are by the successful bidder or any subcontractor or any agent directly or indirectly employed by any of them.

10.2 Refer to the specifications for detailed insurance requirements. [Or insert the lead jurisdiction’s requirements here]

Prior to award, in case of disputes, the decision of the Purchasing Agent shall be final and binding. The Purchasing Agent may request, in writing, the recommendation of participating jurisdictions or other objective source. The participating jurisdiction shall pay all reasonable costs incurred by the successful bidder up to the date of termination in connection with that participating jurisdiction’s contract only. The successful bidder will not be reimbursed for any anticipatory profits, which have not been earned up to the date of termination by any participating jurisdiction or BRCPC. The BRCPC will be promptly notified in writing of any termination hereunder by the applicable participating jurisdiction.

12.2  **Termination for Default:** When the successful bidder has not performed or has unsatisfactorily performed under the contract of any participating jurisdiction, the participating jurisdiction may terminate its contract for default and the successful bidder is entitled to any reasonable costs incurred by the successful bidder up to the date of termination. The successful bidder will not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. The BRCPC will be promptly notified in writing of this termination by the applicable participating jurisdiction.

13.  **PATENT INFRINGEMENT**

The successful bidder agrees to indemnify, protect, defend and save harmless each participating jurisdiction, its officers, agents, and employees with respect to any claim, action, cost (including, but not limited to, attorney’s fees), or judgment for patent, copyright, or trademark infringement, or any other claim related to intellectual property or proprietary information arising out of purchase or use of goods or services or from any of the successful bidder’s duties or obligations covered by the solicitation or any participating jurisdiction’s contract. The successful bidder shall allow each participating jurisdiction to participate in the defense of the participating jurisdiction, its employees, agents and officials, to the extent and as may be required by the participation jurisdiction, and the successful bidder shall cooperate with the applicable participating jurisdiction in all aspects in connection therewith.

Adopted by the Baltimore Regional Cooperative Purchasing Committee 11/12/09
18. **AVAILABILITY OF FUNDS**

The contractual obligation of each participating jurisdiction under its respective contract is contingent upon appropriation of funds by the governing body of the applicable jurisdiction from which payment shall be made.

19. **GOVERNING LAW**

19.1 This solicitation shall be governed by and construed in accordance with the laws of the State of Maryland without regard to any choice of law principles that would dictate the laws of any other jurisdiction. The exclusive venue for any and all actions related to this solicitation hereto shall be the appropriate Federal or State court located within the State of Maryland.

19.2 The laws of Maryland shall govern the resolution of any issue arising in connection with each participating jurisdiction’s contract, including, but not limited to, all questions on the validity of each such contract, the capacity of the parties to enter therein, any modification or amendment thereto, and the rights and obligations of the parties thereunder.

20. **NON-WAIVER**

Any waiver of any breach of covenants herein contained to be kept and performed by the successful bidder shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent any participating jurisdiction from declaring a breach or default for any succeeding breach either of the same condition of covenant or otherwise. No failure or delay by any participating jurisdiction to insist upon the strict performance of any term, condition or covenant of its contract agreement, or to exercise any right, power, or remedy consequent upon a breach thereof, shall constitute a waiver of any such term, condition, or covenant or of any such breach, or preclude the participating jurisdiction from exercising any such right, power, or remedy at any later time or times.

21. **INTEGRATION**

This solicitation, bid response, and each subsequent participating jurisdiction’s contract with the successful bidder contain the entire understanding between the successful bidder and each applicable participating jurisdiction. A bidder’s designation of material as confidential will not necessarily be conclusive, and may be required to provide justification as to why such material should not be disclosed upon request.
GENERAL TERMS AND CONDITIONS APPLICABLE TO
STATE OF MARYLAND, BOARDS OF EDUCATION

1. **TOBACCO PRODUCTS**

   The use of tobacco products is not permitted on school property. Referencing Code of Maryland Regulations 13A.02.04, the use of tobacco products is not permitted in or on property owned by the Board of Education or the political subdivisions.

2. **CHILD SEX OFFENDER NOTIFICATION**

   2.1 Maryland law requires certain child sex offenders to register with the local law enforcement agency. One of the purposes of this law, found in Article 27§ 792, is to inform school systems when a child sex offender is residing or working in the area. When the child sex offender registers, the local police are required to notify the Superintendent of Schools, and the Superintendent, in turn, is required to send a notice to school principals.

   2.2 As a successful bidder and/or its agents working for the political subdivisions, shall not employ convicted child sex offenders to work on projects for public schools if they, as a result, are required to perform delivery, installation, repair, construction or any other kind of services on political subdivision property. Further, Maryland Law effective June 22, 2006, requires that any person who enters a contract with a county board of education or a non-public school "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender. A successful bidder and/or its agents who violate this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a $5,000 fine.

   2.3 A successful bidder shall screen their work-forces to ensure that a registered sex offender does not perform work at a school and also ensure that a subcontractor, independent contractor, successful bidder and/or any agents conducts screening of its personnel who may work at a school. The term "work force" is intended to refer to all of the successful bidder's direct employees, subcontractors, agents, and/or independent contractors it used to perform the work. Violations of this provision may cause a participation jurisdiction to take action against the successful bidder up to and including termination of the contract.

   2.4 To assist you in identifying convicted child sex offenders, the schools have the list of convicted child sex offenders, which successful bidders may view. The schools maintain the list and update the list as new offenders are identified, however, it is solely the responsibility of the successful bidder to comply with this provision.

3.2 Notwithstanding any other terms or provisions of the contract, in the event the County is temporarily or permanently prevented, restricted or delayed in the performance of any or all of the duties and obligations imposed upon or assumed by it thereunder, by act of the General Assembly of Maryland or the Baltimore County Council, by a court of competent jurisdiction or by administrative delay not due to the fault of the County (and its members and agents) shall not be liable directly or indirectly for any claims caused to or suffered by the Contractor or any other person in connection with or as a result of such prevention, restriction or delay.

3.3 The County further reserves the right to make such investigation as it deems necessary to determine the ability of bidders to furnish the required services, and bidders shall furnish all such information for this purpose as the County may request. The County also reserves the right to reject the proposal of any bidder who is not currently in a position to perform the contract, or who has previously failed to perform similar contracts properly, or in a manner acceptable to the County, all of which shall be in the County’s sole discretion.

4. Competition

4.1 Specifications are based on County needs and uses, estimated costs of operations and maintenance, and other significant and/or limiting factors to meet County requirements, and to ensure consistency with County policies. Minimum specifications, and maximum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

4.2 Unless multiple or alternate bids are requested in the solicitation, these bids may not be accepted. However, if a bidder clearly indicates a base bid, it shall be considered for award as though it were the only bid submitted by the bidder.

6. 7.2 Bidders desiring to appeal a decision of the Purchasing Division must deliver written protests to the Purchasing Division within 10 days of notification of award. The Purchasing Agent or designee will review the protested decision, examine any additional information provided by the bidder and respond in writing within 10 working days of receipt of written protests.

7.3 Instructions, Specifications, and Proposals are issued, and all bids, quotations, orders, and purchases are made pursuant and subject to the provisions of the Baltimore County Charter, and Article 10, Title 2 of the Baltimore County Code, 2003, as amended, and regulations and policies established or prescribed by the Purchasing Division.

   • A MBE/WBE Disclosure and Participation Statement (Form C) completed and signed by the prime contractor and MBE/WBE for each MBE/WBE listed on the Form.

4. If the bidder's proposed MBE/WBE participation does not meet the MBE/WBE contract requirements, information sufficient to demonstrate that the bidder has made every effort to meet the requirements must be submitted. (See DETERMINATION OF BID RESPONSIVENESS hereafter)

2. Documentation of all correspondence, contacts, telephone calls, etc., to obtain MBE/WBE services for the contract.

3. All prime contractors and MBE/WBE sub-contractors are required to report monthly to the County through an online system called PRISM. If the contractor cannot submit his/her report on time, he/she will notify the County MBE/WBE office and request additional time to submit the report. The County in its sole discretion and/or upon written request may require additional reports regarding MBE/WBE.

Retaining Records: All MBE/WBE records must be retained for 3 years following the expiration or any earlier termination of the contract and shall be available for inspection and photocopying by the County.

Investigation and Notification: Whenever the County believes the bidder, contractor, or any subcontractor may not be operating in compliance with the MBE/WBE requirements, the County may, in its sole discretion, conduct an investigation. DETERMINATION OF BID RESPONSIVENESS

Request for Deviation: If the bidder is unable to procure from MBE/WBE's (by subcontract or otherwise), supplies and services, any combined value of which equals the required percentage of the total value of the contract, the bidder shall request, in writing, a deviation or waiver of the contract requirements. To obtain such a waiver, the bidder must submit the following information at the time bids are due:

The request for waiver request shall include (1) a signed unavailability statement (Form D) executed by all MBEs and WBEs that the bidder solicited for participation and (2) Outreach Efforts/Compliance Statement (Form E) that demonstrates the bidder’s good faith efforts to comply with the contract requirements, including copies of solicitation documentation to all potential subcontractors:

Emails, letters, facsimile transmittals and confirmations containing plans, specifications, and anticipated time schedule for portions of the work to be performed and meeting notes and agendas clearly identifying the certified MBE or WBE classification and dates that the bidder contacted each MBE/WBE; and
Telephone logs containing names, addresses, dates, telephone numbers, work to be performed, anticipated time schedule and classification of certified MBEs and WBEs contacted.

**Bid Rejection/Liquidated Damages/Contract Breach:** For Purchasing contracts, the apparent low bidder's failure to provide a responsive MBE/WBE Plan as required by the solicitation may result in the bidder being deemed non-responsive and the County's rejection of the bid. FOR DPW CONTRACTS, (a) THE SOLICITATION, INCLUDING BUT NOT LIMITED TO THIS MBE/WBE PARTICIPATION SUMMARY AND ALL RELATED COUNTY MBE/WBE DOCUMENTS, AND (b) THE BID RESPONSE SHALL COLLECTIVELY OVERRIDE, CONTROL AND GOVERN OVER Section GP 7.29 of the February 2000 Baltimore County Department of Public Works’ Standard Specifications for Construction and Materials. For DPW contracts, the apparent low bidder's failure to provide a responsive MBE/WBE Plan in the bidder's response as required by (a) described above, may result in the Director of the Department of Public Works' determination that the bid is non-responsive and recommendation to reject the bid as non-responsive despite the bidder being the apparent low bidder. For DPW contracts, if the County awarded the contract to the apparent low bidder who provided a responsive MBE/WBE Plan, but, if after said award and before execution of Contract Documents, the apparent low bidder fails to comply with the MBE/WBE Plan as required in (a) and (b) above, such failure may result in the Director of the Department of Public Works’ recommendation to annul the award and forfeiture of the bidder's Proposal Guaranty to the County, not as a penalty, but as liquidated damages sustained. In such case, the County may proceed as it determines to be in its best interest, including but not limited to, the Notice of Award may be made to the next lowest responsive and responsible bidder or the work may be re-advertised.

After execution of each and any applicable County contract, in the event a contractor becomes aware it may or will fail to fulfill the applicable MBE/WBE requirements and/or may or will deviate from the contractor's bid response/contract terms, the contractor shall promptly advise the County of this in writing. Thereafter, the County will determine what action or remedy, if any, is appropriate on a case-by-case, contract by contract, basis. For example, such contractor failure may result in (i) a breach for which the County determines it is appropriate to declare a contract default and thereafter take further action and/or remedy as deemed appropriate by the County in its sole discretion, or (ii) a contract breach upon which the County may elect take no further action if deemed appropriate by the County in its sole discretion, or (iii) if mutually agreeable to the County and the contractor, such revision shall be documented via a contract amendment, executed by legally authorized representatives of the County and the contractor as described below in “Approval Required for Changes”, or (iv) other actions or remedies as deemed appropriate by the County. Each action and/or remedy described above is at the sole discretion of the County.

**Cooperation in Reviews:** The bidder will cooperate with the County in any reviews of the contractor's procedures and practices with respect to MBE or WBE firms, which the County may from time to time conduct in its sole discretion.

**Approval Required for Changes:** Any and all changes to the contractor's use of MBE/WBE subcontractors during the contract term must be mutually agreeable to the County and the contractor and shall be documented via a contract amendment, executed by legally authorized representatives of the County and the contractor.

**Other:** If the documents used to determine the contractor’s efforts, achievement of, and/or the status of an MBE/WBE requirement or fulfillment thereof contain false, misleading or misrepresenting information, the contractor may be declared in breach of the contract and/or the County may take any and all actions and/or remedies available to the County under the contract, at law, or in equity. If an MBE/WBE is disqualified by any public entity, including but not limited to, Baltimore City, the State or MDOT, at any time after award or during the term of the contract, the County may, in its sole discretion, take any action or no action, as deemed appropriate by the County, including but not limited to, review of each situation on a case-by-case basis, require the prime contractor to promptly submit for County approval, the contractor’s plans for fulfilling the required MBE/WBE participation under the contract, and/or request such detail and additional information as the County, in its discretion deems appropriate.

   9.1 **CODES**

   9.1.1 All materials and work shall comply with the requirements of the following codes and regulations (latest editions):

   - All Baltimore County Codes and Regulations

9.2 It shall be the sole responsibility of the Contractor performing services for this contract to safeguard their own materials, tools, and equipment. Each County shall not assume any responsibility for vandalism and/or theft of materials, tools, and/or equipment.

9.3 All work shall be done in a safe manner and comply with all governing regulations concerning safety. This shall include, but not be limited to OSHA, MOSHA, etc. Adequate barricades shall be erected and maintained all around areas where equipment and materials are stored and used. All work being performed for and/or on County property shall fully conform to all local, state, and Federal safety regulations.
9.4 The Contractor shall obtain the permission of the County representative regarding any needed storage of materials and equipment. Such storage shall be done in such a manner as not to interfere with the building schedule. Contractor shall be held responsible for any and all accidents caused by negligence from this source. The County institution does not accept responsibility for losses of material or equipment regardless of approval to store in any of the County’s facilities or grounds.

9.5 The Contractor must physically report to the work site within twenty-four (24) hours of written or verbal notification by the PMDM, or the authorized representative to complete a written or verbal quotation of the work to be performed. If the PMDM, or the authorized representative tells the Contractor that the work to be performed is an emergency, the Contractor must physically report to the site within two (2) hours and phone in a quotation to the PMDM, or the authorized representative.

9.6 When the Contractor visits the work site, they shall submit a written quotation based on the contract pricing. Included in the quote shall be estimated labor, equipment, and material cost, brief description of repair to be done, and the work location. The PMDM, or the authorized representative, shall stipulate whether the Contractor will quote prices for regular time, overtime, or a combination thereof. The PMDM, or the authorized representative, will inform the Contractor to perform the work during normal working hours or a combination of normal and after work hours. The Contractor shall only work overtime when specifically told to do so. Final dimensions shall be determined at the site by the Contractor prior to the construction or repair. All dimensions for fitting and final sizing are his responsibility. The PMDM, or the authorized representative shall determine what skill levels of workers and how many of each level shall work on any job under this agreement. The PMDM, or the authorized representative, shall indicate the types and quantities of materials incorporated in the work and shall approve all sources of supply. The Contractors shall itemize each type of material on their estimate, listing the quantity unit price, and extended price. The total mark-up shall be listed separately. If the PMDM, or the authorized representative, in his/her sole judgment, suspects that the price for any itemized material is unreasonably high, the source of supply will be rejected. The Contractor must provide two other quotes for the material in question. If the lowest price for all three quotes is still too high, the PMDM, or the authorized representative in his/her sole judgment, may elect to rescupe the job, choosing other materials and methods to accomplish the same task. All materials incorporated in the work must be approved by the PMDM, or the authorized representative, prior to use on each job. Materials incorporated in the work that have not received prior approval by the PMDM, or the authorized representative, shall be at the Contractor’s expense and not paid for by Baltimore County. When the Contractor visits the work site, they shall submit a written quotation based on the contract pricing. For emergency work, the Contractor shall phone in the estimate. Included in the quote shall be estimated labor, equipment, and material cost, brief description of repair to be done, and the work location. For regular work, mail, fax, or e-mail the estimate to the PMDM, or his authorized representative. Design drawings are to be submitted to the PMDM, or his authorized representatives prior to beginning installation.

When approved, the Contractor will be given a verbal Notice To Proceed or a contract release order by the PMDM, or the authorized representative. Each verbal Notice To Proceed shall be confirmed by faxed written request or a contract release order. When emergencies occur, the Contractor shall call in the price quotation to the PMDM, or the authorized representative, who, in turn, shall give the Contractor the verbal Notice To Proceed. The Contractor shall commence emergency work immediately.
9.7 For all non-emergency work, once the Contractor has received the verbal Notice To Proceed or sub-order purchase order, the Contractor has ten (10) calendar days to mobilize at the job site and begin work.

9.8 The Contractors cannot subcontract all or any portion of the work assigned under this agreement, except for the purpose of achieving MBE/WBE subcontracting. All work must be performed by the Contractors’ work forces. The only exception to this requirement is for work not within the trade contracted by this agreement (i.e. electrical services, etc.). For services outside of the contracted trade, subcontracting is allowed and the Contractors must bind the subcontractors by the same terms, conditions, responsibilities, and obligations assumed by said Contractors to the County. The County shall reimburse the Contractors for their costs for the subcontractor’s labor and material. No additional mark-ups (i.e. overhead and profit) or charges will be allowed. If the PMDM, or the authorized representative, in his/her sole judgment, suspects that the price for any subcontractor’s services is unreasonably high, the subcontractor will be rejected. The Contractor must provide two other quotes for the subcontracted services in question. If the lowest price for all three quotes is still too high, the PMDM, or the authorized representative, in his/her sole judgment, may elect to rescope the job, choosing other means and methods to accomplish the same task.

9.9 The Contractor shall not charge the County for travel time to and from the work site or workers' lunch breaks. The County shall pay only for actual work time on the job. The Contractor shall; come prepared to the job site with the correct materials and parts needed for the work. If the Contractor finds that they need materials or parts not anticipated in the original scope of work, they may use work time to go to the closest supply house to pick up that part or material. Only a maximum of one (1) man hour can be charged per day for such activity, if approved by the County on that day.

9.10 The Contractors' invoice shall clearly state actual hours worked at labor rates quoted, actual cost of materials, thereof, a complete description of work performed, location, and date. Accompanying their invoices the Contractors must also include copies of their manufacturer's/vendor's invoices for material used thereby providing verification of actual material costs and copies of all daily work orders listing each skill level of labor and their individual hours worked. The original work orders must be two-copied and must be signed by the County contact person at the job site. One copy should be given to that contact person and one retained for the Contractor's files. The Contractor's mechanics shall sign-in and sign-out on their work orders showing actual time of signing. All materials shall be listed on the work order. In most cases, each County will provide the Contractor with blank work order forms at each job site. At any work sites where the County does not supply the blank work order forms, the Contractor must provide these work order forms.

9.11 **As-Built Drawings** are to be submitted to the PMDM, or his authorized representative, after installation is complete and prior to invoicing the County.

9.12 If the Contractor foresees that he/she is going to exceed the original estimate, he/she must notify the PMDM, or his authorized representative, for approval in order to proceed on the additional work. The County shall not pay for additional work if the Contractor performs the work without the County's approval.

10. **TEMPORARY SUSPENSION OF WORK.** During the progress of any work, the Contractor may suspend work via written permission of the PMDM, or the designated representative, wholly or in part, for such period or periods as the PMDM may deem necessary, due to unsuitable weather, or
such other conditions as are considered unfavorable for the suitable prosecution of the work. If it should become necessary to stop work for an indefinite period, the Contractor shall store all materials in such manner that they will not obstruct or impede the public unnecessarily, nor become damaged in any way, and they shall take every precaution to prevent damage or deterioration of the work performed. When conditions warrant resumption of work on the project, the Contractor shall notify the PMDM, or the designated representative, twenty-four (24) hours in advance and shall proceed with the work only when and if authority is granted by the PMDM, or the designated representative. Any work performed without approval by the PMDM, or the designated representative, will be at the Contractor’s risk, and he shall be held liable for removal of any such work.
