bankruptcy, merger or consolidation where the surviving entity will be unwilling or unable to accept the Contractor's obligations hereunder, to enable the County to procure the goods or services elsewhere. In the event the cost of procuring such alternate goods or services increases the cost to the County, and/or delays delivery time of any product, in addition to any other remedies available to the County, the Contractor shall pay to the County, as damages, any additional costs incurred.

12.2 Nothing herein shall be construed to create any personal or individual liability upon any employee, officer or elected official of the County, nor shall this Agreement be construed to create any rights hereunder in any person or entity other than the parties of this Agreement.

The Contractor shall not be responsible for acts of gross negligence or willful misconduct committed by the County.

14.2 The Contractor shall also defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney fees which may be made against the County, its employees, agents or officials by any third party arising from the alleged violation of any third party's trade secrets, proprietary information, trademark, copyright, patent rights, or intellectual property rights in connection with the Contractor's work under this Agreement.

14.3 Unless notified by the County in writing to the contrary, Contractor shall provide defense for County, its employees, agents and officials in accordance with this Article 14. Contractor shall allow County to participate in said defense of County, its employees, agents and officials, to the extent and as may be required by the County and the Contractor shall cooperate with County in all aspects in connection therewith.

If any suit, claim, or demand shall arise concerning such a fee, the Contractor agrees to indemnify and hold harmless the County,
from all such claims, suits or demands.

18. **Governing Law.** This Agreement shall be governed and construed in accordance with the laws of the State of Maryland and Baltimore County, Maryland.

19.2 In the event of a conflict between the Bid (including standard specifications) and this Agreement, the provisions of this Agreement (without the conflicting terms in the Bid) shall prevail.

19.3 If a conflict arises between the provisions of this Agreement and any Purchase Order, the provisions of this Agreement shall prevail.

20. **Severability.** If any of the provisions in this Agreement are declared by a court or other lawful authority to be unenforceable or invalid for any reason, the remaining provisions hereof shall not be affected thereby and shall remain enforceable to the full extent permitted by law.

21. **Time is of the Essence.** TIME IS OF THE ESSENCE WITH RESPECT TO PERFORMANCE OF THE TERMS AND CONDITIONS OF THIS AGREEMENT.

BALTIMORE COUNTY, MARYLAND
General Instructions for Solicitations

1. Instructions, Forms and Specifications

1.1 All bids/proposals are to be submitted on and in accordance with the forms provided by the Purchasing Division. All bids must be submitted in a sealed envelope or carton as appropriate. All bids must be clearly identified on the front of the envelope or top of the carton with the SOLICITATION NUMBER and the DUE DATE and TIME. Bid times are either Eastern Standard Time or Eastern Daylight Time, whichever prevails. Late bids will not be considered.

1.2 Responses to Requests for Bids and Requests for Proposals shall be accompanied by an executed Procurement Affidavit, as provided by the Purchasing Division. This does not apply to Requests for Quotations.

1.3 Amendments to solicitations often occur prior to bid opening and sometimes within hours prior to bid opening. All bidders are responsible for frequently visiting the Purchasing web site to obtain amendments once they have downloaded a solicitation.

1.4 Additional information or clarification of any of the instructions or information contained herein may be obtained from the Purchasing Division. The County assumes no responsibility for oral instructions or suggestions. All official correspondence in regard to this solicitation must be directed to, and will be issued by, the Purchasing Division.

1.5 Bidders finding any discrepancy in or omission from the specifications, in doubt as to meaning, or asserting that the specifications are discriminatory, shall notify the Purchasing Division in writing at once, but in no case later than five (5) business days prior to the scheduled opening of bids. Exceptions stated do not obligate the County to change the specifications. The Purchasing Division will notify all bidders in writing, by amendment duly issued, of any substantive revisions to specifications or instructions.

1.6 Unless a written exception detailing non-conformance to specifications is noted on the bid, any part number, product number, catalog number, etc., noted on the bid will be considered in full compliance with the specifications.

1.7 Submission of a bid in response to this solicitation evidences the bidder’s acceptance of these General Instructions and the terms and conditions of the solicitation. Submission of a bid evidences bidder’s representation and warranty that the person submitting the bid response is authorized to act for and bind the contractor.

1.8 All original and duplicate bids/proposals and other attachments, related documents and correspondence, including all follow-up documents and correspondence, shall be typed or written in English. All prices/percentages and/or other monetary figures shall be in United States dollars.

1.9 Requests for Bids and Requests for Proposals should be accompanied by an electronic version (Compact Disc) of the bid proposal in PDF format. It shall be the bidder’s responsibility to verify that the electronic version is complete. The electronic version of the non-successful proposal response will be the only version retained by Baltimore County. The Compact Disc must be labeled with the bid number, the bid title, and the bidder’s name submitting the response. All bids must be submitted in a sealed envelope or carton as appropriate. This does not apply to Requests for Quotation.

1.10 Issuing Officer: The sole point of contact for the County for purposes of this solicitation is the Buyer, listed on the cover page; questions regarding any aspect of the competitive process must be directed to the Buyer, in writing.

2. Award of Solicitations

2.1 Any award pursuant to Requests for Quotation and Requests for Bid is made to the lowest responsive and responsible bidder following the public opening of bids under Section 10-2-406 of the Baltimore County Code, 2003, as amended.

2.2 Awards on Requests for Quotations and Requests for Bid will be made within sixty (60) days after bid opening unless otherwise indicated in this solicitation. No bidder will be allowed to withdraw a bid during that period.

2.3 The successful bidder may be required to give security or bond, as stated in the bid document, for performance of the contract.

2.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.

2.5 Cash discounts will be considered in determining awards. However, cash discount offers must allow not less than 30 days to be considered in bid evaluation. A bid offering a cash discount in a period of less than 30 days will be evaluated as a bid without a discount offer; however, should that bidder obtain award by consideration of the gross price, the County shall make every effort to obtain the discount. The County will not accept any payment terms with a period of less than 30 days.
2.6 Invoices against resulting order(s) must be submitted, in duplicate, to the Office of Budget and Finance, Disbursements Section, 400 Washington Avenue, Room 148, Towson, Maryland 21204-4565. Invoices must show the vendor's Federal Tax Identification Number or Social Security Number, as appropriate, and order number and line number(s) that correspond with resulting order(s).

2.7 The County will not pay interest charges or other penalties for invoice payments.

2.8 Prices quoted shall be exclusive of all non-applicable Federal and Maryland State taxes. Tax exemption certificate will be furnished if required.

2.9 The County reserves the right to consider making payments via electronic funds transfers (EFT) on contracts for which this payment vehicle may be appropriate.

3. Reservations

3.1 The County reserves the right to reject, in whole or in part, any and all bids received, and to make a whole award, multiple awards, a partial award, or no award, to best serve the public interest.

3.2 The County may waive formalities in bids as the interests of the County may require.

3.3 The County reserves the right to increase or decrease quantities by approximately twenty (20) percent to be purchased at the prices bid.

3.4 The County reserves the right to award solicitations or place orders on a lump sum or individual item basis, or in such combination as to best serve the public interest.

3.5 The County may waive minor differences, irregularities, and technicalities in the specifications, provided they neither violate the specifications intent, materially affect the operation for which the items or services are being purchased, nor increase estimated maintenance and repair costs to the County.

3.6 At any time during normal business hours and as often as the County may deem necessary, the Contractor shall make available to and permit inspection and photocopying, by the County, its employees or agents, of all records, information and documentation of the Contractor related to the subject matter of this contract, including, but not limited to, all contracts, invoices, payroll, and financial audits.

3.7 Notwithstanding any other terms or provisions of the contract, in the event the County is temporarily or permanently prevented, restricted or delayed in the performance of any or all of the duties and obligations imposed upon or assumed by it thereunder, by act of the General Assembly of Maryland or the Baltimore County Council, by a court of competent jurisdiction or by administrative delay not due to the fault of the County (and its members and agents) shall not be liable directly or indirectly for any claims caused to or suffered by the Contractor or any other person in connection with or as a result of such prevention, restriction or delay.

3.8 The County further reserves the right to make such investigation as it deems necessary to determine the ability of bidders to furnish the required services, and bidders shall furnish all such information for this purpose as the County may request. The County also reserves the right to reject the proposal of any bidder who is not currently in a position to perform the contract, or who has previously failed to perform similar contracts properly, or in a manner acceptable to the County, all of which shall be in the County's sole discretion.

4. Delivery

4.1 Bidders shall guarantee delivery of materials in accordance with the delivery schedule stated in specifications. All items shall be delivered F.O.B. Destination/Inside Delivery, unless otherwise indicated, with delivery costs and charges included in the bid price.

4.2 The County reserves the right to charge the Contractor or vendor for each day the materials, supplies, or services are not delivered in accordance with the delivery schedule. The sum established by the specifications may be invoked at the discretion of the Purchasing Agent, said sum to be considered not as a penalty, but as liquidated damages, and deducted from final payment, or otherwise, charged to the Contractor or vendor. This remedy is not exclusive but shall be in addition to all other rights and remedies available to the County. These liquidated damages shall be in addition to any and all actual damages incurred directly or indirectly by the County, its agents, assigns, and contractors.

4.3 All bidders and vendors are to ensure that packaging materials used for this requirement are not made of non-recyclable Styrofoam (Polystyrene). Additionally, any materials used in packing to cushion, protect and ship are to be made of recycled, recyclable or biodegradable materials.

5. Competition

5.1 The name of any manufacturer, trade name, or vendor catalog number mentioned in the specifications is for the purpose of designating a standard of quality.
and type, and for no other purpose unless otherwise stated in the solicitation.

5.2 A bidder may offer a price on only one unit per line item. Even though two or more units may meet the specification, bidders must determine for themselves which to offer. Submission by a bidder of prices for more than one unit shall be sufficient cause for rejection of the bid for that specific item.

5.3 Bids which show omission, irregularity, alteration of forms or additions not called for, as well as conditional or unconditional unresponsive bids, or bids obviously unbalanced, may be rejected.

5.4 All bids must be accompanied by such descriptive literature as may be called for by the specifications or proposal.

5.5 If products to be provided to the County contain any substances that could be hazardous or injurious to a person's health, a material safety data sheet (MSDS) must be provided to the Purchasing Division. This applies also to any product used by a Contractor when providing a service to the County.

5.6 Specifications are based on County needs and uses, estimated costs of operations and maintenance, and other significant and/or limiting factors to meet County requirements, and to ensure consistency with County policies. Minimum specifications, and maximum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

5.7 Unless multiple or alternate bids are requested in the solicitation, these bids may not be accepted. However, if a bidder clearly indicates a base bid, it shall be considered for award as though it were the only bid submitted by the bidder.

6. **Terminations**

6.1 Termination for Convenience: The County may terminate a contract, in whole or in part, without cause, by providing written notice thereof to the Contractor. In the event of termination, without cause, the County shall advise the Contractor in writing of the termination date and of work to be performed during the final days prior to contract termination. The Contractor shall be paid for all reasonable costs incurred by the Contractor up to the date of termination set forth in the written notice of termination. The Contractor will not be reimbursed for any anticipatory profits, which have not been earned up to the date of termination. Payments to be provided on a lump sum basis shall be prorated by the County based on the services rendered or goods delivered up to the date of termination set forth in the written notice.

6.2 Termination for Default:

6.2.1 In addition to other available rights and remedies, the County shall have the right upon the happening of any default, without providing notice to the Contractor: 1) To terminate a contract immediately, in whole or in part; 2) To suspend the contractor's authority to receive any undisbursed funds; and/or 3) To proceed at any time or from time to time to protect and enforce all rights and remedies available to the County, by suit or any other appropriate proceedings, whether for specific performance or any covenant, term or condition set forth in the contract, or for damages or other relief, or proceed to take any action authorized or permitted under applicable law or regulations.

6.2.2 Upon termination of a contract for default, the County may elect to pay the Contractor for services provided or goods delivered up to the date of termination, less the amount of damages caused by the default, all as determined by the County in its sole discretion. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder.

6.3 Funding Out: If funds are not appropriated or otherwise made available to support contract continuation in any fiscal year, the County shall have the right to terminate the contract without prior notice to the Contractor and without any obligation or penalty.

7. **Hold Harmless – Indemnification**

7.1 The Contractor shall defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney's fees and court costs which may be incurred or made against the County, its employees, agents or officials resulting from any act or omission committed in the performance of the duties imposed by and performed under the terms of the contract. The Contractor shall not be responsible for acts of gross negligence or willful misconduct committed by the County.

7.2 The Contractor shall also defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney's fees and court costs which may be made against the County, its employees, agents or officials by any third party arising from the alleged violation of any third party's trade secrets, proprietary information, trademark, copyright, patent...
rights, or intellectual property rights in connection with the contract.

7.3 Unless notified in writing by the County to the contrary, the Contractor shall provide defense for the County, its employees, agents and officials in accordance with this Article and in doing so the Contractor shall allow the County to participate in said defense of the County, its employees, agents and officials, to the extent and as may be required by the County and the Contractor shall cooperate with the County in all aspects in connection therewith. All filings, actions, settlements, and pleadings shall be provided to the County for comment and review prior to filing or entering thereof. No filing, action, settlement or pleading shall be filed or entered without the prior consent and approval of the County.

8. Minority/Women’s Business Enterprise (MBE/WBE) and Small Business Notice: Baltimore County is seeking Minority, Woman and Small Businesses to bid on current solicitations as a prime or sub contractor. In accordance with the Executive Order dated June 4, 2009, “an overall goal of 15% of the cumulative total of all discretionary dollars spent in a fiscal year of County procurements is to be awarded to and/or performed by MBE and WBE firms.” MBE/WBE’s and Small Businesses are encouraged to respond to this solicitation.

9. Authority

9.1 In case of disputes as to whether an item or service quoted or delivered meets specifications, the decision of the Purchasing Agent or authorized representative shall be final and binding on both parties. The Purchasing Agent may request the recommendation in writing of the head of the using agency, the Standards and Specifications Committee, or other objective sources.

9.2 Bidders desiring to appeal a decision of the Purchasing Division must deliver written protests to the Purchasing Division within 10 days of notification of award. The Purchasing Agent or designee will review the protested decision, examine any additional information provided by the bidder and respond in writing within 10 working days of receipt of written protests.

9.3 Instructions, Specifications, and Proposals are issued, and all bids, quotations, orders, and purchases are made pursuant and subject to the provisions of the Baltimore County Charter, and Article 10, Title 2 of the Baltimore County Code, 2003, as amended, and regulations and policies established or prescribed by the Purchasing Division.

10. HIPAA: The Contractor shall comply with the Health Insurance Portability and Accountability Act (HIPAA) and shall execute a Business Associate Agreement as may be required by the County.

11. Reports: When required, reports prepared for Baltimore County should be printed on recycled and recyclable paper printed on both sides per Section 10-2-312 of the Baltimore County Code, 2003, as amended.

12. Terms of Contract

12.1 Any contract awarded pursuant to this solicitation shall be by and between the successful bidder and the County, and shall contain and incorporate, but may not be limited to, all terms and conditions of the solicitation, any amendments or changes thereto. Submission of a bid in response to this solicitation evidences the Contractor’s acceptance of the terms and conditions therein.

12.2 The provisions of the contract awarded pursuant to this solicitation shall be governed by the laws and regulations of Maryland and Baltimore County.

12.3 Any litigation arising out of or relating in any way to the contract or the performance thereunder shall be brought only in the courts of Maryland, and the Contractor hereby irrevocably consents to such jurisdiction. To the extent that the County is a party to any litigation arising out of or relating in any way to the contract or the performance thereunder, such an action shall be brought only in a court of competent jurisdiction in the courts of the State of Maryland.

13. Severability: If any provisions in the contract are declared by a court or other lawful authority to be unenforceable or invalid for any reason the remaining provisions hereof shall not be affected thereby and shall remain enforceable to the full extent permitted by law.

14. Counterparts: The contract may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute but one and the same instrument.

15. Survival: The provisions of paragraphs 1.7 (Representations and Warranties), 4.2 (Damages), 7 (Indemnification), and 10 (HIPAA) shall survive delivery of commodities and/or performance of services.

16. No Waiver, Etc.: No failure or delay by the County to insist upon the strict performance of any term, condition or covenant of the contract, or to exercise any right, power, or remedy consequent upon
a breach thereof, shall constitute a waiver of any such term, condition, or covenant or of any such breach, or preclude the County from exercising any such right, power, or remedy at any later time or times.

17. Maryland Registration / Qualification Requirements:

17.1 Baltimore County verifies the company’s status with SDAT and may require the successful bidder to submit a Good Standing Certificate (also known as a “Certificate of Status”) issued by the Maryland Department of Assessment and Taxation’s (“SDAT”) Charter Division, and the State of Organization.

17.2 For information on registering to do business in the State of Maryland call SDAT at (410) 767-1340 or email at charterhelp@sdat.state.md.us. Sole Proprietors and General Partnerships should call (410) 767-4991. You may download the SDAT forms at http://www.dat.state.md.us/sdatweb/sdatforms.html

17.3 Baltimore County requires the successful bidder to be in “good standing” (also known as Certificate of Status) with the State in which it is organized, and in the State of Maryland, under certain circumstances. Baltimore County verifies the successful bidder’s status with SDAT. Non-compliance to this section may result in a delay in contract award or rejection of a bid.

18. Eligibility of Candidates for Employment:

18.1 The E-Verify program is an internet-based employment verification system that allows employers to verify employee status against Federal Social Security and immigration databases.

18.2 Baltimore County encourages employers to utilize the E-verify program, or an equivalent system, as a means to help employers determine the eligibility of new hires.

19. Warranty:

19.1. Contractor warrants for one year from acceptance, or for such longer period otherwise expressly stated in the attached solicitation, all goods, services, and construction provided. This includes a warranty against any and all defects. The contractor must correct any and all defects in material and/or workmanship that may appear during the warranty period, even if discovered after the end of the warranty period, by repairing any such defect, (or replacing with new items or new materials, if necessary), at no cost to the County and to the County’s satisfaction.
