

# Let's get started.

One program for everything you need.

Welcome! As a member of Baltimore Regional Cooperative Purchasing Committee and Sourcwell, your organization has special access to a custom Staples® product offering at aggressively discounted pricing. This program reduces the cost of your supplies by leveraging the combined purchasing power of the member agencies. **Under the regionally negotiated program, members will also receive a pooling rebate starting at 2%.**

It's all the solutions you need from one comprehensive procurement program, plus it satisfies most agencies' local bidding/RFP requirements, so you don't have to go through the bidding process on your own.

Enjoy the many benefits of the Staples program.

- Awarded, competitive pricing
- Dedicated account manager
- Consolidated invoicing
- Easy online ordering
- Free, next-day delivery\*

Staples is an official supplier for Sourcwell contracts.
