Revised 3/18/2011
PART A: INSTRUCTIONS

The requirements of Article 5, Subtitle 28 of the Baltimore City Code (2007 Edition) – Minority and Women’s Business Program are a part of this contract and are incorporated by reference. THE FAILURE OF ANY BIDDER, CONTRACTOR, OR SUBCONTRACTOR TO COMPLY WITH ARTICLE 5, SUBTITLE 28 SHALL BE A BREACH OF CONTRACT.

Highlights of the City’s MBE/WBE program are noted below. A complete copy of Article 5, Subtitle 28 of the Baltimore City Code (2007) is available at the website at: www.baltimoretoggles.gov/Government/Citychartercodes.aspx or at the MWBOO Office.

1. BID REQUIREMENTS

Bid must include a commitment to utilize MBEs and WBEs at a percentage that equals or exceeds the contract goals stated above. Bidder must submit the following completed documents WITH THE BID:

   Part B: Statement of Intent Form(s) – to be signed by Bidder and MBE or WBE
   Part C: MBE/WBE Participation Affidavit – to be completed by Bidder
   Part D: MBE/WBE Participation Waiver – to be completed and submitted by Bidder if unable to meet the participation goals.

Any bid that does not include signed Statement of Intent Form(s) and the MBE/WBE Participation Affidavit is non-responsive and will be rejected.

Bidder must keep a record of its efforts to obtain MBE and WBE participation.

2. VERIFYING CERTIFICATION

Bidder is responsible for verifying that each MBE and WBE to be used on a contract is certified by the Minority and Women’s Business Opportunity Office (MWBOO) at bid opening. The MBEs and WBEs named must be certified to provide the services that they are listed to perform, and the services must be required as part of the work on this contract. A directory of certified MBEs and WBEs is available on the website at http://cityservices.baltimoretoggles.gov/law/mwboo or at the offices of MWBOO.

3. CONTRACT REQUIREMENTS

During the term of the contract, any unjustified failure to comply with the MBE and WBE participation requirements is a material breach of contract.
Before final payment may be made under the contract, the contractor must submit the Subcontractor Utilization Form with its final payment request. The Subcontractor Utilization Form will include a list of the names of all subcontractors utilized on the contract, both MBE/WBE and
non-MBE/WBE, the total amount paid to each subcontractor, and the owner’s race/ethnicity and sex.

4. SUBSTITUTION OF MBE OR WBE

The Minority and Women’s Business Opportunity Office must approve substitution of an MBE or WBE specified at bid opening. Any unjustified failure to comply with this requirement is a material breach of contract.

5. WAIVER REQUESTS

If a bidder is unable to comply with a contract goal, the bidder may submit a waiver request with the bid. The waiver request must be made on the MBE/WBE Participation Waiver Request Form. No waiver will be granted unless the waiver request includes documentation that demonstrates a good faith effort to comply with the goals.

6. MBE AND WBE PARTICIPATION STANDARDS

6a. Participation of M/WBEs

A business enterprise that is certified as both an MBE and WBE (M/WBE) may not be counted toward both the MBE and WBE goals for the same project. The bidder must select the goal to which the business enterprise is to be counted. (Art. 5, §28-35)

6b. Non-affiliation

A bidder may not use an MBE or WBE to meet a contract goal if:

1. the bidder has a financial interest in the MBE or WBE
2. the bidder has an interest in the ownership or control of the MBE or WBE
3. the bidder is significantly involved in the operation of the MBE or WBE

(Art. 5, §28-41)

A bidder that is an MBE or WBE may not use itself to meet a contract goal.

6c. Commercially Useful Function

The bidder may count toward the contract goals only expenditures to MBEs and WBEs that perform a commercially useful function in the execution of the contract. Commercially useful function means the performance of real and distinct work for which the business enterprise has the skill, expertise, and actual responsibility to perform, manage and supervise. (Art. 5, §28-32).

6d. Subcontracting by MBE or WBE

A bidder may not count toward its contract goal any agreement with a certified MBE or WBE subcontractor who intends to subcontract more than 10% of the dollar amount of the services to be performed under its agreement with the bidder. This restriction does not apply to MBE’s or
B50003073 – Road Service for Cars, Trucks & Heavy Equipment – Due: 08/28/13

WBE’s contracts for the purchase of materials, equipment, or supplies that are incidental to the performance of services under its agreement with the bidder. (Art. 5, §28-34)

6e. Suppliers
Manufacturers - A bidder may count toward the contract goal its entire expenditure to a certified MBE or WBE that manufactures the goods supplied. (Art. 5, §28-36)

Non-Manufacturers – Only 25% of each contract goal may be attained by expenditures to MBEs and WBEs that are non-manufacturing suppliers...
Example: If the bid amount is $100,000 and the MBE or WBE goal is 15% or $15,000; then the limit for the MBE or WBE suppliers that are non-manufacturers is $3,750 or 25% of the 15% goal.

6f. Joint Ventures
A bidder may count toward the contract goal the portion of its expenditure to a joint venture that is equal to the percentage of the MBE or WBE participation in the joint venture. The MBE or WBE member of the joint venture must have an interest in the control, management, and operation of the joint venture commensurate with the member’s percentage of ownership. The MBE or WBE that is a member of the joint venture must be responsible for a clearly defined portion of the work to be performed, equal to its share in the ownership, control, and management of the joint venture. (Art. 5, §28-33)

6g. Insurance Companies and Travel Agents
A bidder may count toward the contract goals only 15% of its expenditure to a MBE or WBE insurance company or travel agent. (Art. 5, §28)

6h. Financial Institutions
A bidder may count toward the contract goals only the fees charged and earned by an MBE or WBE financial institution. (Art. 5, §28-39)

The Auto Barn Inc. located in Baltimore city MD has been owned and operated by Thomas Showalter, a Baltimore city resident since the early 1990's. He started his business with a small shop at 2500 Washington Blvd. in Morrell Park and 1 truck. Since then he has relocated to a much larger shop located at 2930 James St. which is still in Morrell Park and also has expanded the company by acquiring 2 other companies between himself and his wife, Charley’s Crane Service and His wife’s company Cherry Hill Towing Inc. These other companies were acquired to better serve our customers in the Baltimore, Washington DC and VA areas. With well over 50 pieces of equipment serving MD, VA and DC, we are able to provide excellent service while keeping a substantial number of trucks in the Baltimore city area 24 hours a day 7 days a week.

We believe The Auto Barn Inc. has the equipment necessary to provide Baltimore City with the best possible service. Having said that I have also included our affiliate Bryson Enterprise’s / Charley’s Crane Service located in Prince Georges County to better serve any and all towing or hauling outside the Baltimore City area.

We have been providing full service towing for Central Garage (Biddle Street) for almost 5 years including equipment moving and recovery services, while still maintaining many other contracts for their towing needs. I.E. MD state Police (Golden ring, Glen Burnie & Jessup), MD Transportation authority (I95 & 895), as well as other contracts such as Pepsi, Westend Services Rt 40, John Hopkins, many motor clubs and auction lots.

We have and always will do the best possible job for Baltimore City and all of our clients in and around the Baltimore / Washington metro area. Please look over the next several pages for a look at The Auto Barn fleet here in Baltimore city.

Thank you,

Tom Showalter

The Auto Barn Inc. is the preferred hauling supplier in the Baltimore area, and has been a service provider since 10/2004. They supply light duty, heavy duty, low boy, and landoll delivery services to McCall Handling on a daily basis. They perform these services both on a prescheduled, and emergency short notice requests. They make hauling trucks available all hours of the day, and night to meet my customer requirements for deliveries and pickups. I would recommend The Auto Barn services to my customers for both organization, and or private requirements.

Revised 3/18/2011
PART A: INSTRUCTIONS

The requirements of Article 5, Subtitle 28 of the Baltimore City Code (2007 Edition) – Minority and Women’s Business Program are a part of this contract and are incorporated by reference. THE FAILURE OF ANY BIDDER, CONTRACTOR, OR SUBCONTRACTOR TO COMPLY WITH ARTICLE 5, SUBTITLE 28 SHALL BE A BREACH OF CONTRACT.

Highlights of the City’s MBE/WBE program are noted below. A complete copy of Article 5, Subtitle 28 of the Baltimore City Code (2007) is available at the website at: www.baltimorecity.gov/Government/Citychartercodes.aspx or at the MWBOO Office.

1. BID REQUIREMENTS

Bid must include a commitment to utilize MBEs and WBEs at a percentage that equals or exceeds the contract goals stated above. Bidder must submit the following completed documents WITH THE BID:

Part B: Statement of Intent Form(s) – to be signed by Bidder and MBE or WBE
Part C: MBE/WBE Participation Affidavit – to be completed by Bidder
Part D: MBE/WBE Participation Waiver – to be completed and submitted by Bidder if unable to meet the participation goals.

Any bid that does not include signed Statement of Intent Form(s) and the MBE//WBE Participation Affidavit is non-responsive and will be rejected.

Bidder must keep a record of its efforts to obtain MBE and WBE participation.

2. VERIFYING CERTIFICATION

Bidder is responsible for verifying that each MBE and WBE to be used on a contract is certified by the Minority and Women’s Business Opportunity Office (MWBOO) at bid opening. The MBEs and WBEs named must be certified to provide the services that they are listed to perform, and the services must be required as part of the work on this contract. A directory of certified MBEs and WBEs is available on the website at http://cityservices.baltimorecity.gov/law/mwboo or at the offices of MWBOO.

3. CONTRACT REQUIREMENTS

During the term of the contract, any unjustified failure to comply with the MBE and WBE participation requirements is a material breach of contract. Before final payment may be made under the contract, the contractor must submit the Subcontractor Utilization Form with its final payment request. The Subcontractor Utilization Form will include a list of the names of all subcontractors utilized on the contract, both MBE/WBE and
non-MBE/WBE, the total amount paid to each subcontractor, and the owner's race/ethnicity and sex.

4. SUBSTITUTION OF MBE OR WBE

The Minority and Women's Business Opportunity Office must approve substitution of an MBE or WBE specified at bid opening. Any unjustified failure to comply with this requirement is a material breach of contract.

5. WAIVER REQUESTS

If a bidder is unable to comply with a contract goal, the bidder may submit a waiver request with the bid. The waiver request must be made on the MBE/WBE Participation Waiver Request Form. No waiver will be granted unless the waiver request includes documentation that demonstrates a good faith effort to comply with the goals.

6. MBE AND WBE PARTICIPATION STANDARDS

6a. Participation of M/WBEs

A business enterprise that is certified as both an MBE and WBE (M/WBE) may not be counted toward both the MBE and WBE goals for the same project. The bidder must select the goal to which the business enterprise is to be counted. (Art. 5, §28-35)

6b. Non-affiliation

A bidder may not use an MBE or WBE to meet a contract goal if:

1. the bidder has a financial interest in the MBE or WBE
2. the bidder has an interest in the ownership or control of the MBE or WBE
3. the bidder is significantly involved in the operation of the MBE or WBE (Art. 5, §28-41)

A bidder that is an MBE or WBE may not use itself to meet a contract goal.

6c. Commercially Useful Function

The bidder may count toward the contract goals only expenditures to MBEs and WBEs that perform a commercially useful function in the execution of the contract. Commercially useful function means the performance of real and distinct work for which the business enterprise has the skill, expertise, and actual responsibility to perform, manage and supervise. (Art. 5, §28-32).

6d. Subcontracting by MBE or WBE

A bidder may not count toward its contract goal any agreement with a certified MBE or WBE subcontractor who intends to subcontract more than 10% of the dollar amount of the services to be performed under its agreement with the bidder. This restriction does not apply to MBE's or
WBE’s contracts for the purchase of materials, equipment, or supplies that are incidental to the performance of services under its agreement with the bidder. (Art. 5, §28-34)

6e. Suppliers

Manufacturers - A bidder may count toward the contract goal its entire expenditure to a certified MBE or WBE that manufactures the goods supplied. (Art. 5, §28-36)

Non-Manufacturers – Only 25% of each contract goal may be attained by expenditures to MBEs and WBEs that are non-manufacturing suppliers...

Example: If the bid amount is $100,000 and the MBE or WBE goal is 15% or $15,000; then the limit for the MBE or WBE suppliers that are non-manufacturers is $3,750 or 25% of the 15% goal.

6f. Joint Ventures

A bidder may count toward the contract goal the portion of its expenditure to a joint venture that is equal to the percentage of the MBE or WBE participation in the joint venture. The MBE or WBE member of the joint venture must have an interest in the control, management, and operation of the joint venture commensurate with the member’s percentage of ownership. The MBE or WBE that is a member of the joint venture must be responsible for a clearly defined portion of the work to be performed, equal to its share in the ownership, control, and management of the joint venture. (Art. 5, §28-33)

6g. Insurance Companies and Travel Agents

A bidder may count toward the contract goals only 15% of its expenditure to a MBE or WBE insurance company or travel agent. (Art. 5, §28)

6h. Financial Institutions

A bidder may count toward the contract goals only the fees charged and earned by an MBE or WBE financial institution. (Art. 5, §28-39)
