POSITION: Emergency Preparedness Planner; Two (2) Year Grant Funded Position

SALARY: This position offers a competitive salary and benefits package, dependent upon qualifications and experience. The position will be funded through the Regional Catastrophic Preparedness Grant Program (RCPGP). The expected salary range is \$50,000 - \$60,000 annually.

BENEFITS: BMC participates in the State of Maryland's benefits program, including comprehensive healthcare, dental, and life insurance options. BMC provides a highly competitive package of additional benefits including guaranteed contribution to deferred compensation programs, optional telework, state holidays, and vacation/personal leave.

DESCRIPTION: The Baltimore Metropolitan Council (BMC) is a quasi-governmental, non-profit agency serving the Baltimore region. Our board of directors includes the Mayor of Baltimore and the elected executive officials from the six surrounding counties. BMC's primary function is to support the Baltimore Regional Transportation Board (BRTB), the area's metropolitan planning organization (MPO) and its regional transportation planning activities. BMC also provides support to member local governments in several other areas, including emergency management, procurement, reservoir protection and water quality, sustainable community planning, and workforce development.

Baltimore is the core city of the federally designated Baltimore Urban Area Security Initiative (UASI), which is comprised of Baltimore City, Annapolis, and Anne Arundel, Baltimore, Carroll, Harford, and Howard Counties.

BMC is seeking one (1) entry level full-time Emergency Preparedness Planner to report to BMC's Executive Director and Senior Emergency Management Planners. The planner will support the study and development of products for two grants awarded by FEMA's Regional Catastrophic Preparedness Grant Program.

This is a two (2) year limited-term grant-funded position. The term of the position may be extended with additional federal grant funds.

SUMMARY OF DUTIES: Typical duties of this position include:

- Validate the Baltimore UASI's capability to shelter/interim/permanent housing during an emergency and provide data to inform the annual Threat Hazard Identification and Risk Assessment (THIRA) process.
